My Body Is A Temple Yoga As A Path To Wholeness:

My Body Is A Temple Christina Sell, 2011-12-13 With the freshness of a memoir author and yoga teacher Christina Sell draws upon her first visit to an extraordinary temple in southern India to present basic principles of yoga Beyond the ordinary aims of yoga as a means of stretching and strengthening or even for being happier or more centered My Body is a Temple is an instruction manual for dedicating oneself to a life of the spirit in and through the vehicle of the human body The body as a temple is a common metaphor within many spiritual traditions In this book Christina Sell delves into the how and why of this widely accepted comparison My Body Is a Temple will encourage readers to listen to and honor the body and to enter more fully into their everyday lives to see that each activity contains a Divine blueprint for success It will help any yoga student to reclaim the raw materials and energy always already present to build his or her body as a temple to provide refuge and sanctuary for themselves and inspiration for others While the author's tradition is that of Anusara Yoga a strongly heart centered approach the book is written for any hatha yoga aspirant or practitioner Her commitment is to traditional yogic practices and ideals without being rigid My Body Is a Temple is a vital and realistic treatment about the process of human change and transformation Beyond Fitness Yoga is a Means of Self Honoring and Spiritual Transformation This book will be well used by both students and teachers of yoga It should be included in all yoga and fitness centers and in popular library collections

A Deeper Yoga Christina Sell, 2019-06-01 Christina Sell knows the difference between a surface buzz in the yoga business for a better more beautiful ME and its roots as an ancient practice of ethical life and spiritual transformation With over twenty five years on the mat her voice of courage and sanity has never stopped urging yoga students and teachers alike to take a deeper dive to confront media hype about body image and the promise of any quick fix in favor of a lifelong commitment to wholeness and freedom This book is both an epitome of that call and a practical guide to ongoing self discovery As the author of two previous books Yoga From the Inside Out 2003 and My Body Is a Temple 2013 Christina Sell holds an international reputation as a gifted and compassionate teacher and trainer of yoga As a former gymnast who dealt with eating disorders and addictions in her early years Christina knows how to redirect thoughts and habits of negative body image toward spiritual practice and inner awakening A Deeper Yoga is for any practitioner or teacher who wants tools and support in finding a loving expanded relationship with his or her body mind emotions and spirit Her book is for anyone on the path of yoga Newer yoga students will benefit from the compassionate explanations of the inner journey and find direction in building a stronger foundation of practice Experienced yoga practitioners will find a refreshing and honest exploration of both the hype and the heart of the work Teachers of all traditions will benefit from the ongoing reminder that yoga is not only for the body but for transformation of consciousness and spiritual unfolding This is a book for the long haul A Deeper Yoga is uniquely aimed at practitioners who initially found help from yoga but who are now experiencing impatience discouragement or even disillusionment It leads the reader to yoga's more esoteric teachings using language without jargon or unnecessary

details The tone is compassionate yet strong and authoritative inviting us to empower our own deeper knowing yet without watering down the traditional teachings Topics of body image self hatred eating disorders addiction and emotional imbalance are considered throughout Christina skillfully dismantles the illusions and early conditionings that lead to unrealistic norms of perfection and empower a media driven standard of beauty A Deeper Yoga offers an alternative view of genuine beauty

Finding More on the Mat Michelle Marchildon, 2015-05-11 Practicing yoga is an invitation to live up to our potential as human beings So our mat becomes a catalyst for transformation When we assume a yoga pose it is not necessarily the shape of the body that counts Rather it is a chance to create an offering of the highest intention in our hearts Practicing becomes our path as we grow not just older but better wiser and stronger We become so much more both for ourselves and for those we love every time we surrender to something greater like Grace Grace is in many ways reflective of the attitude we bring to the mat It is the difference between a yoga practice that leaves you radically transformed and an exercise class It's the difference between feeling full of hope and potential or feeling like a schmuck Our attitude creates the distinction between growing better wiser and stronger on the mat or afraid that we're going to die every time we bend over In the beginning the author explains I did not know that I needed Grace After all I had gone through the better part of my life without anything nearly looking like Grace You should see me dance or sing Oh my God A goose suffering an epileptic attack would describe my attempts at being graceful I would never be mistaken for a soul sister Then one day on my mat struggling for the millionth time to touch my toes I gave up I said To hell with it And that's when it happened The tension in my body released and I lowered down another six inches toward the floor I got so excited I almost pulled a hamstring All the years I had been practicing yoga I thought what I needed to touch my toes and to get better in general was more effort But in fact I needed more Grace Living with ease is Grace Living with forgiveness and acceptance is Grace Taking the good with the bad is Grace Saying yes first rather than no is Grace Trying new experiences with a light heart is Grace Knowing that we are filled with forgiveness just because we were born is Grace You will need equal parts of redemption and emancipation to find transformation which is not easy Today the author explains I am stronger and more vibrant than ever before I hauled my tired old ass out of a steep depression to live a better life I hope to make the second half of my life my best achievement yet The journey begins with Grace **Bodies Arising**, Practice And All Is Coming Matthew Remski, 2019-02-25 How do we co create safer yoga and spiritual communities Through dogged investigative work careful listening to survivor stories of assault and abuse and close analysis of the cultic mechanisms at play in the sphere of Pattabhi Jois's Ashtanga community Matthew Remski's *Practice and All Is Coming* offers a sober view into a collective and intergenerational trauma It also offers a clear pathway forward into enhanced critical thinking student empowerment self and other care and community resilience Concluding with practical tools for a world rocked by abuse revelations *Practice and All Is Coming* opens a window on the

possibility of healing and even re enchantment While Mathew Remski is the courageous insightful and compassionate author of this informative challenging and thought provoking book this book is clearly a group effort Equal parts theory training manual expose and memoir Practice and All is Coming is a foray into the difficult topics of personal agency spirituality authority and cult dynamics In addition to his clearly articulated understanding of the problems inherent in many spiritual schools Mathew provides hope for healing the confusion and anguish that arise in the heart of sincere practitioners when they are betrayed by the revered powers in which they have placed their trust If you practice or teach yoga please consider this book an essential companion on your path Christina Sell author of Yoga From the Inside Out My Body is a Temple and A Deeper Yoga Yoga Wisdom Stephanie Spence,2018-10-02 Essential and uplifting advice that will help you get from where you are to who you hope to become Often referred to as The Traveling Yogini beloved yoga teacher Stephanie Spence explores what it means to become our truest selves Weaving her experience as a writer mother and PTSD survivor Spence affirms that not only is the soul s messy and unpredictable journey inevitable it is essential to our quest to live a life we thrive in Yoga heals not just the body but the heart and soul Whether you ve only dabbled with the idea of trying yoga or have practiced for a long time yoga is about you Physically it increases endurance strength and flexibility Mentally it reduces stress and helps you find stillness in a chaotic world Spiritually it helps you evolve to your highest potential and live in a space of gratitude and peace no matter what s happening around you Here Spence has gathered the wisdom of eighty five acclaimed yogis to enable readers to live their life to the fullest Real and raw wisdom from global leaders in the yoga community from classic yoga superstars to today s rock your daily asana hipsters will motivate you to live a life beyond your wildest dreams Filled with universal insights intimate comforting stories and spiritually practical tips Yoga Wisdom is here to help keep you on the road to truth authenticity and balance in all aspects of your life Women Challenge The Lie Regina Sara Ryan,Shinay Tredeau,2017-02-02 This book invites women of all ages into a conversation that challenges the pervasive lie of never good enough This common subtext of modern life undermines a woman s appreciation of her own inherent beauty and goodness The authors recommend 8 Radical Moves that women can make alone or ideally in the good company of other women to take on this challenge to deepen this conversation The Moves are radical because they aim directly at the center of a woman s being the inner space of her true nature her basic goodness rather than because they require any extreme actions Nonetheless the conviction that never good enough is a lie requires more than lip service The authors guide readers in identifying the courage strength and love they already possess but habitually deny to embrace and live by this conviction of self respect day to day in mind body and heart They further encourage women to make this stand with and in the presence of other women to increase everybody s likelihood for success Regina Sara Ryan author of numerous books in wellness women s studies and spirituality Wellness Workbook Woman Awake Igniting the Inner Life is an elder in her seventies Shinay Tredeau a yoga teacher lifestyle coach dancer and emerging writer is a millennial in her twenties Together they bring to this warm
