The Times Index ,2009 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement *Focus on Writing* John Jackman,HARPER UK,2004-03-20 This new edition of the best selling Focus on Writing Teacher s Guide has been expanded to provide extra support for modelling and scribing with the whole class plus additional ideas for working with lower and higher ability groups It now also includes practical advice on preparing for the KS1 and KS2 SAT writing tasks *Teaching for Mastery in Writing* Mike Cain,2018-07-12 Teaching for Mastery in Writing provides a practical approach to developing mastery in writing which helps all primary children to develop their skills and inspires a love of writing This innovative book follows an approach that integrates mastery into existing teaching sequences an approach which aims to improve the writing ability of all children not just the more able Writing is a tough discipline for children in today s primary schools The number of skills they are expected to learn is a source of amazement to many adults outside education It is no easier to teach not least because of the many and varied demands on schools including the National Curriculum SPaG tests assessment frameworks and inspections Now more than ever it is crucial that teachers focus on helping children become the most effective communicators they can be through the medium of writing Throughout the book Mike Cain promotes the importance of a classroom culture characterised by focused talk and reasoning and provides lots of ideas for challenging children in their writing through the development of key learning dispositions and critical thinking skills *Sentence Writing* Robyn Brinks Lockwood,2009 **Writing Skills Teacher's Book** Norman Coe,Robin Rycroft,Pauline Ernest,1983-03-31 Writing Skills provides learners with problem solving activities based on a wide variety of text types The activities give practice in using specific items of language and in developing the ability to organise information Text types covered are letters both informal and formal reports brochures journalistic articles instructions and stories In all cases emphasis is placed on group work and substantial opportunities and ideas for further practice are given throughout The Teacher s Book contains notes and a key as well as comprehensive explanations of the rationale behind the exercises

Preparing To Teach Writing James D. Williams,2003-03 Preparing to Teach Writing Research Theory and Practice Third Edition is a comprehensive survey of theories research and methods associated with teaching composition successfully The primary goal is to provide practicing and prospective teachers with the knowledge they need to be effective teachers of writing and to prepare them for the many challenges they will face in the classroom Overall the third edition of Preparing to Teach Writing is clearer and more comprehensive than the previous editions It combines the best of the old with new information and features The discussions and references to foundational studies that helped define the field of rhetoric and composition are preserved in this edition Also preserved is most of the pedagogical apparatus that characterized the first two editions research and theory are examined with the aim of informing teaching New in the Third Edition a more thorough

discussion of the history of rhetoric from its earliest days in ancient Greece to the first American composition courses offered at Harvard University in 1874 a major revision of the examination of major approaches to teaching writing current traditional rhetoric new rhetoric romantic rhetoric writing across the curriculum social theoretic rhetoric postmodern rhetoric and post postmodern rhetoric considering their strengths and weaknesses an extension of the discussion of strengths and weaknesses of major approaches to its logical conclusion Williams advocates an epistemic approach to writing instruction that demonstrably leads to improved writing instruction when implemented effectively a more detailed account of the phonics whole language debate that continues to puzzle many teachers and parents a new focus on why grammar instruction alone does not lead to better writing the difference between grammar and usage and how to teach grammar and usage effectively an expanded section on Chicano English that now includes a discussion of Spanglish more information on outcome objectives the Council of Writing Program Administrators statement of learning outcomes for first year composition courses has been included to help high school teachers better understand how to prepare high school students for college writing and to help those in graduate programs prepare for teaching assistantships in first year composition courses and a more comprehensive analysis of assessment that considers such important factors as the validity reliability predictability cost fairness and politics of assessment and the effects on teaching of state mandated testing and also provides an expanded section on portfolios
