Anthony Charles Garland,2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author s conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides

The Ministry, Vol. 11, No. 07 Various Authors,2007-09-01 This issue of The Ministry contains a complete record of the eight messages given during the International Training for Elders and Responsible Ones in Anaheim California held March 30 April 1 2007 The general subject of the training was Shepherding the Church of God as a Slave of God which comes from Acts 20 28 where Paul charges the elders to shepherd the church of God which He obtained through His own blood This is also our charge Paul says that God purchased the church with His own blood and that we need to shepherd the church of God In verse 19 Paul said that he served the Lord as a slave with all humility and tears and trials This is the pattern that we should follow We need to shepherd the church of God as a slave of God serving the Lord with all humility in all trials and even with tears so that we could be dispensing stewards of the grace of God for the building up of the Body We also include a report concerning the 2007 European Young People s Conference held in Male Ciche Poland **KJV, Know The Word**
