Revel For Society Access Card 14th Edition:

Ulysses Quotidiānus Jibu George, 2016-05-11 This book presents a multi pronged inverse historical analysis of Joyce s high modernist magnum opus Ulysses foregrounding the historicity of its unapologetic subject matter the quotidian It argues that the everyday life depicted in Ulysses espouses alternative historical trajectories neglected by traditional historiographic paradigms which largely deal with great personages and momentous events The sphere of ordinary life is also where lasting changes must be accomplished if transformations are to happen at all in what gets written or accepted as a posteriori history Across eight elaborate chapters the book reconstructs quotidian micro histories surrounding work and income material objects and practices everyday relationships body and health ideologies and power socio psychological resources and in one of the many internal heterogenizations of the everyday gender issues
