

SHORT ANSWER STUDY GUIDE QUESTIONS – Pygmalion

Act One

1. What purpose does the rain shower serve? **It brings together different social classes under the shelter from the storm. Otherwise, Eliza and Higgins would never have met.**
2. The note taker is assumed to be of what profession? What actually is his profession? **He is assumed to be a detective because he is taking notes. He is actually a professor of languages.**
3. What does the note taker say about a "woman who utters such depressing and disgusting sounds"? **She has no right to be anywhere, not even a right to live.**
4. The note taker brags about what he could do for the flower girl within three months. What does he claim? **He could pass her off as a duchess at the Embassy Ball.**
5. Who takes the cab Freddy brings? Why? **Eliza does. Higgins has given her money, and she feels rich.**
6. What do Higgins and Pickering have in common? **They are both acutely interested in languages.**

Act Two

1. When Higgins recognizes the flower girl, what is his reaction? **Go away—he's already recorded enough of her particular dialect.**
2. What does Eliza Doolittle want? **She wants to speak English well enough to work in a flower shop.**
3. Even after he agrees to teach her, what is Higgins' attitude towards Eliza? **He is a bully with no respect for her or her feelings.**
4. Describe Mrs. Pearce's role. **Mrs. Pearce serves as a mother figure for Eliza. She also tries (unsuccessfully) to serve as Higgins' conscience, trying to make him recognize that changing someone's life creates responsibility.**
5. Eliza determines to leave rather than to be further insulted. How does Higgins persuade her to stay? **Chocolates.**
6. What is the point of the bath scene? **Poor people didn't necessarily have access to "luxuries" like baths. She has never seen herself without clothes.**
7. Mrs. Pearce makes some suggestions to Higgins. What are they? **He should quit swearing; in particular, he should quit saying "bloody." He also needs to be dressed when he comes to breakfast and not leave things lying about.**

Pygmalion Short Answer Guide Questions:

Difficult Questions Have Easy Answers Atina Hseham, 2023-12-06 An inquiry made to obtain any information is known as an interrogation While asking the person tries to get an answer that allows him to satisfy his doubts The interviewers often ask simple questions in a very twisted fashion to confuse the candidates Difficult questions answers reflect the knowledge of the giver as well as his overall personality For example Which is heavier a kilogram of feathers or 1000 grams of lead Solution Both the weights are equal And What happened in Kolkata yesterday from 8 to 9 o clock Solution An hour had passed These questions have a trick because they are framed in such a way that the answers seem simple but in reality they are not It can be said that the questioners confuse the candidates as they hide their answers using rhetorical resources and various devices In some cases the answer is found in the question itself but in secret Tricky questions are also used for fun or as a mental activity of logical practice Like a truck driver passing down a street in the wrong direction some policemen saw him but they didn't say anything to him why Solution Because the truck driver was on foot He shaves all day but still has a beard who is he Solution Barber Some months have thirty days and others thirty one but how many months have twenty eight Solution Every month has at least twenty eight days Which object becomes wet When it dries Solution Towel How do you draw a square with three lines Solution draw the square first and then draw three lines inside the square Thus an answer to a tricky question can lead to confusion due to the confusion generated question These types of questions are very specific to the areas in which people's knowledge or behavior is evaluated Generally such difficult questions can be perceived as misleading or incorrect because something is being implied that is not in reality However they can also be seen as methods whose precise purpose is to test the candidate and determine whether he or she is fully capable of answering the question that he or she is saying I know In this way about five thousand questions and answers have been given in the present book which is equally useful for all competitive examinations *English Panorama 2 Teacher's Book* Felicity O'Dell, 1998-06-25 English Panorama is an advanced English course for adults Each unit of the course introduces a different genre of written or spoken English **Madhubun's Grammar for Learners** 8 Anuradha Murthi, Madhubun's Grammar for Learners is a series of eight books for students of Classes 1 to 8 It aims at helping learners grasp grammatical concepts with ease through its learner friendly approach It offers sufficient practice in grammar comprehension and composition The ebook version does not contain CD **Grammar Magic** 8 Anuradha Murthi, Grammar Magic is a series of eight books for students of Classes 1 to 8 It aims at helping learners grasp grammatical concepts with ease through its learner friendly approach It offers sufficient practice in grammar comprehension and composition The ebook version does not contain CD *General English For All Government & Competitive Exams Guide Book with Concept & Tricks- 16 Topic-wise Solved Test (1200 Solved Questions) Tests Useful for SSC, Banking, Railways* EduGorilla Prep Experts, Best Selling Book of General English with objective type questions as per the latest syllabus Compare your performance with other students using Smart Answer
