Adams, 2019-09-15 Bruce F Adams examines how Russia s Main Prison Administration was created the number of prisoners it managed in what types of prisons and what it accomplished While providing a thorough account of prison management at a crucial time in Russia s history Adams explores broader discussions of reform within Russia s government and society especially after the Revolution of 1905 when arguments on such topics as parole and probation boiled in the arena of raucous public debate **An American Family** S. Frederick Starr, 2023-02-10 *An American Family Four Centuries Two Continents* By S Frederick Starr This book recounts the history of an American family that was formed in the 1930s by the marriage of seeming opposites from the two sides of the ethnic divide that separated descendants of earlier Anglo Saxon and German settlers from the millions of newcomers from Central Europe and Italy who arrived after 1900 Its immediate geographical focus is the American Midwest the areas surrounding Cleveland and Cincinnati Ohio Its deeper geography extends to Maryland s Eastern Shore Lancastershire and Cumbria in northern England and Southampton on England s south coast to the Rhineland Palatinate region of Germany to St Petersburg in Russia and to Austria Budapest and the distant eastern lands of Hungary Religiously it embraces Catholics Jews The Church of England Quakers Methodists and Unitarians And with respect to professions it includes farmers home makers preachers artists shop keepers photographers lawyers educators housemaids judges scholars and businessmen Finally this is a book about change One of the families involved changed its religion three times and the other changed its name three times Yet there are also continuities aplenty and most notably in
