Revelation The Gospel Era Finale Volume 1:

The Grand Finale Anton Wessels, 2020-07-13 We often hear that we are living in apocalyptic times Wars like those in the Middle East are just more signs that the end is near That however is a misunderstanding of the message of the Bible and the Qur'an The basic meaning of apocalypse is disclosure revelation bringing to light what is happening now and what has happened throughout all of history The apocalypse is not about making predictions about the future but about determining who bears responsibility for injustice in the world In that sense all times including ours are apocalyptic though in a different way than what is usually thought Since the devastating Greek conquest of the world by Alexander the Great there have been apocalyptic insights and revelatory readings of the whole Hebrew Bible The same is true of the New Testament with Rome as the world power then The same apocalyptic message is confirmed by the Qur'an when the Byzantines and the Persians fought for mastery of the world The apocalyptic message is that God will put an end to the unjust dominion of violence money and lies God's kingdom will certainly arrive but not through violence after all there is no violence in God Diognetus

Revelation: the Gospel Era Finale Donald Moss, 2010-03-05 The book of Revelation is not as mysterious as many believe It was written with a specific chronological architecture a presentation that unfolds the end time in a way that all in the body of Christ can comprehend take to heart The architecture of this narrative is centered on a step by step building of a time line chart that forms a big picture of God's end time agenda Christ Jesus sent an angel to visit the apostle John in order to signify that the words of John were words spoken directly to him from Christ Christ did not use an angel's intervention to write any other New Testament book He worked through the Holy Spirit only Revelation is a unique presentation to the body of Christ by Jesus Christ Jesus placed a boundary on reading and studying Revelation because of the chronology of content The book is to be read and taught in an as is format so that the blessing in Rev 1:3 can be received Teaching and preaching the book of Revelation is a serious endeavor I warn everyone who hears the words of the prophecy of this book If anyone adds anything to them God will add to him the plagues described in this book And if anyone takes words away from this book of prophecy God will take away from him his share in the tree of life and in the holy city which are described in this book Rev 22:18-19 NIV No apostle other than John understood what was revealed in the book of Revelation Apostle Paul as well as all other apostles was not alive when Apostle John was visited by the angel and instructed on the contents of Revelation Therefore venturing into a study of Revelation using a preconceived bias formed with scriptures from the other apostles has created a great diversity of opinion about the rapture of the body of Christ The diversity of opinions from Bible scholars causes the body of Christ to be apathetic about the end time because of all the controversy Would you like to understand Revelation with clarity and no confusion Revelation can be easily understood only by study of its end time chronology Forming ideas about the end time judgment and rapture of the body of Christ using other New Testament books has led to controversy and confusion about the end time agenda of God Let the book of Revelation reveal to you a visual conception of

the end time and be blessed Revelation needs to be understood exactly as it is written without adding or taking away words from Revelation s prophecy There must be a common understanding in the body of Christ concerning the end time in order for the body of Christ to advance beyond the existing end time controversies Christians need to comprehend the end time judgment seat of Christ and the rapture of the corporate church Are all Christians raptured in a single event Are there multiple raptures How can I know when I will be raptured if I am alive when the midnight cry is heard Do all Christians receive the same reward These and many other questions will be answered when God s end time agenda is understood This book was written based on the chronological order and narrative sequential presentation of the book of Revelation There are end time controversial perspectives that have existed for many years However chronological truth will cut through all controversy and form a common understanding for the body of Christ This book presents a theological and chronological sound perspective of the end time for all Christians If so it will conflict with existing controversial perspectives that Christians might believe Throughout the time of writing this book I have looked for logical sensible reasons to not believe what I was writing I tested the writing of the book with scriptural screening looking for theological conflicts I have found none For me to dismiss any part of this book is to dismiss my understanding of the chronology of the book of Revelation and the many supporting scriptures of the Bible Donald P Moss Author **The Harvest Handbook™ of Bible Prophecy** Ed Hindson, Mark Hitchcock, Tim LaHaye, 2020-05-12 Everything You Need to Know About the Last Days at Your Fingertips The Harvest Handbook™ of Bible Prophecy is a reference resource that provides a comprehensive overview of everything the Bible says about the last days Compiled by bestselling prophecy teachers Ed Hindson Mark Hitchcock and Tim LaHaye this volume has 150 topics on the most important subjects of prophetic study from 40 of world s foremost prophecy experts including Armageddon the Day of the Lord eternal life the glorious appearing the messianic kingdom the millennium rewards and the Tribulation You will gain clear and useful insights about the future in this A to Z handbook which is written to provide thousands of Bible based facts about the end times and beyond a chronology of the last days from a pretribulation premillennial view detailed definitions of all the major prophecy related terms Both new and experienced students of prophecy will find this a tool they can use and understand Ideal for browsing or serious research you ll find yourself reaching for this indispensable resource again and again **The Heart of Torah, Volume 1** Shai Held, 2017-09-01 In this collection of Torah essays Held probes the portions in bold original and provocative ways He mines Talmud and midrashim great writers of world literature and commentators of other religious backgrounds to ponder fundamental questions about God human nature and what it means to be a religious person in the modern world Back cover *Unfolding Sacred Scripture: How Catholics Read the Bible* Michael Cameron, 2016-02-16 Unfolding Sacred Scripture How Catholics Read the Bible invites readers into the Catholic practice of reading Scripture In the first part the book introduces insights from the tradition from its early days to its present teachings showing what makes the Catholic approach distinct from other ways of reading the
