Penis Papers Play Joshua James:

The Penis Papers Joshua James, 2015-11-26 An up close comic examination of what it means to grow up with penis The first time you touch it The first time someone else touches it The first time it touches you Everything one really needs to know in order to own and operate a penis The Penis Papers A play by Joshua James *Misplaced: Growing Up Twisted In A Straight World* Misplaced Master, 2012-08-11 This book is about a lot more than just a bunch of kids playing doctor It may be the most sexually explicit and offensive to some book you have ever read If that is the case I apologize and assure you that my intent was not to write that kind of a narrative or to offend anyone I simply wanted to chronicle some things that have happened in my life which I believe have happened in the lives of others I want this book to be a learning experience for the reader a clarification of sexual experimentation among young people *Josh and Hazel's Guide to Not Dating* Christina Lauren, 2018-09-04 A hilarious warmhearted and swoonworthy romance about two people who are definitely not dating no matter how often they end up in bed together from the New York Times bestselling authors of *The Unhoneymooners* and *Love and Other Words* Hazel Camille Bradford knows she s a lot to take and frankly most men aren t up to the challenge If her army of pets and thrill for the absurd don t send them running her lack of filter means she ll say exactly the wrong thing in a delicate moment Their loss She s a good soul in search of honest fun Josh Im has known Hazel since college where her zany playfulness proved completely incompatible with his mellow restraint From the first night they met when she gracelessly threw up on his shoes to when she sent him an unintelligible email while in a post surgical haze Josh has always thought of Hazel more as a spectacle than a peer But now ten years later after a cheating girlfriend has turned his life upside down going out with Hazel is a breath of fresh air Not that Josh and Hazel date At least not each other Because setting each other up on progressively terrible double blind dates means there s nothing between them right *Josh Gibson* William Brashler, 2023-11-22 During the first half of the twentieth century Josh Gibson was a legendary figure among black baseball players who were barred from playing in the major leagues Perhaps baseball s greatest hitter Gibson was known as the black Babe Ruth In this illuminating biography William Brashler introduces an authentic American sports hero and recaptures the mood and style the excitement and poignance of a world of black baseball that has vanished from the American scene He traces Gibson s career from the sandlots and semi pro teams of Pittsburgh through his debut with the Homestead Grays in 1930 and on to his untimely death in 1947 at age thirty five the winter after Jackie Robinson broke through the minor leagues color barrier With 12 pages of black and white photographs Brashler has put together a balanced account that while deflating some of the apocryphal tales of Gibson s exploits brings him into clear focus as one of the outstanding baseball players of his era He emerges here as a stoic figure totally dedicated to baseball New York Times Book Review Brashler helps to cut through the legend of a moonfaced laughing giant and give us a sense of Josh s life in and out of baseball New York Review of Books **A News Story** Allan Jefferys, 2003-04-29 A News Story tells of the time when TV news switched from

being a money losing public service to a highly successful money machine Mitch Bellows and Anthony Hadde are news directors who provide a contrast in approach Bellows is dedicated to truth and integrity Hadde is motivated by power and greed Ambition also drives some anchormen to achieve their goals often at the expense of their core values Others hold fast to high standards It is impossible to tell which ones have integrity by watching them on the screen Only by examining their off camera behavior can the truth be uncovered A News Story offers a revealing look behind the microphones and cameras of a TV news operation The author has drawn on his own experiences while working in that industry but it is not a roman clef even if some of the characters seem to be recognizable A News Story is a fast moving page turner that pulls no punches as it delves into the lives of its characters **The Washington Post Index** ,2008 American Plays and Musicals on Screen Thomas S. Hischak,2014-04-24 As the popularity of film grew and audiences demanded longer stories Hollywood began borrowing plots as well as actors and directors from Broadway some of these play to films were triumphs and others were inexplicable duds This reference work is an annotated guide to American stage productions remade for film and television with works ranging from late 19th century American plays and musicals through silent and sound films to made for video productions by PBS A it describes what changes occurred between the formats determines the strengths and weaknesses of each judges the success of the transition and describes how the end product was received A bibliography and name and title indexes complete this cross referenced work *Something Wonderful* Todd S. Purdum,2018-04-03 A revelatory portrait of the creative partnership that transformed musical theater and provided the soundtrack to the American Century They stand at the apex of the great age of songwriting the creators of the classic Broadway musicals Oklahoma Carousel South Pacific The King and I and The Sound of Music whose songs have never lost their popularity or emotional power Even before they joined forces Richard Rodgers and Oscar Hammerstein II had written dozens of Broadway shows but together they pioneered a new art form the serious musical play Their songs and dance numbers served to advance the drama and reveal character a sharp break from the past and the template on which all future musicals would be built Though different in personality and often emotionally distant from each other Rodgers and Hammerstein presented an unbroken front to the world and forged much more than a songwriting team their partnership was also one of the most profitable and powerful entertainment businesses of their era They were cultural powerhouses whose work came to define postwar America on stage screen television and radio But they also had their failures and flops and more than once they feared they had lost their touch Todd S Purdum s portrait of these two men their creative process and their groundbreaking innovations will captivate lovers of musical theater lovers of the classic American songbook and young lovers wherever they are He shows that what Rodgers and Hammerstein wrought was truly something wonderful Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries,1979 **Willing's Press Guide** ,1946 Coverage of publications outside the UK and in non English languages expands steadily until in 1991 it occupies enough of the Guide to
