Entin, Franny Nudelman, 2018-03-15 After World War II U S documentarians engaged in a rigorous rethinking of established documentary practices and histories Responding to the tumultuous transformations of the postwar era the atomic age the civil rights movement the Vietnam War the emergence of the environmental movement immigration and refugee crises student activism the globalization of labor and the financial collapse of 2008 documentary makers increasingly reconceived reality as the site of social conflict and saw their work as instrumental to struggles for justice Examining a wide range of forms and media including sound recording narrative journalism drawing photography film and video this book is a daring interdisciplinary study of documentary culture and practice from 1945 to the present Essays by leading scholars across disciplines collectively explore the activist impulse of documentarians who not only record reality but also challenge their audiences to take part in reality's remaking In addition to the editors the volume's contributors include Michael Mark Cohen Grace Elizabeth Hale Matthew Frye Jacobson Jonathan Kahana Leigh Raiford Rebecca M Schreiber Noah Tsika Laura Wexler and Daniel Worden

Killing for Show Julian Stallabrass, 2020-10-30 See firsthand how war photography is used to sway public opinion In the autumn of 2014 the Royal Air Force released blurry video of a missile blowing up a pickup truck which may have had a weapon attached to its flatbed

This was a lethal form of gesture politics to send a 9 million bomber from Cyprus to Iraq and back burning 35 000 an hour in fuel to launch a smart missile costing 100 000 to destroy a truck or rather to create a video that shows it being destroyed Some lives are ended it is impossible to tell whose so that the government can pretend that it taking effective action by creating a high budget snuff movie This is killing for show Since the Vietnam War the way we see conflict through film photographs and pixels has had a powerful impact on the political fortunes of the campaign and the way that war has been conducted In this fully illustrated and passionately argued account of war imagery Julian Stallabrass tells the story of post war conflict how it was recorded and remembered through its iconic photography The relationship between war and photograph is constantly in transition forming new perspectives provoking new challenges what is allowed to be seen Does an image have the power to change political opinion How are images used to wage war Stallabrass shows how photographs have become a vital weapon in the modern war as propaganda from close quarters fighting to the drone s electronic vision as well as a witness to the barbarity of events such as the My Lai massacre the violent suppression of insurgent Fallujah or the atrocities in Abu Ghraib Through these accounts Stallabrass maps a comprehensive theoretical re evaluation of the relationship between war politics and visual culture Killing for Show offers 190 photographs encompassing photojournalism artists images photographs by soldiers and amateurs and dronesA comprehensive comparison of the role of photography in the Vietnam and Iraq WarsAn explanation of the waning power of iconic images in collective memoryAn analysis of the failure of military PR and the public display of killingA focus on what can and cannot be seen photographed and publishedAn exploration of the power and limits of amateur photographyArguments about how violent images act on democracy This full color book is an essential volume in the history of warfare and photography Good Pictures Kim Beil,2020-06-23 A picture rich field guide to American photography from daguerreotype to digital We are all photographers now with camera phones in hand and social media accounts at the ready And we know which pictures we like But what makes a good picture And how could anyone think those old styles were actually good Soft focus yearbook photos from the 80s are now hopelessly and happily outdated as are the low angle portraits fashionable in the 1940s or the blank stares of the 1840s From portraits to products landscapes to food pics Good Pictures proves that the history of photography is a history of changing styles In a series of short engaging essays Kim Beil uncovers the origins of fifty photographic trends and investigates their original appeal their decline and sometimes their reuse by later generations of photographers Drawing on a wealth of visual material from vintage how to manuals to magazine articles for working photographers this full color book illustrates the evolution of trends with hundreds of pictures made by amateurs artists and commercial photographers alike Whether for selfies or sepia tones the rules for good pictures are always shifting reflecting new ways of thinking about ourselves and our place in the visual world *Washington, D.C., Film and Television* Tracey Gold Bennett,2014 For generations movies and television have been sources of entertainment that have shaped the country s consciousness Washington DC Film and Television chronicles

popular and obscure films and television programs that feature Washington DC Sharing the sites neighborhoods institutions and monuments that filmmakers used as their settings this exciting title takes readers behind the scenes of classic movies including Mr Smith Goes to Washington Houseboat and The Exorcist Familiar television programs that transmitted local news and information are featured alongside photographs of some of Hollywood s greatest stars With the nation s capital as a backdrop the landscape architecture and history of Washington have always and will continue to make it an aesthetically exciting and authentic locale for the many story lines of Hollywood
