Quest For The Killers:

Quest for the Killers GOODFIELD,2013-06-29 The five stories in this book are tales about human beings and the human condition in which they find themselves They are stories of scientists but not of white coated laboratory figures happy to leave to others the practical application of their discoveries In the circumstances I recount the scientists were brought face to face sometimes in dramatic confrontations with the very people whose problems their work might help solve As I came to realize there now exists an international network of unusual scientists whose members are concerned individuals determined that their scientific work should help alleviate the human condition This book was conceived as an account of some exciting episodes in contemporary biomedicine But during the four years it took to complete several other themes emerged First each story illustrates aspects of the relation between Western science and technology and those major health problems which are often of dreadful significance for the Third World In this relation the fruits of Western research are not simply applied to global health problems Rather the relation is reciprocal for scientific research whether prompted by the medical problems of the Third World or actually conducted there is yielding vital clues to many fundamental aspects of human biology as well as pointing toward possible therapies for the serious diseases of Western society such as cancer or the dementia of old age After I had written the first draft a second theme emerged Quest for the Sundered Crown Matthew

Olney,2020-08-04 Danon's army sweeps across the Kingdom of Delfinnia and Luxon the only one capable of stopping the annihilation of the realm embarks on a desperate quest to cure himself of the deadly Void Sickness that threatens his life To find the cure Luxon must travel through the Magic Gates and find the Waters of Magic but in doing so he will be sent to new worlds and even through time There he will uncover the shocking truth about Danon and another he calls friend and mentor Elsewhere dragons ravage the eastern lands spurring Kaiden to reform the Knights of Niveren and in the south the King's Legion led by the usurper Ricard makes a desperate stand against Danon's hordes As the world turns ever darker one hope remains The legendary sacred sword Asphodel remains hidden The Quest is on to claim the blade and perhaps push back the evil threatening creation itself The Quest for the Nazi Personality Eric A. Zillmer,Molly Harrower,Barry A. Ritzler,Robert

P. Archer,2013-10-31 Half a century after the collapse of the Nazi regime and the Third Reich scholars from a range of fields continue to examine the causes of Nazi Germany An increasing number of young Americans are attempting to understand the circumstances that led to the rise of the Nazi party and the subsequent Holocaust as well as the implication such events may have for today as the world faces a resurgence of neo Nazism ethnic warfare and genocide In the months following World War II extensive psychiatric and psychological testing was performed on over 200 Nazis in an effort to understand the key personalities of the Third Reich and of those individuals who just followed orders In addressing these issues the current volume examines the strange history of over 200 Rorschach Inkblot protocols that were administered to Nazi war criminals and answers such questions as Why the long delay in publishing protocols What caused such jealousies among the principals

How should the protocols be interpreted Were the Nazis monsters or ordinary human beings This text delivers a definitive and comprehensive study of the psychological functioning of Nazi war criminals both the elite and the rank and file In order to apply a fresh perspective to understanding the causes that created such antisocial behavior these analyses lead to a discussion within the context of previous work done in social and clinical psychology Subjects discussed include the authoritarian personality altruism obedience to authority diffusion of responsibility and moral indifference The implications for current political events are also examined as Neo Nazism anti Semitism and ethnic hate are once again on the rise While the book does contain some technical material relating to the psychological interpretations it is intended to be a scholarly presentation written in a narrative style No prior knowledge of psychological testing is necessary but it should be of great benefit for those interested in the Rorschach Inkblot test or with a special interest in psychological testing personality assessment and the history of psychology It is also intended for readers with a broad interest in Nazi Germany

The Quest for the Christ Child in the Later Middle Ages Mary Dzon, 2017-03-09 Beginning in the twelfth century clergy and laity alike started wondering with intensity about the historical and developmental details of Jesus early life Was the Christ Child like other children whose characteristics and capabilities depended on their age Was he sweet and tender or formidable and powerful Not finding sufficient information in the Gospels which are almost completely silent about Jesus childhood medieval Christians turned to centuries old apocryphal texts for answers In *The Quest for the Christ Child in the Later Middle Ages* Mary Dzon demonstrates how these apocryphal legends fostered a vibrant and creative medieval piety Popular tales about the Christ Child entertained the laity and at the same time were reviled by some members of the intellectual elite of the church In either case such legends so persistent left their mark on theological devotional and literary texts The Cistercian abbot Aelred of Rievaulx urged his monastic readers to imitate the Christ Child s development through spiritual growth Francis of Assisi encouraged his followers to emulate the Christ Child s poverty and rusticity Thomas Aquinas for his part believed that apocryphal stories about the Christ Child would encourage youths to be presumptuous while Birgitta of Sweden provided pious alternatives in her many Marian revelations Through close readings of such writings Dzon explores the continued transmission and appeal of apocryphal legends throughout the Middle Ages and demonstrates the significant impact that the Christ Child had in shaping the medieval religious imagination

In Quest of the Rainbow S K Bose, 2018-05-15 The year is 1813 From the turbulence of Europe ravaged by Napoleon s rampaging armies to the seething cauldron of India comes a lad Joseph McLeod twenty years of age newly recruited in the East India Company s Bengal Army While still in London he comes across an exotically beautiful girl Isabella Hamilton the scion of a well known aristocratic family and is attracted to her Later two attempts are made on her life in one of which her parents are fatally wounded On his deathbed her father reveals a shocking secret from Isabella s past concerning her parentage and a valuable estate in India Later while rummaging through the attic of her house among her childhood bric a brac she comes across an ivory piece with

a silver chain which she takes to be an amulet But is it really an amulet Or is it some device that is beyond the conception of western science a thing so devastatingly powerful that it boggles the mind Who are the people after her life And why do they want her dead The answers to these questions could only be found in India And on those answers and their subsequent follow up depends her future fortune and her life The Quest for the Historical Satan Miguel A. De La Torre, Albert Hernández, For centuries the figure of Satan has incarnated absolute evil Existing alongside more intellectualist interpretations of evil Satan has figured largely in Christian practices devotions popular notions of the afterlife and fears of retribution in the beyond Satan remains an influential reality today in many Christian traditions and in popular culture But how should Satan be understood today The Quest for the Historical Satan excavates cultural historical religious and morally constructed productions of evil within Christianity from myth and legend to the complex ways people conjure the embodiment of evil and harm De La Torre and Hernández are engaging sleuths as they carefully examine Satan's conception and his presence in modernity and through the ages They wrestle with the spiritual notions of Good and Evil and justice and injustice Cheryl A Kirk Duggan Professor of Theology and Women's Studies Shaw University Divinity School *Quest of the Spider: A Doc Savage Adventure* Lester Bernard Dent, 2022-08-16 In *Quest of the Spider* A Doc Savage Adventure Lester Bernard Dent crafts an exhilarating narrative that embodies the spirit of pulp fiction and adventure literature of the early 20th century Set in the enigmatic world of Doc Savage the celebrated archetype of the heroic adventurer this novel weaves a tale of danger intrigue and daring escapades Dent's punchy prose marked by vivid imagery and rapid pacing engages readers as the protagonist navigates a web of sinister plots and formidable foes demonstrating Dent's mastery of suspense and character development in a backdrop teeming with action and technological marvels characteristic of the period Lester Bernard Dent an influential figure in the pulp genre created the Doc Savage series in the midst of the Great Depression channeling his own fascination with scientific innovation and heroism into his work Dent's experiences as a writer shaped by his diverse career paths including journalism and broadcasting infused his stories with a unique blend of realism adventure and imagination His deep understanding of American culture and the era's anxieties is evident throughout making this narrative not just a thrilling ride but a reflection of contemporary societal issues *Quest of the Spider* is essential reading for enthusiasts of high octane adventure and fans of the Doc Savage series Its rich tapestry of action and ethical dilemma stands as a precursor to modern superhero narratives offering both escapism and insight Readers seeking an engaging historical lens on heroism and adventure will find Dent's work both a captivating escapade and a testament to the era's literary innovation *Otto Rahn and the Quest for the Grail* Otto Rahn, 2010-04-20 Who was the amazing Otto Rahn How come if Rahn was such an amazing man has hardly anyone outside specialist pre WW2 history circles ever heard of him But is he really such an unknown The story lines of *Raiders of the Lost Ark* to *Indiana Jones* and the *Last Crusade* mirror Rahn's incredible adventures in the South of France in the early 1930s The Next Quest for the Historical Jesus James Crossley, Chris Keith, 2024-11-05 A diverse

In Quest of the White Mandan
Cash, 2013-05-16 In Quest of the White Mandan is about the white people who became integrated into the native Indian band of North Dakota Mandans In the Seventeen hundreds the French Canadian explorer La Veranday with his sons found a Indian tribe with fair skinned people blue eyes blonde and red haired living in what was later to become North Dakota Many years later Lewis and Clark found these fair skinned people with the Mandans as they made their trip to the Pacific I learned about these people who must of come from Europe hundreds of years earlier How did these people make their way into the center of North America Some speculate that they were Welsh people who came up the Mississippi River In Newfoundland

Canada the dwellings built by the Vikings at Lance Meadows and the house built by the Mandans are exact replicas of each other The waters of Hudson Bay flow into it from waters that lead into Lake Winnipeg after a land bridge is crossed The Red River of North Dakota flows directly into Lake Winnipeg Many Viking remains and artefacts have been found in Minnesota and Wisconsin If the Vikings who settled in Lance Meadows found their way north into Hudson Bay losing their boats to ice could easily happen The only way out of this desolate place is south into the interior of North America In Quest of the White Mandans Book One is my version of how these people came to be the White Mandans I have brought them to the shores of lake Winnipeg in book one God willing I will take them further to their final home on the Missouri River in North Dakota in Book Two
