Pull: Making Your Church Magnetic (Updated and Revised) Bob Franquiz, 2023-01-10 Pull Bob Franquiz, 2013-09-15
Every church wants to be magnetic in its community but many churches don't have a plan to accomplish this goal Bob Franquiz started Calvary Fellowship in Miami with seven people A few years into it Bob realized the church was growing but not reaching the lost No salvations had been recorded in two years Something had to change Now Calvary Fellowship sees thousands of first time commitments and even more recommitments every year Bob shares with church leaders the strategies that produced these astounding results effective evangelism congregational training explosive outreach and more Bob challenges pastors to grab hold of the strategies their churches need and put them into radical action *Making Faith Magnetic* Daniel Strange, 2021-10-01 How to talk about Jesus in a way that connects with modern culture As followers of Jesus we know that the good news is deeply attractive But we often fear that to those on the outside it comes across as irrelevant or even repellent Sometimes the Christian worldview feels so out of step with everything else going on that we don't know how to share our faith However author Daniel Strange wants to show you that the connections are there in fact the longings that our culture cannot help but express are the very ones that Jesus fulfills Building on the work of theologian J H Bavinck Dan reveals five recurring themes that our culture can't stop talking about or as he puts it the five permanent itches that in our work rest and play we have to vigorously scratch From TV to books to social media these are the questions we can't stop asking and the tensions we can't stop wrestling with and Jesus speaks powerfully into each one This book will help you to spot these connections in our culture excite you about how Jesus makes sense of humankind's deepest questions and longings apply them to your own life first and then equip you to speak of him to others in a way that is truly magnetic Dan Strange has written another terrific down to earth book to help believers engage in fruitful conversations with friends about faith Dr Timothy Keller who has also written the foreword to this book The People-magnet Church Darren Walter, 2001
