Revenge of the Trout Zombies Bruce Cochran, 2014-07-12 All day you drift through some of the most beautiful scenery in the world yet you see it not writes Bruce Cochran The majestic bluffs the soaring bald eagle the snow capped mountains all go unnoticed because your world consists only of your strike indicator You stare at it hypnotized as it floats in the current carrying with it all your hopes your dreams and yes your humanity You have ceased to function as a living person Yes you have become a TROUT ZOMBIE In this his seventh book Cochran uses hilarious words and cartoons to expose the follies and foibles of fly fishing All elements of this hugely popular sport are lampooned including the equipment the characters the flies even the clothing Rule 1 No more pink shirts And yes they re PINK Not coral or salmon If you want to betaken seriously stop buying your clothes at Victoria s Secret

Revenge-aroni Eirik Gumeny, 2016-04-01 Six months ago Thor the former Norse God of Thunder along with the motley crew of political clones and cyborgs and psychic squirrels he calls his friends saved the world And in a wholly unprecedented move this time the world stayed saved The frozen head of Walt Sidney is not happy about that Like at all The bodiless businessman has pit his two top men against each other and sent them after the group in a contest to see who can out murder who Because vengeance is a dish best served lukewarm and out of a can heated over the smoldering remains of your enemies Also vengeance should be eaten with an officially licensed Lindsey Louse Spearin Spork for maximum vengeance ing The fourth book in the EXPONENTIAL APOCALYPSE series REVENGE ARONI is smart vulgar and quite simply and with absolutely zero hyperbole the single best post apocalyptic book about borderline inept mercenary heroes you will ever read Filled with gallows humor and inventive swearing and run on sentences as well as sex drugs violence and blatant attacks on artisanal coffee REVENGE ARONI will surely be looked back on as the piece of literature that saved humanity from both itself and the inevitable uprising of homicidal crab people
