Nicky Testaforte's **Black Book of 50 Original Dark Drama and Comedy Scenes for Actors** Nicky

Testaforte, 2015-03-10 A collection of 50 original Drama and Comedy scenes derived from Television and Feature Film screenplays written by Author and Screenwriter Nicky Testaforte *The Secret Files: Bill DeBlasio, The NYPD, and the Broken Promises of Police Reform* Micheal Hayes, 2025-05-13 An unprecedented breakdown of the NYPD's powerful network of police unions, pro police lawyers and top brass who work relentlessly to shield police officers from any real accountability For readers of long form hard hitting journalistic exposés like *We Own This City* a compelling look at how we do and don't hold police responsible in America by an award winning progressive reporter covering the NYPD police beat In 2018 reporter Michael Hayes uncovered a major story about how the NYPD was not only turning a blind eye to police misconduct but also allowing hundreds of officers with severe misconduct charges to remain on the force In the aftermath of that story then Mayor Bill de Blasio attempted to reform the department only to abandon his plans While de Blasio may have suffered a political setback it's New Yorkers who are the true victims of this failure to deliver accountability and transparency The state has a law that specifically prevents the public from learning about concealed police records New Yorkers are increasingly distrustful of the police after witnessing their loved ones being targeted, brutalized and murdered with near impunity Hayes takes readers inside decades of police corruption and controversial laws chronicling the stories of the families and activists who have had enough He makes a compelling case for the limits of reform in the aftermath of the major Black Lives Matter rallies following the murder of George Floyd and growing calls to defund the police **Truth**, 1905 **Health and Safety** Emily Witt, 2024-09-17 WINNER OF THE LOS ANGELES TIMES CHRISTOPHER ISHERWOOD PRIZE A NOTABLE BOOK OF THE YEAR TIME NEW YORKER PITCHFORK LITHUB AND NEW YORK TIMES BOOK REVIEW From the New Yorker staff writer and acclaimed author of *Future Sex* comes a memoir about drugs, techno and New York City The first great book about what it was like to live through the Trump presidency Emily Gould *The Cut* In the summer of 2016 a divisive presidential election was underway and a new breed of right wing rage was on the rise Emily Witt who would soon publish her first book on sex in the digital age had recently quit antidepressants for a more expansive world of psychedelic experimentation From her apartment in Brooklyn she began to catch glimpses of the clandestine nightlife scene thrumming around her In *Health and Safety* Witt charts her immersion into New York City's dance music underground She would come to lead a double life By day she worked as a journalist covering gun violence, climate catastrophes and the rallies of right wing militias And by night she pushed the limits of consciousness in hollowed out office spaces and warehouses to music that sounded like the future But no counterculture no matter how utopian could stave off the squalor of American politics and the cataclysm of 2020 Affectionate yet never sentimental *Health and Safety* is a lament for a broken relationship, for a changed nightlife scene and for New York City just before the fall Sparing no one, least of all herself Witt offers her life as a lens into an era of American
