Revolve Mans Scientific Rise To Godhood:

Revolve Aaron Franz,2014-05-15 Artificial intelligence nanotechnology implantable chips and life extension These and many other technologies are being promoted as the way for humanity to become something radically different The transhumanist movement claims that by applying them to our biology we will become posthuman A new religion for a new age is being born and it centers around Man s scientific attainment of eternal life The Philosopher s Stone of the alchemists now appears to be within reach Revolve takes you beyond the typical Singularity sales pitch to bring you face to face with something far more profound disturbing and ancient *Rise and Fall of Man* Phineas Nyabera,2021-06-30 Rise and fall of man present powerful details of survey of man s life right from the beginning of life itself Chapter by chapter page by page blow by blow this book explains causes effects forces friction and joyous encounters Man has been wrapped in jealousy and greed drifting away from the Ten Commandments and the Law This book is accurate and straight forward because of its clarity and its Eternal truth Rise and Fall of Man will still be read after many years have passed *God: the Evidence* Ronald W. Larsen PhD,2022-09-19 The holy grail of physics is quantum gravity often called the theory of everything But any scientific theory will be incomplete without the God of the Bible Physicists claim the cosmos began with a big bang created from nothing But the word nothing is meaningless in physics Furthermore the big bang is an impenetrable barrier to whatever preceded it In addition a finite cosmos cannot contain within itself an explanation for its own existence To claim we are here by accident explains nothing and leads to a logical dead end The cause of the universe is information in the form of mathematical laws left behind for science to discover The fundamental properties of these laws have the same attributes as the Supreme Lawgiver of Genesis An intelligible cosmos is unmistakable evidence the Creator is an Intelligent Mind The Creator s Voice is a valid scientific theory confirming the truth of Genesis God spoke the laws creating the universe out of nothing creatio ex nihilo The foundation of the universe is ethereal cosmic waves which interact according to the laws to create and sustain the illusion of reality we experience Space time energy and matter are made from quantum information nothing else is needed By a process of elimination God is the only possible explanation for everything we know The human mind is evidence consciousness is endemic to the cosmos Cosmic waves interact with the human mind in mysterious ways The cosmos relates to humans more like a great Mind than a mindless machine The god like nature of the human mind is evidence we are made imago Dei Even if God is included in a scientific theory it means little unless it can be shown God is a real Being alive present in the world and relevant to our lives God's Way to Man in Olden Times; or, Gospel teachings of the Book of Genesis: in a series of lectures on ... that book Paul L.
