Service With a Sneer: The Unrepentant Recollections of An Old-School Cop John J. Lamb, 2024-09-15 Are you ready for a stroll down memory alley Can you recall a time when cops arrested rioters who were setting fire to buildings and vandalizing historical monuments Remember when shoplifters actually went to jail Imagine an era when violent lunatics weren't allowed to wander freely through neighborhoods and menace residents Don't you wish you lived in a time when the police were allowed to do their jobs Retired Southern California homicide detective John J Lamb remembers those days because he was there Service With a Sneer is the first volume in his entertaining sardonic and unremorseful memoirs The book takes the bold reader on a journey a half century into the past It's an era before computers automated license plate readers and body cams It's a time when Tasers didn't exist and the only less lethal options open to police officers were nightsticks and fists Yet those old time cops did a pretty fair job keeping the streets safe The tale begins in the early 1960s Lamb was a little boy with the deck stacked against him He suffered from a crippling bone disease that forced him to wear a full metal leg brace was so myopic he was legally blind and was the victim of brutal and regular child abuse Yet his improbable dream was to become a police officer He made that goal a reality First in 1974 when he joined the USAF Security Police and five years later when he became a deputy sheriff with the Riverside County Sheriff's Department working in the desert and tourist cities near Palm Springs Lamb's stories include How his work with British police detectives on a major and successful drug trafficking investigation led to his being targeted as a troublemaker by his USAF commanding officer How following shoe impressions in the desert sands led him to a pair of professional cat burglars who were pillaging homes in an exclusive community of millionaires His surprising observation while working a traffic security detail for then President elect Ronald Reagan's motorcade Some readers might remember Lamb as the author of a series of cozy mystery novels set in the warm world of collectible teddy bears Don't look for anything cute and cuddly in his newest book Instead he freely mixes tragedy with absurdity as he shares tales about vicious fights high speed fatal traffic crashes the terrorist attack that wasn't and how he convinced a woman that he had the know how to evict Satan from her apartment The stories are shocking infuriating ironic heart rending and sometimes gruesomely funny Best of all they're all true *Lesson Study* Brahm Norwich, Jeff Jones, 2014-02-13 Lesson Study has been developed and used in Japan for over a century and is increasingly used in the Far East USA and now in Europe Lesson Study shows how this powerful model of professional learning has been integrated with the principles of inclusive practice by classroom teachers in the challenging area of teaching pupils in the spectrum from Moderate Learning Difficulties MLD to low attainment The book illustrates how Lesson Study has been practised and explores the optimal conditions in schools for its effective use Essential reading for trainee and practicing teachers with an interest in how professional practice can enhance reflective practice as a means of school improvement and innovation for all pupils [Police Officer Exam For Dummies](#) Raymond Foster, Tracey Vasil Biscontin, 2011-01-13 Your
