In *The Center Will Hold* Pemberton and Kinkead have compiled a major volume of essays on the signal issues of scholarship that have established the writing center field and that the field must successfully address in the coming decade The new century opens with new institutional demographic and financial challenges and writing centers in order to hold and extend their contribution to research teaching and service must continuously engage those challenges Appropriately the editors offer the work of Muriel Harris as a key pivot point in the emergence of writing centers as sites of pedagogy and research The volume develops themes that Harris first brought to the field and contributors here offer explicit recognition of the role that Harris has played in the development of writing center theory and practice But they also use her work as a springboard from which to provide reflective descriptive and predictive looks at the field      *Alpha Teach Yourself Grammar & Style in 24 Hours* Dr. Denis Hensley,Pamela Rice-Hahn,2000-05-09 Adults often begin writing and realized that they don t remember all the rules they learned in Mrs Peacock s 8th grade English class Most adults in the workplace today have purchased on at least one occasion a writing guide Grammar style punctuation sentence structure and irregular verbs are all elements of grammar and style that we often just don t know anymore And for anyone who has to communicate professionally whether a formal business presentation or a general improvement in their everyday conversational ability has gone to the bookstore to look for a grammar and style guide *Teach Yourself Grammar and Style in 24 Hours* is a straightforward guide to everything from basic nouns and verbs to expressing clear thought in writing Based on the proven *Teach Yourself* formula the authors will construct 24 1 hour lessons on grammar and style that build sequentially Since grammar and style work together readers can see how one chapter affects the next as they progress Best of all at 17 99 readers can purchase one all inclusive grammar and style book for more coverage and a better price      **Practicing Grammar and Usage** Muriel Harris,1997
