

KINDNESS

Changes Everything

I believe...

Kindness changes everything, like in a **BREAK YOUR HEART JOYFUL** way.

I believe...

When we **EXTEND OUR HEARTS** toward those in need, we also heal something important within ourselves.

I believe...

That hope matters, that we can *inspire change* by radiating **joy, LOVE, and COMPASSION** to everyone we encounter.

I believe...

In **HUGS**, spontaneous compliments, and smiling at strangers. These small acts matter deeply.

I BELIEVE...

Celebrating others, **ENCOURAGING THEIR SUCCESS**, and lifting them up along the way is essential to our collective wellbeing.

I believe...

Living a life of gratitude is one of the kindest gifts we can give to the world.

I believe...

In *listening* to the wise voice of my heart and doing the right thing—even when it's scary.

I BELIEVE...

We are all connected and kindness is the voice that softly says, **"I SEE YOU."**

I HONOR YOU.

and YOU ARE NOT ALONE."

Parenting Holly Taylor Coolman, 2024-01-23 Books on parenting abound with many suggesting that specific strategies will produce desired results Gifted theologian Holly Taylor Coolman offers something different a theologically and biblically rich commentary on the theme of raising children As a mother of five who is known for approaching parenting in a theological way Coolman is often asked for advice In this book she explores parenting as a complex and beautiful vocation in which mothers and fathers themselves are made and unmade offered troubling sorts of gifts and drawn deeper into connection not only with their children but also with God others and themselves Coolman describes child rearing as a vocation to which parents are called that requires them to develop the skills of apprenticeship and invitation She also locates raising children firmly within the context of the church This book will appeal to Christian parents especially adoptive and foster parents as well as pastors church leaders and students

Revolution of Mercy Bonnie Landry, 2015-12-21 Pope Saint John Paul II calls us Family become what you are We desire an ideal but so often it seems beyond our grasp You can draw closer to that ideal daily You can be awesome You can be the family you want to be When you started a family were you thinking this I hope that each morning I can wake up to the sound of bickering It is my desire to yell at my children and that we barely speak a civil word to each other I want deep resentment for my vocation and to be irritable most of the time My goal is to have my sanity hanging by a thread I think wheedling bargaining and threatening my kids is an effective means of gaining their cooperation I didn't think so This book will encourage you in your vocation lift your spirits and help you to be the family you want to be This book will help you and your children get to heaven We all intend to be thoughtful reasonable parents when we set out on the journey We don't know how low we can sink sometimes in the business of raising children Often we are left wondering how on earth we got off that track full of idealism and good intentions It's a tough job and you're tired Exhausted Physically and emotionally How can we get out of the rut Stop spinning our wheels Get back on track Parents are primarily concerned with the kind of people their children will grow up to be Here's the good news Raising good kids is less about technique and more about how you choose to live your life Mercy is an outpouring of kindness a generosity of spirit Mercy is contagious infectious start an epidemic in your own home Better yet start a revolution A Revolution of Mercy
