Return Four Phases Of Our Mortal Journey Home:

Return Robert D. Hales, 2010-01-01 Church leader and business executive Robert Hales discusses the four stages of life's journey: preparation, decision, serving, and enduring, and considers how each stage prepares us for eternal life. *Joseph Smith and the Book of Enoch* Mark Lines, 2023-07-07 The sources of Joseph Smith's literary works remain the most enigmatic aspect of Mormon history. Smith's translation projects, the Book of Mormon, Book of Moses, the Inspired Bible, and Book of Abraham, include prophecies, visions, and allusions to the ancient biblical prophet Enoch. Before Joseph Smith began writing his visions of Enoch, Oxford professor Richard Laurence revived interest in the prophet through his 1821 English translation of the ancient text, the Book of Enoch, known as 1 Enoch. For decades, some historians have denied that Joseph Smith ever had access to the Book of Enoch, but many reserve the possibility that it directly influenced Smith's works. The author of this book documents the many similarities between the Book of Enoch and Smith's Mormon texts. Using source analysis and historical context, the author identifies the uniquely Mormon words, storylines, imagery, and concepts that appear in Richard Laurence's translation of the ancient religious text. **Interpreter: A Journal of Mormon Scripture, Volume 24 (2017)** Daniel C. Peterson, 2017-06-26 This is volume 24 of *Interpreter: A Journal of Mormon Scripture*, published by The Interpreter Foundation. It contains articles on a variety of topics, including: Looking Back Almost Five Years On Deuteronomy 17:14-20 as Criteria for Book of Mormon Kingship; Meeting Zoram, Seers and Stones: The Translation of the Book of Mormon as Divine Visions of an Old Time Seer; Bare Record: The Nephite Archivist; The Record of Records and the Book of Mormon Provenance; and By the Blood Ye Are Sanctified: The Symbolic, Salvific, Interrelated, Additive, Retrospective, and Anticipatory Nature of the Ordinances of Spiritual Rebirth in John 3 and Moses 6. **When Time and Eternity Kiss** Sean Maddox, 2016-09-27 A LIFE-CHANGING SPIRITUAL MASTERWORK ON GOD, HUMAN DESTINY, AND THE BIBLE: A UNIQUE SPIRITUAL JOURNEY GUIDE. *When Time and Eternity Kiss* is a boldly provocative and highly original new interpretation of the Bible, a page-turner for believers, seekers, skeptics, and secularists alike. By harmonizing the Bible with 21st-century quantum physics and the Big Bang theory, Maddox leads us into the labyrinth of God's mind. What are we? Where do we come from? Do we have a destiny? The Bible proclaims, "You are gods." What does that mean? Is there an objective reality, or just the illusion of one? As Eastern spiritual traditions assert, quantum physics theorizes, and Einstein suggested, in *When Time and Eternity Kiss*, author Sean Maddox argues passionately that the Bible answers life's most perplexing questions. He supports his propositions by integrating wisdom and insight from mythologies, biblical Hebrew, Kabbalah, Hindu Chakras, Buddhism, psychology, archetypal symbolism, dream work, and quantum physics. His multidisciplinary perspective allows readers to see with new eyes how the Bible is the spiritual guide par excellence to the psycho-spiritual evolution of divine and human consciousness. **INSPIRED: GROUNDBREAKING SCHOLARSHIP** This revolutionary work is the culmination of the author's twenty-five-year journey of psycho-spiritual inquiry, study, and singular personal sacrifices. Maddox emerges as a daringly independent scholar and

visionary who peers into the Bible's riveting mysteries and reveals God's Feminine Side in the texts Aptly titled *When Time and Eternity Kiss* is a passionate cosmic love story from start to finish At the climax of the book Maddox upends traditional interpretations as he illuminates the two Genesis Creation stories and shares his vision of why God shattered the silence of Eternity to create life in time and space In radiant lucid prose Maddox restores the Bible to 21st c relevancy as the cornerstone of Western civilization

Pelfrey, 2023-01-25 Is there more to life Is there more to me Is it all worth it What does it mean to be one with God and what does that have to do with the mess and challenges of everyday life These are some of the issues addressed in *An Untold Story* as it follows the mystical heroic quest to find our true selves In coming to a better understanding of what it is to be a hero and what it is to be a mystic we come to a better understanding of what it is to be ourselves The stories are connected The classic hero's journey of myth and legend is at the heart of the mystical journey to life with God And together they show the way to our true selves and our true stories With the guidance of mystical theologian John of Ruusbroec and other teachers and with help from many favorite heroic stories and characters *An Untold Story* presents a path of spiritual formation that is at once epic and everyday fantastical and practical otherworldly and ordinary This is a guide for any would be mystic hero longing for their own wondertale to no longer be an untold story

spiritual wisdom that will make our lives happier and more loving In the first stage on the mystic way children experience awe and wonder but they do not realize that this is a spiritual experience While all indigenous people recognize awe as a mystical experience only some adults and most artists do When parents and religious leaders teach children about God they cause their spiritual growth to flourish or to become stunted at an elementary school level Awakening is an experience of the Divine that helps us realize that the Sacred Spirit is within us and loves us Awakening produces love for our neighbors and ourselves Then love nurtures more awakenings Illumination and union are deeper mystical experiences that the Holy One is not only within all of us and all of creation but also that we are within the ONE Illumination creates more love for all people and all the universe
