President (1993-2001 : Clinton),1998 Academic Conferences for School and Teacher Leaders Eli Johnson,Arthur L. Costa,2014-06-04 Academic conferences increase collaboration and support collegial dialogue between teachers principals and district administrators while providing a forum for education professionals to consider school practices old and new and plan ways to best utilize them all in the future This book by experienced educators Eli Johnson and Arthur L Costa is about encouraging and enhancing these necessary but often neglected conversations as a means of helping educators identify the ways that innovative teaching strategies can best connect positive classroom outcomes to the long term plans learning goals and academic purposes of a school and district Academic Conferences for School and Teacher Leaders proves an invaluable tool for educators and educational administrators who are tasked with the toughest decisions facing our struggling school system today and is an ideal fit for courses in educational leadership and supervision of instruction When structured effectively academic conferences can transform schools and help educational leaders mine the excellence of every student in their classrooms and this book is a necessary guide for any leader whose goal is to do just that **Restoring Opportunity** Greg J. Duncan,Richard J. Murnane,2014-01-01 In this landmark volume Greg J Duncan and Richard J Murnane lay out a meticulously researched case showing how in a time of spiraling inequality strategically targeted interventions and supports can help schools significantly improve the life chances of low income children The authors offer a brilliant synthesis of recent

research on inequality and its effects on families children and schools They describe the interplay of social and economic factors that has made it increasingly hard for schools to counteract the effects of inequality and that has created a widening wedge between low and high income students Restoring Opportunity provides detailed portraits of proven initiatives that are transforming the lives of low income children from prekindergarten through high school All of these programs are research tested and have demonstrated sustained effectiveness over time and at significant scale Together they offer a powerful vision of what good instruction in effective schools can look like The authors conclude by outlining the elements of a new agenda for education reform Restoring Opportunity is a crowning contribution from these two leading economists in the field of education and a passionate call to action on behalf of the young people on whom our nation s future depends Copublished with the Russell Sage Foundation **Research in Education** ,1974
