Preppers Guide Caches Bury Stash:

The Prepper's Guide to Caches Joe Nobody,T. Pike,2018-03-11 There are a variety of circumstances where creating a cache is a wise preparation Natural and man made disasters abound in our headlines many of which can completely destroy valuable preps in a matter of seconds With proper techniques equipment and methods practically any type of critical supplies can be safely stored in a manner that is nearly impervious to the elements The largest single threat to any cache however is being discovered by other people This guide will provide the reader with several methods including disguise diversion and technology to defeat even the most sophisticated metal detectors theft or illegal seizure Widely acclaimed author Joe Nobody known for his fictional works as well as highly regarded survival and preparation guides is joined by T Pike USMC During his two deployments in Afghanistan Pike s job with the Marines included searching for enemy caches He found a lot of them denying his foe important weapons ammunition and supplies He also developed a unique level of expertise and experience that can now be leveraged by anyone who wishes to keep their personal assets out of harm s way **Up To Speed A**

Preppers Guide Galen Fries,2024-05-17 No scare tactics here We all know bad things can happen and don t need to be scared into wanting to protect our loved ones Up to Speed A Prepper s Guide is just a discussion about what steps and in what order to take them in order to be ready for disasters manmade or otherwise It s good information with some humor thrown in for flavor The book has been carefully broken up into levels of importance It begins by addressing a survival mindset It then goes on to discuss ways we can set ourselves up for success when it comes to reuniting with loved ones having a home to come home to and finally what we should consider as we step out of our homes in order to keep our families safe Up to Speed tries to take the daunting task of protecting what is truly important to us and break it down into small manageable pieces This is not a survivalist book This is just a discussion and shouldn t be considered the end all in preppers manuals In it you will find references to many other books that will supplement your preparedness library **Prepper's Financial Guide** Jim Cobb,2015-03-17 Learn how to safeguard your financial resources and your family before during and after cataclysmic events You re prepared for hurricanes tornadoes blizzards earthquakes and other natural disasters but are you ready for the inevitable man made disasters to come This book teaches you the other half of disaster planning how to survive the economic turmoil that hits regions and nations after the storm has passed Prepper s Financial Guide will teach you how to Become self sufficient Purchase precious metals Safeguard your valuable possessions Invest in foreign and alternate currencies Barter and trade for needed supplies Build an off grid marketplace Reduce debt so you can save for the future And much more **The Disaster Survival Handbook** Sam Fury,2016-04-26 Do You Know How to Survive a Disaster If the answer is NO then The Disaster Survival Handbook is a MUST HAVE This is a no nonsense reference book on how to stay alive during man made and natural disasters It will also teach you the basics of prepping so you can survive the aftermath Prepare yourself with the knowledge you need because you never know when disaster will strike Get it now Knowledge is
