

"Intelligent and stimulating. . . Hofstadter remains vitally alive and
endlessly instructive." —*New York Times Book Review*

A black and white portrait of Richard Hofstadter, a man with dark, wavy hair, wearing glasses, a white shirt, and a patterned bow tie. He is looking directly at the camera with a slight smile. The background is dark and out of focus.

Richard Hofstadter

AN INTELLECTUAL BIOGRAPHY *David S. Brown*

Richard Hofstadter An Intellectual Biography

Jonah Goldberg

Richard Hofstadter An Intellectual Biography:

Richard Hofstadter David S. Brown, 2008-09-15 Richard Hofstadter 1916-70 was America's most distinguished historian of the twentieth century. The author of several groundbreaking books including *The American Political Tradition*, he was a vigorous champion of the liberal politics that emerged from the New Deal. During his nearly thirty-year career, Hofstadter fought public campaigns against liberalism's most dynamic opponents from McCarthy in the 1950s to Barry Goldwater and the Sun Belt conservatives in the 1960s. His opposition to the extreme politics of postwar America articulated in his books, essays, and public lectures marked him as one of the nation's most important and prolific public intellectuals. In this masterful biography, David Brown explores Hofstadter's life within the context of the rise and fall of American liberalism. A fierce advocate of academic freedom, racial justice, and political pluralism, Hofstadter charted in his works the changing nature of American society from a provincial Protestant foundation to one based on the values of an urban and multiethnic nation. According to Brown, Hofstadter presciently saw in rural America's hostility to this cosmopolitanism signs of an anti-intellectualism that he believed was dangerously endemic in a mass democracy. By the end of a life cut short by leukemia, Hofstadter had won two Pulitzer Prizes, and his books had attracted international attention. Yet the Vietnam years, as Brown shows, culminated in a conservative reaction to his work that is still with us. Whether one agrees with Hofstadter's critics or with the noted historian John Higham, who insisted that Hofstadter was the finest and also the most humane intelligence of our generation, the importance of this seminal thinker cannot be denied. As this fascinating biography ultimately shows, Hofstadter's observations on the struggle between conservative and liberal America are relevant to our own times, and his legacy challenges us to this day. *Richard Hofstadter* David S. Brown, 2006 *The Life of the Mind* Andrew Ronald Snodgrass, 2019 *Kleine anti-geschiedenis van het populisme* Anton Jäger, 2018-04-06 Een van de meest gebruikte en misbruikte politieke termen van de laatste twintig jaar is populisme. Te pas en te onpas worden politici aangeduid als populist of ze nou aan de linker of aan de rechterkant van het politieke spectrum staan. In het Europees belangrijke verkiezingsjaar 2017, waarin Brexit, de parlementsverkiezingen in Nederland, de Franse presidentsverkiezingen en de Bondsdaysverkiezingen in Duitsland plaatsvonden, was de opkomst van zogenoemde populistische krachten het belangrijkste onderwerp van debat. Maar wat betekent populisme werkelijk? In dit boek duidt Anton Jäger oorsprong en betekenis en schept zo de noodzakelijke helderheid in de spraakverwarring rond het begrip. Eindelijk een verhelderend boek dat het populisme niet demoniseert maar historiseert vanuit een aantal kantelmomenten in de geschiedenis. Rudi Laermans *The Cause* Eric Alterman, 2012-04-12 The definitive history of American postwar liberalism told through the lens of those who brought it to life. Liberalism stands proudly at the center of American politics and culture. Driven by passion for social justice, tempered by respect for the difficulty of change, liberals have struggled to end economic inequality, racial discrimination, and political repression. Liberals have fueled their cause with the promise of American life and visions of national greatness, seeking to transform the White

House the halls of Congress the courts the worlds of entertainment law media and the course of public opinion Bestselling author journalist and historian Eric Alterman together with historian Kevin Mattson traces the history of liberal ideals through the lives and struggles of fascinating personalities The Cause tells the remarkable story of politicians intellectuals visionaries activists and public personalities battling for the heart and soul of the nation The first full scale treatment of postwar liberalism The Cause offers an epic saga driven by stories of grand aspirations principled ambitions tragic flaws and the ironies of history of the people who fought for America to live up to the highest ideals of its history Illiberal America Steven Hahn,2024-03-19 Hahn s book makes an important case for vigilance in the face of extremism and warns against telling the history of the United States as one of inevitable progress David Leonhardt New York Times Book Review If your reaction to the January 6 2021 insurrection at the Capitol was to think That s not us think again in Illiberal America a Pulitzer Prize winning historian uncovers a powerful illiberalism as deep seated in the American past as the founding ideals A storm of illiberalism building in the United States for years unleashed its destructive force in the Capitol insurrection of January 6 2021 The attack on American democracy and images of mob violence led many to recoil thinking That s not us But now we must think again for Steven Hahn shows in his startling new history that illiberalism has deep roots in our past To those who believe that the ideals announced in the Declaration of Independence set us apart as a nation Hahn shows that Americans have long been animated by competing values equally deep seated in which the illiberal will of the community overrides individual rights and often protects itself by excluding perceived threats whether on grounds of race religion gender economic status or ideology Driven by popular movements and implemented through courts and legislation illiberalism is part of the American bedrock The United States was born a republic of loosely connected states and localities that demanded control of their domestic institutions including slavery As white settlement expanded west and immigration exploded in eastern cities the democracy of the 1830s fueled expulsions of Blacks Native Americans Catholics Mormons and abolitionists After the Civil War southern states denied new constitutional guarantees of civil rights and enforced racial exclusions in everyday life Illiberalism was modernized during the Progressive movement through advocates of eugenics who aimed to reduce the numbers of racial and ethnic minorities as well as the poor The turmoil of the 1960s enabled George Wallace to tap local fears of unrest and build support outside the South a politics adopted by Richard Nixon in 1968 Today with illiberalism shaping elections and policy debates over guns education and abortion it is urgent to understand its long history and how that history bears on the present crisis **The Emergence of Historical Forensic Expertise** Vladimir Petrović,2016-10-26 This book scrutinizes the emergence of historians participating as expert witnesses in historical forensic contribution in some of the most important national and international legal ventures of the last century It aims to advance the debate from discussions on whether historians should testify or not toward nuanced understanding of the history of the practice and making the best out of its performance in the future **Liberal Fascism** Jonah Goldberg,2009-01-29 Today the

word fascist is usually an insult aimed at those on the right from neocons to big business But what does it really mean What if the true heirs to fascism were actually those who thought of themselves as being terribly nice and progressive the liberals Jonah Goldberg s excoriating opinion driving US bestseller explains why Here he destroys long held myths to reveal why the most insidious attempts to control our lives originate from the left whether it s smoking bans or security cameras Journeying through history and across culture he uses surprising examples ranging from Woodrow Wilson s police state to the Clinton personality cult the military chic of 60s student radicals to Hollywood s totalitarian aesthetics to show that it is modern progressivism and not conservatism that shares the same intellectual roots as fascism This angry funny smart and contentious book looks behind the friendly face of the well meaning liberal and turns our preconceptions inside out **The Oxford History of Historical Writing** Axel Schneider, Daniel Woolf, 2011-05-05 The fifth volume of The Oxford History of Historical Writing offers essays by leading scholars on the writing of history globally since 1945 Divided into two parts part one selects and surveys theoretical and interdisciplinary approaches to history and part two examines select national and regional historiographies throughout the world It aims at once to provide an authoritative survey of the field and to provoke cross cultural comparisons This is chronologically the last of five volumes in a series that explores representations of the past across the globe from the beginning of writing to the present day The Good Country Jon K. Lauck, 2022-11-21 At the center of American history is a hole a gap where some scholars indifference or disdain has too long stood in for the true story of the American Midwest A first ever chronicle of the Midwest s formative century The Good Country restores this American heartland to its central place in the nation s history Jon K Lauck the premier historian of the region puts midwestern squares center stage an unorthodox approach that leads to surprising conclusions The American Midwest in Lauck s cogent account was the most democratically advanced place in the world during the nineteenth century The Good Country describes a rich civic culture that prized education literature libraries and the arts developed a stable social order grounded in Victorian norms republican virtue and Christian teachings and generally put democratic ideals into practice to a greater extent than any nation to date The outbreak of the Civil War and the fight against the slaveholding South only deepened the Midwest s dedication to advancing a democratic culture and solidified its regional identity The good country was of course not the perfect country and Lauck devotes a chapter to the question of race in the Midwest finding early examples of overt racism but also discovering a steady march toward racial progress He also finds many instances of modest reforms enacted through the democratic process and designed to address particular social problems as well as significant advances for women who were active in civic affairs and took advantage of the Midwest s openness to women in higher education Lauck reaches his conclusions through a measured analysis that weighs historical achievements and injustices rejects the acrimonious tones of the culture wars and seeks a new historical discourse grounded in fair readings of the American past In a trying time of contested politics and culture his book locates a middle ground fittingly in the center of the country

This is likewise one of the factors by obtaining the soft documents of this **Richard Hofstadter An Intellectual Biography** by online. You might not require more become old to spend to go to the ebook launch as capably as search for them. In some cases, you likewise pull off not discover the revelation Richard Hofstadter An Intellectual Biography that you are looking for. It will no question squander the time.

Richard Hofstadter An Intellectual Biography Introduction

In the digital age, access to information has become easier than ever before. The ability to download Richard Hofstadter An Intellectual Biography has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Richard Hofstadter An Intellectual Biography has opened up a world of possibilities. Downloading Richard Hofstadter An Intellectual Biography provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Richard Hofstadter An Intellectual Biography has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Richard Hofstadter An Intellectual Biography. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Richard Hofstadter An Intellectual Biography. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to

utilize reputable websites that prioritize the legal distribution of content. When downloading Richard Hofstadter An Intellectual Biography, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Richard Hofstadter An Intellectual Biography has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Richard Hofstadter An Intellectual Biography Books

1. Where can I buy Richard Hofstadter An Intellectual Biography books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
