Four Views of the End Times Participant Guide Timothy Paul Jones, 2013-12-16 What does the Bible actually say about the end times that lead to the return of Jesus Christ The Participant Guide for the Four Views of the End Times part of a video based small group study that studies the four major end time views will help you understand the different viewpoints regarding end times prophecy Four Views of the End Times is a small group study that takes a look at four different Revelation time lines and tackles Dispensational Premillennialism Postmillennialism Historic Premillennialism and Amillennialism the four major end times viewpoints For each view Four Views of the End Times includes a definition supporting Scriptures a time line of the view's popularity and a sampling of Christian leaders supporting that view Common questions and answers are discussed as part of each session so anyone can be part of the study group About speaker and author Dr Timothy Paul Jones Dr Jones serves as Professor of Leadership and Church Ministry at The Southern Baptist Theological Seminary in Louisville Kentucky *The End Times, Again?* Martyn Whittock, 2021-10-15 From the Middle Eastern politics of Donald Trump to the UK's 2016 EU Referendum large numbers of Christians are making decisions based on the alleged end times aspects of modern politics Such apocalyptic views often operate beneath the radar of much Christian thought and expression In this book historian Martyn Whittock argues that while the New Testament does indeed teach the second coming of Christ complications occur when Christians seek to confidently identify contemporary events as fulfilments of prophecy Such believers are usually unaware that they stand in a long line of such well intended but failed predictions In this book Whittock explores the history of end times speculations over two thousand years revealing how these often reflect the ideologies and outlooks of contemporary society in their application of Scripture When Christians ignore such past mistakes they are in danger of repeating them Jesus Whittock argues taught a different way The Book of Revelation Revealed Michael Dale, 2018-02-04 The book of Revelation is one of the most mysterious books in the Holy Bible Many have attempted to unlock its secrets This book is the author's contribution to this task The Book of Revelation Revealed is an in depth journey into the Book of Revelation's extraordinary prophecies Author Michael B Dale applies tools of wisdom divine revelation and personal insight studious reflection combined with a historical perspective and guidance from the Holy Spirit to gain insight into some of these mysteries This is another addition to the Revealed Series that every student of prophecy can gain some amount of insight from The Non-Prophet's Guide to the End Times Todd Hampson, 2018-10-02 I Believe Jesus Will Return What More Do I Need to Know Do you tend to avoid studying books of the Bible like Revelation and Ezekiel Does it feel like words such as rapture and apocalypse fly right over your head It's common to dismiss these and other topics related to Bible prophecy as irrelevant and well too complicated But God's Word says Blessed is the one who reads aloud the words of this prophecy and blessed are those who hear it and take to heart what is written in it because the

time is near Revelation 1:3 Prepare to be blessed in an entertaining and meaningful way The Non Prophet's Guide to the End Times combines engaging illustrations with down to earth explanations to help you navigate the ins and outs of Bible prophecy There's no better time to grasp God's plans for the future and for you than this very moment *Dictionary of Biblical Prophecy and End Times* J. The Apocalypse Explained Jimmie Chapman, 2015-09-28 The word apocalypse comes from the Greek word apokalupsis which means to disclose uncover or reveal hence we get the name Revelation the last book of the Bible The book of the Revelation is given to uncover or disclose the meaning of some of the great mysteries of the Bible The Apocalypse Explained uncovers many of those mysteries by using the Bible itself to find their meaning This is the most accurate way of interpreting biblical prophecies The purpose of The Apocalypse Explained is to connect the prophecies throughout the Bible with our present and with our future In fact the very first verse of the Revelation of Christ reveals its purpose to show unto his servants things which must shortly come to pass The majority of the book is for the last days the time the Bible calls the great tribulation The fulfillment of the Apocalypse is much closer to a reality than most people believe Are you ready *The Complete Layman's Guide To End Times Prophecy A Biblical Perspective* Robert R. Ramirez, 2011-11 Have you looked around at the world and felt as though everything was falling apart America is struggling economically and no one has any answers Unemployment has been over 9% for over two years now It feels like the government is trying to take control of our lives There is speculation that Greece might collapse economically and if they do other European countries will follow suit The Middle East is in total chaos and very unstable with all these people rioting in the streets and wreaking havoc on their respective countries along with dictators falling and rising from power Iran is still telling everyone they are intent on annihilating Israel as they improve their nuclear capabilities As Christians our hope is in Jesus Christ we know that our God is sovereign so all the chaos in the world has no effect on how God brings the world to an end But the end is in sight and people are looking for something certain in this world There are so many questions Christians have regarding End Times Prophecy and do not understand simply because the church has not fulfilled its purpose in rightly dividing the Word of truth

for the saints The Complete Layman s Guide to End Times Prophecy will bring together all the questions one might have regarding the end of the world and the return of the Warrior King Jesus Christ to this earth to set up His millennial kingdom This book is clear concise and cogent in its message and attempts to address all End Times Prophecy questions Doctor Robert Ramirez B A Political Science College of Santa Fe B A Pastoral Studies Moody Bible Institute MDiv The Master s Seminary DMin Trinity Southwest University Pastor Alive In Christ Bible Church President and Founder New Mexico Bible Institute Bookstore
