Questions Jurisdiction Admissibility International Lauterpacht:

Questions of Jurisdiction and Admissibility before International Courts Yuval Shany, 2016 Offers a new understanding of traditional rules on jurisdiction and admissibility of cases before international courts and tribunals **International Law Reports** E. Lauterpacht, 1963 *International Law Reports* is the only publication in the world wholly devoted to the regular and systematic reporting in English of courts and arbitrators as well as judgements of national courts *International Investment Law and Arbitration* C. L. Lim, Jean Ho, Martins Paparinskis, 2021-03-11 International investment law and arbitration is a rapidly evolving field and can be difficult for students to acquire a firm understanding of given the considerable number of published awards and legal writings The first edition of this text cited by courts in Singapore and Colombia overcame this challenge by interweaving extracts from these arbitral decisions treaties and scholarly works with concise up to date and reliable commentary Now fully updated and with a new chapter on arbitrators the second edition retains this practical structure along with the carefully curated end of chapter questions and readings The authors consider the new chapter an essential revision to the text and a discussion which is indispensable to understanding the present calls for reform of investment arbitration The coverage of the book has also been expanded with the inclusion of over sixty new awards and judicial decisions comprising both recent and well established jurisprudence This textbook will appeal to graduates studying international investment law and international arbitration as well as being of interest to practitioners in this area *Research Handbook on the International Court of Justice* Achilles Skordas, Lisa Mardikian, 2025-03-12 This Research Handbook presents an in depth examination of the International Court of Justice ICJ and its jurisprudence Contributing authors dissect the global governance functions of the ICJ and its impact on national legal orders worldwide

International Law Reports: Volume 80 E. Lauterpacht, 1986-06 **International Law** Hersch Lauterpacht, 2004

International Law Reports: Volume 2 John Fischer Williams, H. Lauterpacht, 1986-06 *International Law Reports: Volume 22* H. Lauterpacht, 1986-06 Shaping EU Law the British Way Graham Butler, Adam Lazowski, 2022-11-17 In this book leading scholars of EU law judges and practitioners unpack the judicial reasoning offered by the UK Advocates General in over forty cases at the Court of Justice which have influenced the shape of EU law The authors place the Opinions in the wider context of the EU legal order and mix praise with critique in order to determine the true contribution of the UK Advocates General before hearing the concluding reflections by the UK Advocates General themselves The role of Advocates General at the Court of Justice of the European Union remains notoriously under researched With a few notable exceptions not much ink has been spilled on analysing their contribution to the judicial discourse that emerges from the Court's Palais in Luxembourg More generally their impact on the shaping of EU law is only sporadically explored This book fills the lacunae by offering an in depth analysis of the way in which the UK Advocates General contributed to development of EU law during 47 years of the UK's membership of the EU During their terms of office Advocates General Jean Pierre Warner 1973 1981

Gordon Slynn 1981 1988 Francis Jacobs 1988 2006 and Eleanor Sharpston 2006 2020 delivered over 1400 Opinions This staggering contribution of the four individuals and their cabinets of legal secretaries was supplemented by an Opinion of a then Judge of the Court of First Instance David Edward who was called to act as an Advocate General in two joined cases in what is now the General Court With the last UK Advocate General departing from the Court of Justice in September 2020 an important era has ended With this watershed moment it is apt to take a look back and critically analyse the contribution to development of EU law made by the UK Advocates General and to elucidate the lasting impact they have had on the nature of EU law

International Law Reports Elihu Lauterpacht, C. J. Greenwood, A. G. Oppenheimer, 2008-02-11 The International Law Reports is the only publication in the world wholly devoted to the regular and systematic reporting in English of decisions of international courts and arbitrators as well as judgments of national courts Volume 130 reports on amongst others the Eritrea Ethiopia Boundary Commission's 2002 Decision on Delimitation and 2006 Statement on Demarcation
