Queensland Police Training Manual:

Police Education and Training in a Global Society Peter C. Kratcoski, Dilip K. Das, 2007-01-01 Police officers working in the 21st century must not only possess vast technical knowledge but also be able to respond with logic and reason when under pressure Producing a highly professional police officer requires the right combination of formal education and technical training Police Education and Training in a Global Society explores the similarities and differences in officer training around the world *Policing & Firearms* Clare Farmer, Richard Evans, 2022-10-31 Policing and firearms it is a crucial relationship Should police be routinely armed If so what restrictions should be imposed on the use of firearms Where police are not routinely armed there is still a need for specialist armed police how do these units operate and are they effective This ground breaking edited book explores the nexus between policing and firearms with a genuinely international focus Contributors from Ireland Germany the United Kingdom Brazil Mexico the United States Venezuela New Zealand Australia and Canada explore the issues from a range of perspectives including human rights militarization police legitimacy and the risks police firearms pose to the community and to police themselves This thought provoking collection is an indispensable resource for law enforcement policymakers and students of policing and criminal justice **K9 Cops** Nigel Allsopp, 2012-03-15 In this fascinating book Nigel Allsopp lifts the lid on the world of police dogs examining the vital roles they play both in Australia and around the world Despite the numerous high tech devices now available to law enforcement officials K9 s as they re known in the trade remain an indispensable part of police work in a range of fields notably terrorism and border protection K9s may sometimes be sent into difficult and dangerous situations but this is never done without care and concern for at the heart of their role is the intimate and symbiotic relationship between dog and handler **K9 Cops** explores the history training and current use of police dogs as well as considering what future dogs have in modern law enforcement It also includes an A Z of police canine units in 47 countries For all police and military personnel **K9 Cops** is an informative must read book For the rest of us it is an entertaining and heart warming account that dog lovers the world over will enjoy **Keeping the Peace Volume II** Laurie Pointing, 2014-11-20 Keeping the Peace Volume II like its predecessor is bound to become an important resource for social historians legal academics and indeed anyone interested in the evolution of police administration and law enforcement in Queensland It contains another wonderful collection of intensely personal stories providing rare insights into the sacrifices made by successive generations of Queensland police officers men and women who served the public with dedication courage and a strong sense of duty In the year of the sesquicentenary of the Queensland Police Service which was inaugurated on 1st January 1864 the book serves as a timely reminder of the contribution that police officers make to the peace of mind and welfare of ordinary citizens Author Laurie Pointing himself a former Assistant Commissioner of Police should be commended for bringing together the stories in both volumes of Keeping the Peace In this second collection Mr Pointing has also included a highly informative prologue bringing together little known

facts about famous Queenslanders such as Sister Elizabeth Kenny and her two police officer brothers the 1889 battle of Lawn Hill Station and the famous Warwick egg throwing incident which resulted in the formation of the Commonwealth Police now known as the AFP **Police Investigative Interviews and Interpreting** Sedat Mulayim,Miranda Lai,Caroline

Norma,2014-09-03 Police interviews with suspects and witnesses provide some of the most significant evidence in criminal investigations Frequently challenging they require special training and skills This interaction process is further complicated when the suspect or witness does not speak the same language as the interviewer A professional reference that can b

The Australian Librarian's Manual David J. Jones,1982 **Police Integrity Management in Australia** Louise Porter,Tim Prenzler,2012-04-06 In the past two decades Australia has been the site of major police misconduct scandals and inquiries leading to reform initiatives at the cutting edge of police integrity management practices Presenting interviews with key informants and an analysis of key documents Police Integrity Management in Australia Global Lessons for Combating Police *Conducting Contextual Research* Bernard Guerin,Eden Thain,Kristen Stevens,Adan C. Richards,Guilherme Bergo Leugi,2024-06-27 This innovative book proposes an entirely new approach to social research presenting practical ways to discover people s life contexts in order to understand why they do what they do which is essential for any forms of research that need to understand people Taking a novel approach that goes beyond traditional categorisations of qualitative and quantitative research the book starts by discussing the real basis of all research methods in social relationships before detailing the methods for finding out about a person s life contexts in very practical terms accompanied by suggested questions advice and research tricks to help you progress The various life contexts are then worked through chapter by chapter Drawing on the rich and varied research experiences of all the authors examples are given throughout with later chapters focusing on specific research areas Conducting Contextual Research is essential reading for postgraduate students and professionals in the fields of counselling psychology and social work and will be useful to anyone conducting research or inquiries to understand human behaviour including academic researchers detectives intelligence operators social workers government service researchers social policy analysts and biographers **Shooting to Kill** Simon Bronitt,Miriam Gani,Saskia Hufnagel,2012-11-05 The present book brings together perspectives from different disciplinary fields to examine the significant legal moral and political issues which arise in relation to the use of lethal force in both domestic and international law These issues have particular salience in the counter terrorism context following 9 11 which brought with it the spectre of shooting down hijacked airplanes and the use of force in Operation Kratos that led to the tragic shooting of Jean Charles de Menezes Concerns about the use of excessive force however are not confined to the terrorist situation The essays in this collection examine how the state sanctions the use of lethal force in varied ways through the doctrines of public and private self defence and the development of legislation and case law that excuses or justifies the use of lethal force in the course of executing an arrest preventing crime or disorder or protecting private property An important theme is how the

domestic and international legal orders intersect and continually influence one another While legal approaches to the use of lethal force share common features the context within which force is deployed varies greatly Key issues explored in this volume are the extent to which domestic and international law authorise pre emptive use of force and how necessity and reasonableness are legally constructed in this context The Long Blue Line W. Ross Johnston,1992 History published to commemorate 125 years of service Divided into four sections covering roughly 30 years each Describes the policies training service conditions equipment and prevailing social conditions of each era Includes endnotes and an index
