Microeconomics Anti-Textbook Rod Hill, Tony Myatt, 2021-12-02 Mainstream textbooks present economics as an objective science free from value judgements The Microeconomics Anti Textbook demonstrates this to be a myth one which serves to make such textbooks not only off puttingly bland but also dangerously misleading in their justification of the status quo and neglect of alternatives In this fully updated and expanded edition of their celebrated book Professors Rod Hill and Tony Myatt lay out the essentials of each topic in the standard texts in a clear and concise way before presenting an anti text analysis and critique Challenging the assumptions arguments and models Hill and Myatt provide the essential guide to decoding the textbooks and show that real economics is far more interesting and subversive than the simplistic version presented to students **Economia** Kapil S. Joshi, 2024-12-06

Economia offers a comprehensive exploration of economics blending foundational principles with innovative and groundbreaking theories The book covers essential topics like Microeconomics and Macroeconomics providing insights into the functioning of individuals markets and governments It delves into Behavioral Economics uncovering the influence of human psychology on decisionmaking and Environmental Economics addressing sustainability challenges The journey extends to Political Economics examining how power and policy shape economic outcomes and ventures into less familiar realms such as Chaos Theory Institutional Economics Revolutionary Economics and the Paradox of Thrift A unique section on Religion and Economics explores the impact of faith on economic behavior across diverse societies Finally *Economia* investigates the growth and evolution of India s economy analyzing current strategies and future opportunities Whether you re a student or a curious reader this book offers a clear and accessible understanding of the forces driving the global and Indian economies **The British National Bibliography** Arthur James Wells, 2009

Normativität in der Kommunikationswissenschaft Matthias Karmasin, Matthias Rath, Barbara Thomaß, 2013-08-23 Die Funktion von Medien für den Einzelnen und in der Gesellschaft sind immer auch mit normativen Vorannahmen und Erwartungen verbunden Leitbilder wie Partizipation oder pluralistische Vielfalt die pluralistische Medienordnungen prägen sind ebenso Orientierungspunkte für Medienpolitik oder Medienerziehung wie auch für die Forschung die sich dem Wirken von Medien in Rezeption und Gesellschaft widmet So lassen sich auch für die verschiedenen Teilgebiete der Kommunikationswissenschaft unterschiedliche normative Wertvorstellungen rekonstruieren Der Band will dieses normative Moment kommunikationswissenschaftlicher Forschung als Leistungsfähigkeit der Disziplin im Hinblick auf ihre gesellschaftliche Verantwortung beleuchten **Intermediate Microeconomics** Lester O. Bumas, 2015-03-04 This is the

first intermediate microeconomics textbook to offer both a theoretical and real world grounding in the subject Relying on simple algebraic equations and developed over years of classroom testing it covers factually oriented models in addition to the neoclassical paradigm and goes beyond theoretical analysis to consider practical realities **Social Science and Historical Perspectives** Jack David Eller,2016-10-04 This accessible book introduces the story of social science with coverage of history politics economics sociology psychology anthropology and geography Key questions include How and why did the social sciences originate and differentiate How are they related to older traditions that have defined Western civilization What is the unique perspective or way of knowing of each social science What are the challenges and alternatives to the social sciences as they stand in the twenty first century Eller explains the origin evolution methods and the main figures literature concepts and theories in each discipline The chapters also feature a range of contemporary examples with consideration given to how the disciplines address present day issues [Subject Guide to Books in Print](#) ,1993

Essentials of Economics Dr. Jamal Dawood Salman,2018-02-20 This textbook was developed to address some of the main topics in economic theory microeconomics and macroeconomics according to the graduation curriculum We have tried to clarify the theoretical concepts through equations and graphs supported by illustrative examples that enables students to understand the basic Economics concepts This textbook rests upon the idea that students must develop a fascination with both functioning of economy and power of Economics It addresses economics issues of the time This is a special edition of an established title and it can be widely used by Colleges and Universities It includes a number of innovative and interactive features designed to enhance student learning It has been written keeping several goals in mind accessibility customization and student engagement all while encouraging students towards high level of academic scholarship Instructors and students alike will find this textbook offers a strong foundation in Economics in an accessible format This book will help the students to understand the Economic concepts and will promote a lasting student interest in Economics and Economy **Feudal America** Vladimir Shlapentokh,Joshua Woods,2011 Uses a feudal model to analyze contemporary American society comparing its essential characteristics to those of medieval European societies Provided by publisher
