Revelation The Sword And The Cross Chronicles Volume :

The Fallen Series: 4-Book Collection Lauren Kate,2013-12-10 A 4 book digital collection of the bestselling FALLEN novels FALLEN TORMENT PASSION and RAPTURE available together for the first time in an ebook omnibus edition with a preview chapter of Lauren Kate s novel Teardrop And don t miss FALLEN on the big screen The first book in the worldwide bestselling FALLEN series is now a motion picture available for streaming **Moody Bible Institute Monthly** ,1921

The Nonviolent Atonement, Second Edition J. Denny Weaver,2011-01-26 A provocative study that cuts to the very heart of Christian thought The Nonviolent Atonement challenges the traditional Anselmian understanding of atonement along with the assumption that heavenly justice depends on Christ s passive innocent submission to violent death at the hands of a cruel God Instead J Denny Weaver offers a thoroughly nonviolent paradigm for understanding atonement grounded in the New Testament and sensitive to the concerns of pacifist black feminist and womanist theology While many scholars have engaged the subject of violence in atonement theology Weaver s Nonviolent Atonement is the only book that offers a radically new theory rather than simply refurbishing existing theories Key features of this revised and updated second edition include new material on Paul and Anselm expanded discussion on the development of violence in theology interaction with recent scholarship on atonement and response to criticisms of Weaver s original work Praise for the first edition The best current single volume on reconstructing the theology of atonement S Mark Heim in Anglican Theological Review Weaver provides an important contribution to atonement theories by seriously inserting the contemporary concerns of pacifist feminist womanist and black theologians into the centuries old christological conversation A provocative but faithful proposal benefiting any student of christology Religious Studies Review A noteworthy contribution to the literature on the atonement Weaver provides a useful critique of the history of atonement motifs he does a fine job of placing Anselm s theology in its historical context he creatively fuses a singular biblical vision from the earthly narrative of the Gospels and the cosmic perspective of the Apocalypse and he attempts to relate discussions of the atonement to Christian social ethics Trinity Journal This is a superb succinct survey and analysis of classical and contemporary theories of the atonement ideal for students and general readers A clearly written passionately expressed introduction to current debates on the atonement Excellent resource Reviews in Religion and Theology **The Institute Tie** ,1921 *The Publishers' Circular and General Record of British and Foreign Literature* ,1853 **Publishers' circular and booksellers' record** ,1853 Nicene & Post-Nicene Series 1 Vol 11 Philip Schaff,1980-05-01 The Tree of Life Stephen B. Machnik,2021-03-25 What if the literary form of the Bible derived its pattern from the elementary process of creation Is there an underlying symbolic form to the book The Tree of Life is an analysis of this form and compares it to the operations of the intellect These operations are the process by which we come to know what is It also corresponds to the metaphysical elements which are the core of our being What becomes evident is that there is a form to human consciousness Reconstructing Christian Theology Rebecca S. Chopp,Mark Lewis

Taylor, Christian theology needs to be reconstructed in light of recent and momentous intellectual changes social revolutions and steep pedagogical challenges That is the conviction of many of North America s leading theologians whose close collaboration over several years bring us this exciting volume Reconstructing Christian Theology introduces theology in such a way that readers can discern the relevance of historical materials pose theological questions and begin to think theologically for themselves Further like other projects of the Workgroup on Constructive Theology this volume stems from a deep desire to model a credible creative and engaged contemporary theology So each chapter tackles major Christian teaching juxtaposes it with a significant social or cultural challenge and then reconstructs each in light of the other The result is an innovative and compelling way to learn how theology can contribute to rethinking the most pressing issues of our day

Jesus of Nazareth Lord and Christ: Essays on the Historical Jesus And New Testament Christology Joel B. Green, Max Turner, 1994-03 The problem of the historical Jesus remains one of the most important themes in New Testament scholarship Closely related to this problem is the question How far can the impact made by the earthly Jesus and his own self understanding sustain the weight of the Christological construction put upon them by the early church The thirty outstanding essays in this volume offer a fresh assessment of a wide range of New Testament data and methods pertinent to our understanding of Jesus and his significance both in his time and ours
