The Last CaveBear: Trapped Shannon VanSlyke,2011-02-28 A great ego is not an indicator of great intelligence Very often it is quite the opposite And very often it is the greatest egos who take control of government business and most aspects of life With great egos often comes aggressiveness and those not inflicted often step aside when the aggressive take over Those who serve out of a sense of duty and a need to help others seem to be in the minority and to them conflict is something to be avoided when possible **Earth's Children Omnibus** Jean M. clever friend might share over coffee and will enthrall you in unaccustomed ways then compel you to search for more Visiting Africa in 1919 Vic brushes shoulders with death on more than one occasion and everyone around her concludes she is uncannily calm and proficient in the face of the most horrible threats Vic understands their awe but to her it is second nature She seems to have been born with the facility for adventure yet when she turned thirteen her skills did magnify and that's when the eerie dreams began dreams so vivid that she would wake with her body feeling their impact She still had those dreams when she visited Africa and there nature conspired to solve their mystery Yet the solution was not a conclusion but a beginning It evoked a monumental quest which might take a lifetime and would likely lead Vic into every dangerous corner of Earth The first hurdle was to simply design a plan to make the quest successful and Vic had no ideas How was she going to find something she lost on the day she died 100 000 years ago Begin the adventure Discover the secret of Vic's dreams and find out how Vic will search Attempt to survive the wild Yucatan jungles of the 1920's and learn the truth about thunderbirds Experience the excitement today Buy your copy of Time Doesn't Matter now and begin the series **Vic** Jerry Gill,2019-02-20 The first two titles in the adventure series The Incredible Adventures of Vic Challenger Vic Time Doesn't Matter and Vic Mongol Unabridged in one volume In the first part learn the secret of Vic's dreams and see her primitive persona stun her fellow hunters in Africa Go with her as she begins a quest that may last a lifetime or end her life The travel to Mexico where Vic meets her first cryptid In the second part Vic travels with friend Lin Li to Outer Mongolia and they meet a deadly thousand year old myth a vicious warlord and other dangers Vic is the Queen of Modern Pulp If you like tough women and family friendly reading ride with Vic **Summer's Lease** Drew Hunt,2012-11-18 On his first night renting a cottage on the Cornish coast widower John Tennant comes face to face with of all things a grizzly bear Fearing for his life John tries to convince the animal he isn't worth eating and is relieved when the bear ambles away Maintenance man Mitch Benjamin is two hundred years old but doesn't look a day over forty As a werebear he needs to stay under the radar The new renter is making that difficult Not only is John attractive but his vulnerability triggers all of Mitch's protective instincts If that wasn't trouble enough Mitch is struggling with his inner bear's desire to befriend John He knows what his bear is up to but Mitch doesn't want another mate His last one was murdered ninety years ago and he's still grieving John is confused by Mitch's mixed signals Physically Mitch with his bulging muscles and hulking frame is a gay man's wet dream come true But emotionally he keeps closing down John discovers more comfort with the magnificent grizzly bear he occasionally meets on his evening walks along the beach In an effort to help Morwenna the owner of the cottages uses her psychic gifts to give John a message from his dead lover George Far from helping it adds another layer of strangeness to what's already turning out to be the strangest summer John can remember Can a well meaning medium and a determined grizzly bring John and Mitch together Will Mitch come clean about his werebear nature If he does can John accept that a man and bear exist in the same body **Taken by a Dragon: A Forced Proximity Fated Mates Dragon Shifter Paranormal Romance** Felicity
