Orenstein, John Bell**

Puppets Of Nostalgia The Life Death And:

Puppets of Nostalgia Jane Marie Law, 2015-03-08 *Puppets of Nostalgia* is the first major work in any Western language to examine the ritual origins and religious dimensions of puppetry in Japan. In a lucid and engaging style accessible to the general reader, Jane Marie Law describes the life, death, and rebirth of *awaji ningyo shibai*, the unique form of puppet theater of Awaji Island that has existed since the sixteenth century. Puppetry rites on Awaji helped to maintain rigid ritual purity codes and to keep dangerous spiritual forces properly channeled and appeased. Law conducted fieldwork on Awaji, located in Japan's Inland Sea, over a ten-year period. In addition to being a detailed history and ethnography of this ritual tradition, Law's work is at a theoretical level a study of the process and meaning of tradition formation, reformation, invention, and revitalization. It will interest scholars in a number of fields, including the history of religions, anthropology, cultural studies, ritual and theater studies, Japanese studies, and social history. Focusing on the puppetry tradition of Awaji Island, *Puppets of Nostalgia* describes the activities of the island's ritual puppeteers and includes the first English translation of their performance texts and detailed descriptions of their rites. Because the author has lived on Awaji during extended periods of research, the work includes fine attention to local detail and nuanced readings of religious currents in Japan that affect popular religious expression. Illustrated throughout with rare photographs, the book provides an in-depth view of a four-hundred-year-old tradition never so thoroughly revealed to Western readers. Originally published in 1997, *The Princeton Legacy Library* uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Fertility and Pleasure William R. Lindsey, 2006-11-30 As their ubiquitous presence in Tokugawa artwork and literature suggests, images of bourgeois wives and courtesans took on iconic status as representations of two opposing sets of female values. Their differences, both real and idealized, indicate the full range of female roles and sexual values affirmed by Tokugawa society, with Buddhist celibacy on the one end and the relatively free sexual associations of the urban and rural lower classes on the other. The roles of courtesan and bourgeois housewife were each tied to a set of value-based behaviors, the primary institution to which a woman belonged, and rituals that sought to model a woman's comportment in her interactions with men and figures of authority. For housewives, it was fertility values promulgated by lifestyle guides and moral texts which embraced the ideals of female obedience, loyalty to the husband's household, and sexual activity aimed at producing an heir. Pleasure values, by contrast, flourished in the prostitution quarters and embraced playful relations and nonreproductive sexual activity designed to increase the bordello's bottom line. What William Lindsey reveals in this well-researched study is that although the values that idealized the role of wife and courtesan were highly disparate, the rituals

symbols and popular practices both engaged in exhibited a degree of similitude and parallelism Fertility and Pleasure examines the rituals available to young women in the household and pleasure quarters that could be employed to affirm transcend or resist these sets of sexual values In doing so it affords new views of Tokugawa society and Japanese religion Highly original in its theoretical approach and its juxtaposition of texts Fertility and Pleasure constitutes an important addition to the fields of Japanese religion and history and the study of gender and sexuality in other societies and cultures

The Routledge Companion to Puppetry and Material Performance Dassia N. Posner, Claudia Orenstein, John Bell, 2014-07-17 The Routledge Companion to Puppetry and Material Performance offers a wide ranging perspective on how scholars and artists are currently re evaluating the theoretical historical and theatrical significance of performance that embraces the agency of inanimate objects This book proposes a collaborative responsive model for broader artistic engagement in and with the material world Its 28 chapters aim to advance the study of the puppet not only as a theatrical object but also as a vibrant artistic and scholarly discipline This Companion looks at puppetry and material performance from six perspectives theoretical approaches to the puppet perspectives from practitioners revisiting history negotiating tradition material performances in contemporary theatre and hybrid forms Its wide range of topics which span 15 countries over five continents encompasses visual dramaturgy theatrical juxtapositions of robots and humans contemporary transformations of Indonesian wayang kulit Japanese ritual body substitutes recent European productions featuring toys clay and food The book features newly commissioned essays by leading scholars such as Matthew Isaac Cohen Kathy Foley Jane Marie Law Eleanor Margolies Cody Poulton and Jane Taylor It also celebrates the vital link between puppetry as a discipline and as a creative practice with chapters by active practitioners including Handspring Puppet Company s Basil Jones Redmoon s Jim Lasko and Bread and Puppet s Peter Schumann Fully illustrated with more than 60 images this volume comprises the most expansive English language collection of international puppetry scholarship to date

Modern Japan, Student Economy Edition Mikiso Hane, 2018-04-27 This book presents the essential facts of modern Japanese history It covers a variety of important developments through the 1990s giving special consideration to how traditional Japanese modes of thought and behavior have affected the recent developments

The Weak Body of a Useless Woman Anne Walthall, 1998-11-15 In 1862 fifty one year old Matsuo Taseko left her old life behind by traveling to Kyoto the old imperial capital Peasant poet and local political activist Taseko had come to Kyoto to support the nativist campaign to restore the Japanese emperor and expel Western barbarians Although she played a minor role in the events that led to the Meiji Restoration of 1868 her actions were nonetheless astonishing for a woman of her day Honored as a hero even before her death Taseko has since been adopted as a patron saint by rightist nationalists In telling Taseko s story Anne Walthall gives us not just the first full biography in English of a peasant woman of the Tokugawa period 1603 1868 but also fresh perspectives on the practices and intellectual concerns of rural entrepreneurs and their role in the Meiji Restoration Writing about Taseko with a depth and complexity that has thus

far been accorded only to men of that time Walthall has uncovered a tale that will captivate anyone concerned with women's lives and with Japan's dramatic transition to modernity **Imagining the Fetus** Vanessa R Sasson, Jane Marie Law, 2009-03-26 In contemporary Western culture the word fetus introduces either a political subject or a literal medicalized entity Neither of these frameworks does justice to the vast array of religious literature and oral traditions from cultures around the world in which the fetus emerges as a powerful symbol or metaphor This volume presents essays that explore the depiction of the fetus in the world's major religious traditions finding some striking commonalities as well as intriguing differences Among the themes that emerge is the tendency to conceive of the fetus as somehow independent of the mother's body as in the case of the Buddha who is described as inhabiting a palace while gestating in the womb On the other hand the fetus can also symbolically represent profound human needs and emotions such as the universal experience of vulnerability The authors note how the advent of the fetal sonogram has transformed how people everywhere imagine the unborn today giving rise to a narrow range of decidedly literal questions about personhood gender and disability An Introduction to Japanese Folk Performing Arts Terence A. Lancashire, 2016-04-15 Japanese folk performing arts incorporate a body of entertainments that range from the ritual to the secular They may be the ritual dances at Shinto shrines performed to summon and entertain deities group dances to drive away disease bearing spirits or theatrical mime to portray the tenets of Buddhist teachings These ritual entertainments can have histories of a thousand years or more and with such histories some have served as the inspiration for the urban entertainments of no kabuki and bunraku puppetry The flow of that inspiration however has not always been one way Elements taken from these urban forms could also be used to enhance the appeal of ritual dance and drama And in time these urban entertainments too came to be performed in rural or regional settings and today are similarly considered folk performing arts Professor Terence Lancashire provides a valuable introductory guide to the major performance types as understood by Japanese scholars *Imagination without Borders* Laura Hein, Rebecca Jennison, 2010-01-08 Tomiyama Taeko a Japanese visual artist born in 1921 is changing the way World War II is remembered in Japan Asia and the world Her work deals with complicated moral and emotional issues of empire and war responsibility that cannot be summed up in simple slogans which makes it compelling for more than just its considerable beauty Japanese today are still grappling with the effects of World War II and largely because of the inconsistent and ambivalent actions of the government they are widely seen as resistant to accepting responsibility for their nation's violent actions against others during the decades of colonialism and war Yet some individuals such as Tomiyama have produced nuanced and reflective commentaries on those experiences and on the difficulty of disentangling herself from the priorities of the nation despite her lifelong political dissent Tomiyama's sophisticated visual commentary on Japan's history and on the global history in which Asia is embedded provides a compelling guide through the difficult terrain of modern historical remembrance in a distinctively Japanese voice *Making Japanese Heritage* Christoph Brumann, Rupert A. Cox, 2009-12-16 This book examines

the making of heritage in contemporary Japan investigating the ways in which particular objects practices and institutions come to be seen as forms of heritage which are ascribed public recognition and political significance **Evanescence and Form** C. Inouye, 2008-09-29 This book explores the Japanese notion of hakanasa the evanescence of all things Responses to this idea have been various and even contradictory asceticism fatalism conformism hedonism materialism and careerism This book examines the ties between an epistemology of constant change and Japan's formal emphasis on etiquette and visuality

Reviewing **Puppets Of Nostalgia The Life Death And**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Within the pages of "**Puppets Of Nostalgia The Life Death And**," an enthralling opus penned by a highly acclaimed wordsmith, readers attempt an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

Puppets Of Nostalgia The Life Death And Introduction

In the digital age, access to information has become easier than ever before. The ability to download Puppets Of Nostalgia The Life Death And has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Puppets Of Nostalgia The Life Death And has opened up a world of possibilities. Downloading Puppets Of Nostalgia The Life Death And provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Puppets Of Nostalgia The Life Death And has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Puppets Of Nostalgia The Life Death And. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Puppets Of Nostalgia The Life Death And. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Puppets Of Nostalgia The Life Death And, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Puppets Of Nostalgia The Life Death And has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Puppets Of Nostalgia The Life Death And Books

1. Where can I buy Puppets Of Nostalgia The Life Death And books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
