Judge, Jury and Executioner Alicia M. Goodman,,Matthew J. McEniry,,Ryan Cassidy,2021-09-10 Since the Punisher s first appearance in the pages of Spider Man 129 the character has become one of the most popular and controversial figures in Marvel s vast universe The Punisher represents one of the most recognizable types of anti heroes His iconic skull insignia stands for a unique type of justice protecting the innocent while violently eliminating everyone he sees as a villain This collection examines the Punisher from philosophical perspectives about morality and justice Essays critique the character through the lenses of gender and feminism consider the Punisher s veteran status in relation the Vietnam Afghanistan and Iraq wars and examine how politics and gun violence connect the Punisher s world with the real world Many iterations of the Punisher are examined within including the Netflix release of Marvel s The Punisher comics series such as Punisher MAX Marvel Knights and Cosmic Ghost Rider and several fan fiction stories *The Punisher* Patricia Bernard,2014-11-08 To save the girl he loves Fish must walk into the Mighty Arena a place where heroes die screaming Branch lies bruised Weed is chained as collateral and thirty prisoners lives hang on Fish s first bout Worse the finger eating High Priestess called the Punisher has wagered her empire that the Rule Changer will fall while the glass eating Oriacan armies march ever closer to Megalopolis With traitors in the stands and prophecy on his shoulders Fish has one chance to turn an enemy coliseum into the spark of revolution Win the arena and free thirty souls Lose and a prophecy drowns in blood **The Romita Legacy** ,2011-01-31 John Romita Sr is as synonymous with Marvel as is Stan Lee Stan was the definitive writer and visionary of the Marvel Universe but Jazzy John was the ultimate catcher to all of Stan s pitches Arguably the most important contributor to Marvel canon with Jack Kirby and arguably the definitive Spider Man artist John Romita has left his mark creating defining and or designing some of Marvel s most well marvelous characters From being in our humble opinion the definitive Spider Man artist to helping design many of Marvel s major characters from Wolverine and the Punisher to Spider Woman The Kingpin and so many more And though it was Stan Lee and Steve Ditko who co created Spider Man and Peter Parker and helped us love the boy with the problems we all grew up with it was Jazzy John who allowed Peter to grow up and have the same problems many had growing up and glamorized Peter Parker and rounded out his stable of characters from Gwen Stacy and Harry Osborne and who also gave us the unbelievable entrance by Mary Jane Watson showing us just how Peter had hit the jackpot And John Romita Jr has also created a rich body of work that few can follow in his footsteps Having outgrown the shadow of his father early in his career John Romita Jr has shown the world why he is Mr Marvel From his early days working with Bob Layton on the Iron Man issues featuring the controversial issues of

Tony Stark's alcoholism to his jump to stardom in the early 90s on the Uncanny X-Men almost a decade after his first stint on the Uncanny X-Men with Chris Claremont to his unbelievable work on Daredevil Man Without Fear with Frank Miller and Al Williamson John proved that he was one of only a few artists who can shine working with a master such as Frank Miller Moving in to the new millennium John's work on Thor was nothing short of amazing as well as working on Daredevil with Ann Nocenti and Al Williamson But nothing has been more tailor made for John Jr's art than Marvel's flagship title Spider-Man His return on Peter Parker Spider-Man proved that he was Marvel's best choice for a Spider-Man artist and when Joe Michael Straczynski took hold of Marvel's flagship title it was John Jr's art that made the great stories shine as well as they did One thing that's kept John's art fresh is his ability to move from character to character It definitely is bitter sweet to see John leave Spider-Man and run around the Marvel Universe on characters such as The Eternals with Neil Gaiman proving that once again John Jr is the artists' artist who can tackle such great projects and even on his run on the World War Hulk yes Hulk does indeed Smash one is mesmerized by his incredible artwork What's amazing is that as of this writing John Romita Jr will be returning to Amazing Spider-Man 568 and this fan Nick Barrucci President of Dynamic Forces feels the excitement and energy to his return These are the things that we live for in comics it's rare to know when a series is going to be great because a great artist is working on it We are fortunate to be on the ground floor again but the anticipation is something that will only be quenched with the first read of a series that will be great The Romitas are one of the few royal families in comics If you haven't had a chance to fully appreciate their work here's your chance it's a fun ride I hope you enjoy it as much as we have in putting this book together With an introduction by Alex Ross and an afterword by Stan The Man Lee this hard cover book is perfect for every Spider-Man fan young and old

fan young and old No Way Out Mitch Weiss, Kevin Maurer, 2012-03-06 In a remote enemy held valley in Afghanistan a Special Forces team planned to scale a steep mountain to surprise and capture a terrorist leader But before they found the target the target found them The team was caught in a deadly ambush that not only threatened their lives but the entire mission The elite soldiers fought huddled for hours on a small rock ledge as rocket propelled grenades and heavy machine gun fire rained down on them With total disregard for their own safety they tended to their wounded and kept fighting to stay alive When the battle finally ended ten soldiers had earned Silver Stars the Army's third highest award for combat valor It was the most Silver Stars awarded to any unit in one battle since Vietnam Based on dozens of interviews with those who were there No Way Out is a compelling narrative of an epic battle that not only tested the soldiers' mettle but serves as a cautionary tale Be careful what you ask a soldier to do because they will die trying to accomplish their mission
