Exploring Macroeconomics, 6th Edition Robert L. Sexton, Colin C. Kovacs, Peter N. Fortura, 2023-01-27 Exploring Macroeconomics Sixth Canadian Edition offers students a lively approach designed to take the intimidation out of economics. With its short self-contained learning units and its carefully chosen pedagogy, graphs and photos, this text helps students master and retain the basic principles of economics. In addition, the current events focus and modular format of presenting information makes Exploring Macroeconomics a very student accessible and user friendly text. Robert Sexton's section-by-section approach is designed to encourage economic literacy and help students appreciate how economics impacts both business and daily life. Sexton helps students build a solid understanding of economic principles by engaging them from the outset and providing them with multiple points of practice.

The Investment Advisor Body of Knowledge + Test Bank IMCA, 2015-03-05 The complete body of knowledge for CIMA candidates and professionals. The 2015 Certified Investment Management Analyst Body of Knowledge Test Bank will help any financial advisor prepare for and pass the CIMA exam and includes key information and preparation for those preparing to take the test. CIMA professionals integrate a complex body of investment knowledge ethically contributing to prudent investment decisions by providing objective advice and guidance to individual and institutional investors. The CIMA certification program is the only credential designed specifically for financial professionals who want to attain a level of competency as an advanced investment consultant. Having the CIMA designation has led to more satisfied careers, better compensation and management of more assets for higher net worth clients than other advisors. The book is laid out based on the six domains covered on the exam: I Governance, II Fundamentals, statistics, finance, economics, III Portfolio Performance and Risk Measurements, IV Traditional and Alternative Investments, V Portfolio Theory and Behavioral Finance, VI Investment Consulting Process.

Principles of Macroeconomics Fred M. Gottheil, 1999 This text conveys the principles of microeconomics in a conversational style through a series of extended examples that students should relate and respond to. Students are discouraged from simply memorizing facts and are engaged in active learning. The book maintains a focus on presenting basic concepts in depth and developing the analysis step by step rather than covering hundreds of topics superficially.

Subject Guide to Books in Print, 1993 **Macroeconomics** Roger A. Arnold, 2001 Offering a unique blend of solid theoretical content and student accessibility, this text stands apart with its emphasis on intriguing applications that convey the prevalence of economics in everyday life. By applying economics to phenomena that students are familiar with and interested in, this book demonstrates like no other text how economic analysis can be applied to virtually anything of interest, thus helping students develop true economic intuition. Additional student-oriented features include a unique active learning format, an emphasis on developing economic analysis skills, and an outstanding visual program for exhibits and graphs. Content highlights include balanced presentation of major macro theories, a micro presentation that centers around the trilogy of objectives, constraints and choices, thorough integration of international topics.
