"PRO: RECLAIMING ABORTION RIGHTS"

Pro Reclaiming Abortion Rights

Michał Gierycz

Pro Reclaiming Abortion Rights:

Pro Katha Pollitt, 2014-10-14 A New York Times Book Review Notable Book From noted feminist and longtime columnist for The Nation award winning author Katha Pollitt's *Pro Reclaiming Abortion Rights* presents a powerful argument for abortion as a moral right and social good As the Supreme Court is set to overturn the landmark decision that legalized abortion nationwide this urgent controversial book reframes abortion as a common part of a woman's reproductive life one that should be accepted as a moral right with positive social implications Nearly fifty years after the Roe v Wade ruling Abortion is still a word that is said with outright hostility by many despite the fact that one in three American women will have terminated at least one pregnancy by menopause Even those who support a woman's right to an abortion often qualify their support by saying abortion is a bad thing an agonizing decision making the medical procedure so remote and radioactive that it takes it out of the world of the everyday turning an act that is normal and necessary into something shameful and secretive Meanwhile the rights once upheld by the Supreme Court are threatened to be repudiated and systematically eroded by state laws designed to end abortion outright *Pro* reaffirms the priority of a woman's life and health and discusses why terminating a pregnancy can be a force for good for women families and society It is time Pollitt argues that we reclaim the lives and the rights of women and mothers A refreshing and comprehensive look at abortion rights *Pro* is a passionate plea and a book that is needed now more than ever Salon Ultimately Pollitt is arguing not just for reproductive rights but for reproductive justice which places the right to mother or not within the global context of human rights and social and economic justice inextricable from the fight for universal health insurance immigration reform and a host of social challenges The Chicago Tribune

Changing Abortion Laws in Mexico Through Advocacy and Human Rights Clara Eugenia Franco Yáñez, 2025-03-07 *Changing Abortion Laws in Mexico Through Advocacy and Human Rights* presents the recent evolution of abortion laws in Mexico 2007 2021 and how advocates have shaped them through human rights discourses challenging social norms Utilizing extended expert interviews it offers a uniquely deep dive into the mapping of Mexico's recent legal landscape concerning abortion addressing an issue of concern for contemporary feminist movements By thoroughly analyzing this debate as it happened on the ground in Mexico the author examines how activists for and against legal abortion have shaped norms and laws analyzing their proposals for legal and public policy reforms The book maps out this sociopolitical and legal landscape throughout the past decade beginning with abortion legalization in Mexico City in 2007 throughout the political backlash that ensued in other subnational states and culminating with the Supreme Court's decision in 2021 to decriminalize abortion The Mexican case is explored through a dual lens firstly by zooming in to Mexico as a country case where federalism makes for a complex and fascinating legal landscape and secondly by zooming out to networks of transnational advocates and their linkages to global norms and institutions The concluding considerations provide closing reflections on the abortion in Mexico story and the ways in which advocates on this and other issue areas

might find ways to advance ideas normative concepts find common ground with ideological opponents and implement successful policy change This book will be of great interest to students and scholars of Politics and International Relations International Law Feminist Studies and Latin American Studies Abortion across Borders Christabelle Sethna, Gayle Davis, 2019-03-26 A timely examination of how restrictive policies force women to travel both within and across national borders to access abortion services Safe legal and affordable abortion is widely recognized as an essential medical service for women across the world When access to that service is denied or restricted women are compelled to carry unwanted pregnancies to term seek backstreet abortionists attempt self induced abortions or even travel to less restrictive states provinces and countries to receive care Abortion across Borders focuses on travel across domestic and international boundaries to terminate a pregnancy Christabelle Sethna and Gayle Davis have gathered a cadre of authors to examine how restrictive policies force women to move both within and across national borders in order to reach abortion providers often at great expense over long distances and with significant safety risks Taking historical and contemporary perspectives contributors examine the situation in regions that include Texas Prince Edward Island Ireland Australia the United Kingdom and Eastern Europe Throughout they take a feminist intersectional approach to transnational travel and access to abortion services that is sensitive to inequalities of gender race and class in reproductive health care This multidisciplinary volume raises challenging logistical legal and ethical questions while exploring the gendered aspects of medical tourism A noticeable rollback of reproductive rights and renewed attention to border security in many parts of the world will make Abortion across Borders of timely interest to scholars of gender and women s studies health medicine law mobility studies and reproductive justice Contributors Barbara Baird Niklas Barke Anna Bogic Hayley Brown Lori A Brown Cathrine Chambers Ewelina Ciaputa Gayle Davis Mary Gilmartin Agata Ignaciuk Sin ad Kennedy Lena Lennerhed Jo Ann MacDonald Colleen MacQuarrie Jane O Neill Clare Parker Christabelle Sethna Sally Sheldon **The Moral Case for Abortion** Ann Furedi, 2022-01-27 This revised and updated edition of the 2016 bestselling work sets out the moral arguments for a woman s right to decide the future of her pregnancy Drawing on traditions of philosophical and sociological thinking it presents the case for recognizing autonomy in personal private decision making about reproductive intentions Further it argues that to prevent a woman making this decision according to her own values is to undermine the essence of her humanity The author explores how true respect for human life and regard for individual conscience demands that we support a woman s right to decide and that support for her right to terminate her pregnancy has moral foundations and ethical integrity This second edition features a foreword by US abortion provider and reproductive justice advocate Dr Willie Parker as well as additional chapters that consider the rights of doctors and nurses to withdraw from abortion provision on grounds of conscience Furedi also surveys the rapidly changing landscape of the abortion debate including the rights of women in the aftermath of Trump s presidency debates politics and religion in Northern Ireland and the Republic of Ireland and the differing levels of provision across Europe **Beyond the**

Abortion Wars: A Way Forward for a New Generation Camosy, 2016-09 Now in paperback A terribly timely take on the polarized abortion debate The abortion debate in the United States is confused Ratings driven media coverage highlights extreme views and creates the illusion that we are stuck in a hopeless stalemate In this book published in hardcover in March 2015 Charles Camosy argues that our polarized public discourse hides the fact that most Americans actually agree on the major issues at stake in abortion morality and law Unpacking the complexity of the abortion issue Camosy shows that placing oneself on either side of the typical polarizations pro life vs pro choice liberal vs conservative Democrat vs Republican only serves to further confuse the debate and limits our ability to have fruitful dialogue Camosy then proposes a new public policy that he believes is consistent with the beliefs of the broad majority of Americans and supported by the best ideas and arguments about abortion from both secular and religious sources **Abortion in the Age of Unreason** Warren M.

Hern, 2024-09-30 This vivid account by a nationally prominent doctor reports the daily challenges of offering and receiving abortion services in a volatile political and social atmosphere In stories from the front lines from protecting patients and staff from protesters attacks to the dangers to women of restricted access to abortion services and the pertinent findings of his remote research in Latin America Hern s book is strikingly detailed just as it exposes the needs of women and the U S national interest Dr Hern an abortion specialist researcher scholar and highly visible public advocate shows how abortion saves women s lives given the many risks that arise during pregnancy remarkably more than most people realize He points to political and national solutions to reverse a reawakened crisis that now threatens democracy Throughout the book Dr Hern shows how the current emergency was largely created by political actors who have exploited and distorted the abortion issue to increase and consolidate their power A vital component of women s health care the crisis over abortion is not new Yet the reversal of Roe v Wade and the steady accumulation of power by America s right wing has put the issue at a level of urgency and national prominence not seen since the days before legalization Women s need for safe abortion services will continue as the struggle to secure their rights intensifies This book is about that struggle during what has evolved over the last 50 years to an Age of Unreason Aftermath Elizabeth G. Hines, 2025-07-30 After nearly fifty years as settled constitutional law the federally protected right to an abortion in America is now a thing of the past The Supreme Court s overturning of Roe v Wade has left Americans without a guaranteed right to access abortion and the cost of that upheaval will be most painfully felt by individuals who already struggle with access to resources the poor Black and brown communities and members of the LGBTQIA population Pulling together the experiences expertise and perspectives of more than 30 writers thinkers and activists Aftermath Life in Post Roe America offers a searing look at the critical role Roe has played in improving women s and pregnant people s lives what a future without Roe may look like and what options exist for us to secure reproductive freedom in the future With contributions from Jessica Valenti Soraya Chemaly Michele Goodwin Alyssa Milano Ruby Sales Heather Cox Richardson Robin Marty Linda Villarosa Jennifer Baumgardner and more this anthology is essential reading for

anyone who cares about the future of reproductive rights in America and beyond Critical Perspectives on Abortion Anne C. Cunningham, 2017-07-15 Before the mid nineteenth century abortion was a legal and morally uncontested procedure in America available to most women Yet since the dawn of the twentieth century abortion has remained an ever present controversial issue Although it has been legal since 1973 thousands of new laws have been enacted across the United States to limit women's access to the procedure and the majority of these laws were passed between 2010 and 2015 This text gives students insight into the history of abortion and abortion rights presenting thoughtful analysis from political leaders and experts fighting for both sides of the issue to help students think critically about abortion and women's rights in America

European Dispute over the Concept of Man Michał Gierycz, 2021-01-11 The book represents original research in a field of study rarely pursued while analysing the intellectual dimensions of disputes over ethically sensitive issues that occur in European Union politics These disputes are generally analysed at ideological ethical economic and interstate levels However these references do not suffice in understanding the issue which is related to a divergent perception of the essence of humanity and thus the subject matter of anthropology The main research objective of the monograph is therefore to reconstruct the sources and the specific European Union way of thinking about the human being Methodologically the book expands the understanding of political anthropology within political science and presents a range of suitable instruments for pursuing anthropological research At the theoretical level it proposes an anthropological typology of the main currents of European political thought and reveals their prominence for the anthropological orientation of the EU's axiology Empirically it provides an analysis of the anthropological features of European Union institutions and policies in addition to discussing the relation between the axiological and anthropological positions of the main political and national groups within the EU

Abortion Wars Orr, Judith, 2017-09-10 In this hard hitting timely book Judith Orr leading pro choice campaigner argues that it's time women had the right to control their fertility without the practical legal and ideological barriers they have faced for generations Donald Trump's presidency threatens abortion rights within the US and his global gag affects women worldwide today 47 000 women die annually from illegal abortions In Britain anti abortion campaigners attack women's rights under existing law Elsewhere women cross borders or buy pills online In the US Ireland Poland and Latin America restrictions on abortion have provoked mass resistance Combining analysis of statistics popular culture and social attitudes with powerful first hand accounts of women's experiences and a history of women's attempts to control their bodies the author shows that despite the 1967 Abortion Act full reproductive rights in Britain are yet to be won The book also highlights current debates over decriminalisation and argues for abortion provision fit for the 21st century

The book delves into Pro Reclaiming Abortion Rights. Pro Reclaiming Abortion Rights is a crucial topic that must be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Pro Reclaiming Abortion Rights, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Pro Reclaiming Abortion Rights
 - Chapter 2: Essential Elements of Pro Reclaiming Abortion Rights
 - Chapter 3: Pro Reclaiming Abortion Rights in Everyday Life
 - Chapter 4: Pro Reclaiming Abortion Rights in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of Pro Reclaiming Abortion Rights. This chapter will explore what Pro Reclaiming Abortion Rights is, why Pro Reclaiming Abortion Rights is vital, and how to effectively learn about Pro Reclaiming Abortion Rights.
 3. In chapter 2, the author will delve into the foundational concepts of Pro Reclaiming Abortion Rights. This chapter will elucidate the essential principles that need to be understood to grasp Pro Reclaiming Abortion Rights in its entirety.
 4. In chapter 3, the author will examine the practical applications of Pro Reclaiming Abortion Rights in daily life. This chapter will showcase real-world examples of how Pro Reclaiming Abortion Rights can be effectively utilized in everyday scenarios.
 5. In chapter 4, this book will scrutinize the relevance of Pro Reclaiming Abortion Rights in specific contexts. The fourth chapter will explore how Pro Reclaiming Abortion Rights is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about Pro Reclaiming Abortion Rights. This chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Pro Reclaiming Abortion Rights.

Pro Reclaiming Abortion Rights Introduction

In today's digital age, the availability of Pro Reclaiming Abortion Rights books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Pro Reclaiming Abortion Rights books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Pro Reclaiming Abortion Rights books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to

purchase several of them for educational or professional purposes. By accessing Pro Reclaiming Abortion Rights versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Pro Reclaiming Abortion Rights books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Pro Reclaiming Abortion Rights books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Pro Reclaiming Abortion Rights books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Pro Reclaiming Abortion Rights books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Pro Reclaiming Abortion Rights books and manuals for download and embark on your journey of knowledge?

FAQs About Pro Reclaiming Abortion Rights Books

1. Where can I buy Pro Reclaiming Abortion Rights books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Pro Reclaiming Abortion Rights book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Pro Reclaiming Abortion Rights books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Pro Reclaiming Abortion Rights audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Pro Reclaiming Abortion Rights books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
