Pygmalion Bernard Shaw, 2005 This Prestwick House Literary Touchstone Edition includes a glossary and reader's notes to help the modern reader appreciate Shaw's wit and cynicism. In this delightful romance about the man too self-centered to fall in love and the woman too unsure of herself to want more out of life than the little she already has, George Bernard Shaw shakes the dust off the Cinderella story and tells it as only he can. Eliza Doolittle, the Cockney flower girl who wants to work in a flower shop, and Henry Higgins, the phoneticist who turns her into a princess, are no mythological knight and maiden. Instead, even today, they resound with sharp humor and cutting dialogue. Originally published in 1914, *Pygmalion* invites readers and audience members to examine the roots of social prejudice and the true value of a human being while also involving them in the improbable lives of Shaw's one-dimensional yet endearing characters. **Poetry: Cooperative**

Learning Unit, The Tempest - Literary Touchstone Edition William Shakespeare, 2006 The *Tempest*, Shakespeare's final and most magical play, is filled with suspense, comedy, love, mystery, and revenge. Before the play begins, Prospero, former Duke of Milan, has been exiled from his country for practicing magic and lives on a deserted island with his daughter, Miranda. This isolation has given him the opportunity to become a powerful sorcerer, and when his enemies' ship nears his island, Prospero conjures his most forceful spell yet. He chants a conjurer's spell, the sky darkens, and *The Tempest* begins. The fierce storm is underway, and the crew fears for their lives as they try to stay afloat. In the blink of an eye, they are shipwrecked on a seemingly deserted island. Wandering blindly around this strange land, they encounter a savagely deformed slave, sprites, and fairies, and even unexpected romance. Unbeknownst to the shipwrecked victims, however, the secret of the island will change their lives forever. To make *The Tempest* more accessible to the modern reader, our Prestwick House Literary Touchstone Classic includes convenient sidebar notes, a glossary of difficult terms, and a list of vocabulary words. In doing this, it is our intention that the reader will enjoy the beauty of Shakespeare's verse, the wisdom of his insights, and the impact of the drama.

for children enjoyable for its fun and whimsy Through the years though the book has grown to become one of the most popular novels in literature both for children and adults Deeper than mere fantasy Alice is a text rich in symbolism satire and thematic levels of meaning The rigid and often nonsensical society filled with odd situations incomprehensible rules and unforgettable characters that Carroll allows us to enter is one that readers will fondly remember for the rest of their lives
