Revangelical Becoming The Good News People Were Meant To Be:

Revangelical Lance Ford,2014-09-01 When you hear the word evangelical do you think good news That s what the word means and it s what we are meant to be Yet the surrounding culture often views us as exactly the opposite Calling yourself an evangelical too often means you are seen through a negative stereotype people are apprehensive when they hear that an evangelical family has moved into the neighborhood But is this the way it has to be What would it look like if evangelical Christians were joyfully living out the gospel in such a way that the culture had no choice but to recognize us as Good News people Revangelical is a call to realign your heart with the things that most concerned Jesus a bold message to get the Good News of the gospel of Jesus back into our heads hearts mouths and feet Full of stories of evangelicals who are living out the Good News and changing the world Revangelical will inspire and equip us to relearn the heart of the gospel and to become the people God has called us to be **The Evangelical Repository** ,1865 *Why I Left the Evangelical Church* Jose Medina,2025-05-05 Are you surprised by Trump s success with the evangelical Church Do you have family members obsessed with him Are you weary of the direction the Christian Church is taking in our society Do you have doubts about your faith Jose Medina was a devout Evangelical Christian for more than three decades Shortly after arriving to pursue graduate studies in the United States Jose became an Evangelical This book is a personal account of his experiences as a member of the Southern Baptist church He lived an unassuming church life until the appearance of Donald Trump in the 2016 presidential elections Evangelicals unconditional support for Trump a man representing everything his Church stood against pushed Jose to deconstruct his Christian beliefs After not getting satisfactory answers from men and books he trusted including the Bible he left his friends the Church and the Christian faith Writing this book was Jose s most challenging spiritual journey but it provided him with a path forward free of mystical dogmas If you are on the edge of what Christianity is about this book will give you some first hand insights into how to deal with it **Evangelical Magazine and Gospel Advocate** ,1896 *Evangelical Dictionary of Theology* Walter A. Elwell,2001-05 This thoroughly updated edition of a standard reference tool covers systematic historical and philosophical theology as well as theological ethics **The Evangelical repository. Vol. 1- new** ,1866 **The Essential Evangelical Parallel Bible** John R. Kohlenberger,2004 The Essential Evangelical Parallel Bible enables readers to easily compare the texts of a quarter of modern translations that span the full range of scholarly approaches to the ancient text **One Thing** Neil Cole,2016-03-08 CHRISTIANS SHOULD BE REVOLUTIONARIES WE SHOULD BE BRINGING A REVOLUTION TO OUR WORLD Today s world needs a revolution But not a violent one We ve had plenty of those We need a revolution that changes hearts and minds Jesus didn t come to earth just to change your Sunday morning routine He came to change your life every day and in every way The Right and Left are growing farther apart each week Liberal politicians and conservatives are in a moral and political take no prisoners civil war And the expanding divide is evident not just in politics but also in the arts education business journalism science technology

social services the military and even in the faith community Today's emerging generation is fed up with an unengaged judgmental Christianity that is afraid to get its hands dirty with real change but is more than willing to shout at the decaying world from a distance We simply must take a different stance in this world if we want to make a difference and now is the time But what is that stance And how do we revolutionize our world as Christians As author Neil Cole dramatically points out it's all about One Thing It's a revolution of love Grounded in the love found in the new covenant this book passionately calls the church back to its true spiritual roots and provides tangible examples of how that was done in the past and how we can do it today One Thing offers an alternative that is biblical effective subversive and loving all at the same time It's time for us to trade in our busy religion with so many rules for a one thing spirituality That one thing is the love generated by being with Jesus focused upon Jesus and letting Jesus leak out in our lives Jesus was all about transformation and change He was a revolutionary of the heart and as his followers we must bring that radical revolution to our world VIVA LA REVOLUTI N

Evangelical Ethics David P. Gushee, Isaac B. Sharp, 2015-08-24 Just as it is impossible to understand the American religious landscape without some familiarity with evangelicalism one cannot grasp the shape of contemporary Christian ethics without knowing the contributions of evangelical Protestants This newest addition to the Library of Theological Ethics series begins by examining the core dynamic with which all evangelical ethics grapples belief in an authoritative inspired and unchanging biblical text on the one hand and engagement with a rapidly evolving and increasingly post Christian culture on the other It explores the different roles that scholars and popular figures have played in forming evangelicals' understandings of Christian ethics And it draws together the contributions of both senior and emerging figures in painting a portrait of this diverse vibrant and challenging theological and ethical tradition This book represents the breadth of evangelical ethical voices demonstrating that evangelical ethics involves nuance and theological insight that far transcend any political agenda Contributors include David P. Gushee, Carl F. H. Henry, Jennifer McBride, Stephen Charles Mott, William E. Pannell, John Perkins, Soong Chan Rah, Gabriel Salguero, Francis Schaeffer, Ron Sider, Helene Slessarev, Jamir Glen H. Stassen, Eldin Villafañe, Allen Verhey, Jim Wallis, Nicholas Wolterstorff, and John Howard Yoder The Library of Theological Ethics series focuses on what it means to think theologically and ethically It presents a selection of important and otherwise unavailable texts English language texts and translations that have fallen out of print, new translations and collections of significant statements about problems and themes of special importance in an easily accessible form This series enables sustained dialogue on new and classic works in the field The Evangelical Herald, 1923
