Janet Warren, 2021-01-19 The Covid 19 pandemic provoked many questions It is human nature to want to know how and why things happen The sovereign God has created a beautiful intricate world in which multiple factors interact to cause an event We are called to properly understand creation but often fail because we tend to be lazy fearful and self-serving We make judgments based on often incorrect assumptions about cause and effect relations and we seek reassuring explanations for both trivial and serious events Christians have the added complication of figuring out God's role in making things happen All Things Wise and Wonderful examines what the Bible and Christian theology say about cause and effect how science views causation in the world and how human mind brains judge causation Using illustrations from everyday life it offers guidance for Christians to think and act wisely with respect to how and why things happen in creation **The Burden Is Light** Jon Tyson, 2018-03-13 A NYC pastor and global influencer inspires readers to find their most meaningful and purposeful life Surprising to many this life is not measured by success comparison or accolades Rather free and joyful living stems from a God centered celebration of our union with Christ and the lives of those around us Jon Tyson's exploration of the reverse economy of the kingdom frees his readers from merit based living not just in terms of salvation but daily earthly value Life is not meant to be a series of competitions or a survival of the fittest rat race Yet so many of the messages around us so many of the voices bombarding our hearts and minds tie up our value and package it with our accolades This book gives another way forward It shows readers how to value their individual lives based on what God says
