Priests For The Third Millennium:

Priests for the Third Millennium Timothy M. Dolan, 2009-09 Priesthood begins with God's invitation but it develops out of man's response. What does it take to respond enthusiastically, wholeheartedly and faithfully to the call to serve? In this attempt to answer these questions, the author clearly sets forth what it takes to be a Catholic priest in the third millennium. Whether he is stressing the necessity of regular Confession, the need to celebrate daily Mass, say the Liturgy of the Hours or discussing priestly celibacy in frank realistic terms, he emphasizes true priestly identity by presenting a life worth living, a life worth sharing, a life worth offering up to the Father through Christ and in the Holy Spirit. Because it is pastoral, practical and thoroughly Catholic, this book will renew the joy of being Catholic in the hearts of seminarians, priests and the people they serve.
