Revenge 4 Erotic Suspense:

The Erotic Thriller in Contemporary Cinema Linda Ruth Williams, 2005 This bold and original book examines in detail a relatively new genre of film the erotic thriller Linda Ruth Williams traces the genre's exploitation of pornography and noir discusses mainstream stars including Michael Douglas and Sharon Stone as well as genre branded direct to video stars charts the work of key producers and directors and considers home videos as a distinct form of viewing pleasure She maps the history of the genre analyzing hundreds of movies from blockbusters such as *Basic Instinct* *Fatal Attraction* and *In the Cut* to straight to video film titles such as *Carnal Crimes* *Sins of Desire* and *Night Eyes* Williams's witty and illuminating readings tell the story of this sensational genre and contribute to the analysis of mainstream screen sex and its censorship at the beginning of the 21st century She shows that as the erotic thriller plays out the sexual fantasies of contemporary America it also provides a vehicle for marketing those fantasies globally

Love me, or kill me. Sex and love in the 1619 play "The Maid's Tragedy" by Francis Beaumont and John Fletcher Nicole Eismann, 2016-03-30 Seminar paper from the year 2015 in the subject English Language and Literature Studies Literature grade 2.3 University of Bonn Institut für Anglistik Amerikanistik und Keltologie course The Renaissance in England language English abstract If love is not the main issue in *The Maid's Tragedy* is the play a sex tragedy rather than a love tragedy How important is sex for the story and is it connected with love in any way This paper is supposed to answer exactly these questions with a strong focus on the meaning of sex and sexual relationships for the plot and for single characters who have an important role Furthermore it will be analysed how sex is depicted in the play and what this tells about its role *The Maid's Tragedy* written by Francis Beaumont and John Fletcher and published for the first time in 1619 is one of the plays that is often called a love tragedy due to the fate of the lady Aspatia who is about to marry young Amintor before the king forces Amintor to marry his own mistress Evadne to cover their sexual affair Having such a plot *The Maid's Tragedy* is a typical one for Jacobean theatre which is explained by Marie Axton quoted by Kristin Bezio stating the playhouses of late Elizabethan and Jacobean London were a freer place for political discussion than court or Parliament and this drama actively participates in the ongoing Jacobean debates about the viability of tyrannicide This idea puts the king's acting into the play's focus rather than the love between Aspatia and Amintor and their tragedy Given this idea one might ask if the play can really be called a love tragedy or if the love story is just a subplot or a frame around the actually important issue the sexual relationship between the king and his mistress and all its consequences that by chance are also consequences for the two lovers
