

The background of the cover is a landscape featuring a large, multi-towered stone castle or fortress situated on a grassy hill. In the foreground, there is a body of water reflecting the scene. The sky is a mix of blue and white, suggesting clouds. Overlaid on the upper half of the image is a large, glowing white symbol that combines a sword and a cross. The sword's blade forms the vertical stem of the cross, and the crossbar of the cross is the sword's hilt. The entire symbol has a bright, ethereal glow.

John,

by the author by 'Chronicles of the Schönberg-Cotta family'. Elizabeth Rundle Charles, 1892 *Three Scenarios of Revelation* Nativ, 2006-09-29 The book's focus from which the title is derived is taken from Revelation 11:18 and opens with The Wrath of God continues with The Judgment of Mankind and closes with The Reward of the Saints A Jewish Biblical Scholar Nativ brings a unique often startling perspective to the Book of Revelation Basing his theories in Hebraic concepts not doctrine or dogma Nativ takes the reader on an exciting step by step journey through the Hebrew texts the original language of the Bible and through painstaking analysis breathes new life into the words of the Old Testament prophets the apostles and Jesus Take for example the word Armageddon Long interpreted as the ultimate battle between good and evil Nativ uses his extensive Hebrew knowledge to show it is a place not a battle and introduces the ancient Hebrew concept of a place of refuge as proof Should Nativ be correct not only will he change the theology but dictionary definitions as well Equally startling is his discussion of Revelation Chapter Nine regarding the opening of the bottomless pit and the release of the awesome creatures within Nativ not only explains what they are their origins and their purpose but most surprising the creatures present location as they await the ending of the Age Perhaps most controversial of all is Nativ's answer to the long

asked question regarding the identity of the Beast and the meaning of the number 666 Not only will the reader be dumbfounded by the simplicity of Nativ s answer but horrified by the proximity Nativ is not dogmatic He does not expect everyone to agree with his study s conclusions but instead challenges the reader to prove him biblically incorrect Neither prophet nor the recipient of a great revelation from God Nativ s only claim is the wisdom from God to unveil the meaning of the Book of Revelation in all its complexities
