My Freedom*

My Bondage And My Freedom

Frederick Douglass

My Bondage And My Freedom:

My Bondage and My Freedom (Volume 2 of 2) (EasyRead Super Large 20pt Edition) Frederick Douglass, 2020 The abolitionist author presents profound insight on the meaning of race and freedom in America in this memoir of slavery escape and reinvention One of the most important figures in the American civil rights movement Frederick Douglass was a major influence on social and political thought in the nineteenth century His autobiographical writings were a powerful vehicle for his philosophy of human equality Written ten years after his legal emancipation in 1846 *My Bondage and My Freedom* recounts Douglass's journey intellectual spiritual and geographical from life as a slave under various masters and his many plots and attempts at escape to his liberation time as a fugitive and new life as a prominent abolitionist Expanding on his earlier work *Narrative of the Life of Frederick Douglass* this later memoir illuminates Douglass's maturation as a writer and thinker

My Bondage and My Freedom Frederick Douglass, 2015-11-17 If the volume now presented to the public were a mere work of ART the history of its misfortune might be written in two very simple words TOO LATE The nature and character of slavery have been subjects of an almost endless variety of artistic representation and after the brilliant achievements in that field and while those achievements are yet fresh in the memory of the million he who would add another to the legion must possess the charm of transcendent excellence or apologize for something worse than rashness The reader is therefore assured with all due promptitude that his attention is not invited to a work of ART but to a work of FACTS Facts terrible and almost incredible it may be yet FACTS nevertheless I am authorized to say that there is not a fictitious name nor place in the whole volume but that names and places are literally given and that every transaction therein described actually transpired Perhaps the best Preface to this volume is furnished in the following letter of Mr Douglass written in answer to my urgent solicitation for such a work ROCHESTER N Y July 2 1855 DEAR FRIEND I have long entertained as you very well know a somewhat positive repugnance to writing or speaking anything for the public which could with any degree of plausibility make me liable to the imputation of seeking personal notoriety for its own sake Entertaining that feeling very sincerely and permitting its control perhaps quite unreasonably I have often refused to narrate my personal experience in public anti slavery meetings and in sympathizing circles when urged to do so by friends with whose views and wishes ordinarily it were a pleasure to comply In my letters and speeches I have generally aimed to discuss the question of Slavery in the light of fundamental principles and upon facts notorious and open to all making I trust no more of the fact of my own former enslavement than circumstances seemed absolutely to require I have never placed my opposition to slavery on a basis so narrow as my own enslavement but rather upon the indestructible and unchangeable laws of human nature every one of which is perpetually and flagrantly violated by the slave system I have also felt that it was best for those having histories worth the writing or supposed to be so to commit such work to hands other than their own To write of one's self in such a manner as not to incur the imputation of weakness vanity and egotism is a work within the ability of but few and I have little

reason to believe that I belong to that fortunate few These considerations caused me to hesitate when first you kindly urged me to prepare for publication a full account of my life as a slave and my life as a freeman Nevertheless I see with you many reasons for regarding my autobiography as exceptional in its character and as being in some sense naturally beyond the reach of those reproaches which honorable and sensitive minds dislike to incur It is not to illustrate any heroic achievements of a man but to vindicate a just and beneficent principle in its application to the whole human family by letting in the light of truth upon a system esteemed by some as a blessing and by others as a curse and a crime I agree with you that this system is now at the bar of public opinion not only of this country but of the whole civilized world for judgment Its friends have made for it the usual plea not guilty the case must therefore proceed Any facts either from slaves slaveholders or by standers calculated to enlighten the public mind by revealing the true nature character and tendency of the slave system are in order and can scarcely be innocently withheld I see too that there are special reasons why I should write my own biography in preference to employing another to do it Not only is slavery on trial but unfortunately the enslaved people are also on trial It is alleged that they are naturally inferior that they are so low in the scale of humanity and so utterly stupid that they are unconscious of their wrongs and do not apprehend their rights Looking then at your request from this stand point and wishing everything of which you think me capable to go to the benefit of my afflicted people I part with my doubts and hesitation and proceed to furnish you the desired manuscript hoping that you may be able to make such arrangements for its publication as shall be best adapted to accomplish that good which you so enthusiastically anticipate

My Bondage and My Freedom Frederick Douglass, 2008-08-15 Published in 1855 My Bondage and My Freedom is the second autobiography by Frederick Douglass Douglass reflects on the various aspects of his life first as a slave and then as a freeman He depicts the path his early life took his memories of being owned and how he managed to achieve his freedom This is an inspirational account of a man who struggled for respect and position in life

My Bondage and My Freedom Frederick Douglass, 2021-04-11 My Bondage and My Freedom is an autobiographical slave narrative written by Frederick Douglass and published in 1855

Slavery, Philosophy, and American Literature, 1830-1860 Maurice S. Lee, 2005-06-17 Lee demonstrates how Melville Emerson and others tried to find rational solutions to the slavery conflict

My Bondage and My Freedom, 2020-02-11

My Bondage and My Freedom Illustrated Frederick Douglass, 2021 My Bondage and My Freedom is an autobiographical slave narrative written by Frederick Douglass and published in 1855 It is the second of three autobiographies written by Douglass and is mainly an expansion of his first discussing in greater detail his transition from bondage to liberty

My Bondage and My Freedom Frederick Douglass, 2020-04-10 If the volume now presented to the public were a mere work of ART the history of its misfortune might be written in two very simple words TOO LATE The nature and character of slavery have been subjects of an almost endless variety of artistic representation and after the brilliant achievements in that field and while those achievements are yet fresh in the memory of the million he who would

add another to the legion must possess the charm of transcendent excellence or apologize for something worse than rashness The reader is therefore assured with all due promptitude that his attention is not invited to a work of ART but to a work of FACTS Facts terrible and almost incredible it may be yet FACTS nevertheless I am authorized to say that there is not a fictitious name nor place in the whole volume but that names and places are literally given and that every transaction therein described actually transpired Perhaps the best Preface to this volume is furnished in the following letter of Mr Douglass written in answer to my urgent solicitation for such a work ROCHESTER N Y July 2 1855

My Bondage and My Freedom / Life As a Freeman Frederick Douglass, 2016-07-29 My Bondage and My Freedom by Frederick Douglass In the history of his life in bondage we find well developed that inherent and continuous energy of character which will ever render him distinguished What his hand found to do he did with his might even while conscious that he was wronged out of his daily earnings he worked and worked hard At his daily labor he went with a will with keen well set eye brawny chest lithe figure and fair sweep of arm he would have been king among calkers had that been his mission It must not be overlooked in this glance at his education that Mr Douglass lacked one aid to which so many men of mark have been deeply indebted he had neither a mother's care nor a mother's culture save that which slavery grudgingly meted out to him Bitter nurse may not even her features relax with human feeling when she gazes at such offspring How susceptible he was to the kindly influences of mother culture may be gathered from his own words It has been a life long standing grief to me that I know so little of my mother and that I was so early separated from her The counsels of her love must have been beneficial to me The side view of her face is imaged on my memory and I take few steps in life without feeling her presence but the image is mute and I have no striking words of hers treasured up

My Bondage and My Freedom Frederick Douglass, 2018-05-02 My Bondage and My Freedom is an autobiographical slave narrative written by Frederick Douglass and published in 1855 It is the second of three autobiographies written by Douglass and is mainly an expansion of his first Narrative of the Life of Frederick Douglass discussing in greater detail his transition from bondage to liberty Following this liberation Douglass a former slave went on to become a prominent abolitionist speaker author and publisher In his foreword to the 2003 Modern Library paperback edition John Stauffer writes My Bondage and My Freedom is a deep meditation on the meaning of slavery race and freedom and on the power of faith and literacy as well as a portrait of an individual and a nation a few years before the Civil War As his narrative unfolds Frederick Douglass abolitionist journalist orator and one of the most powerful voices to emerge from the American civil rights movement transforms himself from slave to fugitive to reformer leaving behind a legacy of social intellectual and political thought The 1855 text includes Douglass's original Appendix composed of excerpts from the author's speeches as well as a letter he wrote to his former master We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir

of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
