Queer Sinophone Cultures Routledge Contemporary China Series:

Queer Sinophone Cultures Howard Chiang, Ari Larissa Heinrich, 2013-11-26 The Sinophone framework emphasises the diversity of Chinese speaking communities and cultures and seeks to move beyond a binary model of China and the West. Indeed this strikingly resembles attempts within the queer studies movement to challenge the dimorphisms of sex and gender. Bringing together two areas of study that tend to be marginalised within their home disciplines, *Queer Sinophone Cultures* innovatively advances both Sinophone studies and queer studies. It not only examines film and literature from Mainland China but expands its scope to encompass the underrepresented Sinophone world at large in this case Taiwan, Hong Kong, Malaysia, Singapore and beyond. Further, where queer studies in the U.S., Europe and Australia often ignore non-Western cultural phenomena, this book focuses squarely on Sinophone queerness, providing fresh critical analyses of a range of topics from works by the famous director Tsai Ming Liang to the history of same sex soft core pornography made by the renowned Shaw Brothers Studios. By instigating a dialogue between Sinophone studies and queer studies, this book will have broad appeal to students and scholars of modern and contemporary China studies, particularly to those interested in film, literature, media and performance. It will also be of great interest to those interested in queer studies more broadly. **Queer**

Sinophone Studies Howard Chiang, Alvin K. Wong, 2020-04-13 This volume showcases a vibrant wave of scholarship that explores the intersection of queer theory and Sinophone studies, consolidating an interdisciplinary framework for furthering transnational research into non-conforming genders, sexualities and bodies. Engaging with contemporary debates and controversies, *Keywords in Queer Sinophone Studies* presents a definitive collection of original contributions which are both theoretically and empirically grounded and cross-disciplinary in nature. Individual chapters offer an in-depth study of new

empirical data and case studies covering keywords such as transpacific viscosity fandom postcoloniality ethnicity and activism Imagining new conversations across several fields including literature film communication ethnic studies anthropology history sociology and politics this book will appeal to students and scholars of Queer Studies and Asian culture literature and film as well as gender and sexuality *Routledge Handbook of Chinese Gender & Sexuality* Jamie J. Zhao, Hongwei Bao, 2024-04-09 This Handbook offers a rich survey of topics concerning historical modern and contemporary Chinese genders and sexualities Exploring gender and sexuality as key dimensions of China's modernisation and globalisation this Handbook effectively situates Chinese gender and sexuality in transnational and transcultural contexts It also spotlights nonnormative practices and emancipatory potentials within mainstream heterosexual dominated and patriarchally structured settings It serves as a definitive study research and resource guide for emerging gender and sexuality issues in the Chinese speaking world This Handbook covers interdisciplinary methodologies perspectives and topics including History Literature Art Fashion Migration Translation Sex and desire Film and television Digital media Star and fan cultures Fantasies and lives of women and LGBTQ groups Social movements Transnational feminist and queer politics Paying acute attention to nonnormative genders and sexualities and emphasising the intersectionality of gender sexuality nationality ethnicity and class this Handbook offers an essential field defining text to Chinese gender and sexuality studies Queer TV China Jamie J. Zhao, 2023-02-16 The 2010s have seen an explosion in popularity of Chinese television featuring same sex intimacies LGBTQ identified celebrities and explicitly homoerotic storylines even as state regulations on vulgar and immoral content grow more prominent This emerging queer TV China culture has generated diverse cyber and transcultural queer fan communities Yet these seemingly progressive televisual productions and practices are caught between multilayered sociocultural and political economic forces and interests Taking queer as a verb an adjective and a noun this volume counters the Western centric conception of homosexuality as the only way to understand nonnormative identities and same sex desire in the Chinese and Sinophone worlds It proposes an analytical framework of queer ing TV China to explore the power of various TV genres and narratives censorial practices and fandoms in queer desire voicing and subject formation within a largely heteropatriarchal society Through examining nine cases contesting the ideals of gender sexuality Chineseness and TV production and consumption the book also reveals the generative negotiative ways in which queerness works productively within and against mainstream seemingly heterosexual oriented televisual industries and fan spaces This cornucopia of fresh and original essays opens our eyes to the burgeoning queer television culture thriving beneath official media crackdowns in China As diverse as the phenomenon it analyses Queer TV China is the spark that will ignite a prairie fire of future scholarship Chris Berry Professor of Film Studies King's College London This timely volume explores the various possibilities and nuances of queerness in Chinese TV and fannish culture Challenging the dichotomy of positive and negative representations of gender and sexual minorities Queer TV China argues for a multilayered and queer informed understanding

of the production consumption censorship and recreation of Chinese television today Geng Song Associate Professor and Director of Translation Program University of Hong Kong

Routledge Handbook of Sexuality Studies in East Asia Mark McLelland, Vera Mackie, 2014-09-15 This collection brings together cutting edge work by established and emerging scholars focusing on key societies in the East Asian region China Taiwan Hong Kong Japan North and South Korea Mongolia and Vietnam This scope enables the collection to reflect on the nature of the transformations in constructions of sexuality in highly developed developing and emerging societies and economies Both Japan and China have established traditions of sexuality studies reflecting longstanding indigenous understandings of sex as well as more recent developments which interface with Euro American medical and psychological understandings Authors reflect upon the complex colonial and economic interactions and cultural flows which have affected the East Asian region over the last two centuries They trace local flows of ideas instead of defaulting to Euro American paradigms for sexuality studies Through looking at regional and global exchanges of ideas about sexuality this volume adds considerably to our understanding of the East Asian region and contributes to wider discussions of social transformation modernisation and globalisation It will be essential reading in undergraduate and graduate programs in sexuality studies gender studies women s studies and masculinity studies as well as in anthropology sociology history cultural studies area studies and health sciences

Contemporary Chinese Queer Performance Hongwei Bao, 2022-08-19 In this ground breaking study Hongwei Bao analyses queer theatre and performance in contemporary China This book documents various forms of queer performance including music film theatre and political activism in the first two decades of the twenty first century In doing so Bao argues for the importance of performance for queer identity and community formation This trailblazing work uses queer performance as an analytical lens to challenge heteronormative modes of social relations and hegemonic narratives of historiography It will be of great interest to students and scholars of theatre and performance studies gender and sexuality studies and Asian studies

Contemporary Queer Chinese Art Hongwei Bao, Diyi Mergenthaler, Jamie J. Zhao, 2023-06-15 Contemporary Queer Chinese Art is the first English language academic book that explores the intersections of queer culture and contemporary Chinese art from the mid 1980s to the present This book brings together 15 internationally renowned artists activists curators and scholars to explore heterogeneous expressions of Chineseness and queerness in contemporary art from China and Chinese diasporas in Asia Europe and North America Examining contemporary visual art performance and activism this book offers a rich archive of queer Chinese artistic expressions It provides valuable insights into the status quo and intersectional struggles of Chinese artists who identify themselves as queer and who have associated their work with queer positionalities and perspectives By sharing personal experiences art expressions and critical insights about what it means to be queer and Chinese in a transnational context the book reveals multiple forms and potentialities of queer politics in the domains of art and activism
