President Ronald Reagan stands as a litmus test for party loyalty To the conservative right Reagan is the Great Communicator a venerated icon of independent American spirit who restored national pride and power To those on the left he is an amiable dunce who distracted voters with anecdotes while dismantling the government to serve corporate interests But as Michael Schaller reveals in his eye opening biography both extremes fall short of capturing the true essence of this captivating and contradictory man This succinct eloquent narrative reveals the dramatic force of the man behind the image Schaller provides a poignant account of Reagan s struggles and achievements from his small town upbringing in rural Illinois the son of an itinerant alcoholic to his cinematic success in Hollywood entry into California politics and meteoric rise to the White House Following the path of his life Schaller illuminates Reagan s appeal to Americans of all regions and backgrounds highlights his momentous impact on American politics and describes his determination once in power to live up to his firm

long established beliefs and ideals A fast paced compact narrative filled with fascinating and often surprising details Ronald Reagan sheds light on Reagan s real accomplishments at home and abroad and what they mean for America today **Miami Vice** James Lyons,2009-12-15 Miami Vice captures the glitter and glamour embodied by Crockett and Tubbs and offers students an anatomy of a ground breaking work in the police procedural genre Explores Miami Vice s combination of disparate influences MTV film noir soap opera high concept action films as well as the social cultural and industrial moments when it burst onto the network Introduces readers to major components of televisual analysis style storytelling the television show as commodity and ideological critique that illustrate the show s unique features Provides a model for students own assessment of other shows and confirms precisely how and on what terms Miami Vice redefined the police drama and an era

The Battle for Augusta National Alan Shipnuck,2008-06-17 An unprecedented look behind the scenes at one of the most intriguing controversies in golf history when a fascinating clash of values tactics and political power comes to a head during a fight over Augusta National The controversy began with a seemingly innocuous private letter and spiraled into the biggest media event in golf history The Augusta National membership dispute dominated headlines and watercooler conversation for nearly a year propelled by twenty first century hot button issues and a pair of perfectly drawn foils in Hootie Johnson and Martha Burk But a year after Burk s messy Masters week protest the meaning of the membership controversy remains elusive Alan Shipnuck who reinvented the PGA Tour narrative with the rollicking Bud Sweat reveals Augusta National s secret plots to undermine the press and the accompanying turmoil at The New York Times including an exclusive interview with the Times s disgraced executive editor Howell Raines and explores the Southern politics that led to Burk s Masters week banishment drawing on Senate confirmation hearings and campaign contribution documents to link local politicians and a federal judge to Augusta National From Tiger Woods to Jack Welch Sandra Day O Connor to Bryant Gumbel Treasury Secretary Snow to Jesse Jackson the gang s all here in this withering look at a story that never stopped churning **A Companion to Lyndon B. Johnson** Mitchell B. Lerner,2012-02-13 This companion offers an overview of Lyndon B Johnson s life presidency and legacy as well as a detailed look at the central arguments and scholarly debates from his term in office Explores the legacy of Johnson and the historical significance of his years as president Covers the full range of topics from the social and civil rights reforms of the Great Society to the increased American involvement in Vietnam Incorporates the dramatic new evidence that has come to light through the release of around 8 000 phone conversations and meetings that Johnson secretly recorded as President Historical Dictionary of the Nixon-Ford Era Mitchell K. Hall,2008-02-22 The presidential administrations of Richard Nixon and Gerald Ford encompassed some of the most turbulent and significant years of the 20th century Nixon was elected near the end of a decade characterized by struggles for civil rights years of war in Vietnam and widespread cultural rebellion Although he promised during his campaign to bring the country together Nixon s administration was more confrontational than compromising and ultimately deepened national divisions Gerald Ford worked

to restore integrity to the White House but never fully established a program separate from his predecessor His pardon of Nixon and the 1975 fall of South Vietnam kept him linked to the past rather than establishing the beginning of a new era The Nixon Ford Era witnessed one of the most controversial presidential eras yet despite all of the turmoil progress was made The Vietnam War eventually wound down the Cold War went through a phase of détente relations were established with China civil rights progressed the situation of African Americans and Native Americans improved and Women's Liberation altered the status of half of the population The Historical Dictionary of the Nixon Ford Era relates these events and provides extensive political economic and social background on this era through a detailed chronology an introduction appendixes a bibliography and several hundred cross referenced dictionary entries on important persons events institutions policies and issues

Present Tense Michael Schaller, Robert D.
