Homecoming Melissa Mayhue, 2010-01-26 In the vein of Outlander Melissa Mayhue's sixth novel follows a thirteenth century Highlander who has travelled through time to modern day Scotland When Robert MacQuarrie was swept forward in time to present day Scotland he left behind in the thirteenth century a vow he could no longer keep to protect his friend's little daughter Isabella Haunted by guilt he leaps at the chance to go back except the fickle Faerie Magic returns him to his family castle twenty years after he left it In Scotland 1292 Isabella MacGahan is now a grown woman Rejected by her family for her Faerie blood and uncanny powers her safety depends on pretending that her magical abilities have made her mad But appearances are deceiving for both Robbie and Isabella Will the magic of the Fae allow them to find a true homecoming in each other's arms **Highlander** Tim Newark, 2009-10-15

Highlanders have long been among the most feared soldiers in the world and Tim Newark's book admirably tells their stirring tale A great read Bernard Cornwell On the fields of Waterloo the deserts of Sudan the Plains of Abraham and the mountains of Dargai the trenches of Flanders and the jungles of Burma the great Highland regiments made their mark The brave kilted troops with their pipes and drums were legendary whether leading the charge into the thick of battle or standing fast the last to leave or fall fighting against the odds Acclaimed historian Tim Newark tells the story of the Highlanders through the words of the soldiers themselves from diaries letters and journals uncovered from archives in Scotland and around the world At the Battle of Quebec in 1759 only a few years after their defeat at Culloden the 78th Highlanders faced down the French guns and turned the battle At Waterloo Highlanders memorably fought alongside the Scots Greys against Napoleon's feared Old Guard In the Crimea the thin red line stood firm against the charging Russian Hussars and saved the day at Balaclava Yet the story is also one of betrayal At Quebec General Wolfe remarked that despite the Highlanders' courage it was no great mischief if they fall At Dunkirk in May 1940 the 51st Regiment was left to defend the SOE evacuation at St Valery though following D Day the Highlanders were at the forefront of the fighting through France It is all history over the last decade the historic regiments have been dismantled despite widespread protest Praise for The Mafia at War An engrossing history that reads like a thriller The Godfather meets Band of Brothers Andrew Roberts An engrossing account that has the read on factor of the finest thriller James Holland Newark tells an extraordinary tale with pace and conviction and impressively unravels what really happened from the pervasive myths History Today Highlanders: The Warrior and the Rose / The Forbidden Highlander / Rescued by the Highland Warrior
