Serafina67 Urgently Requires Life:

*Serafina67 *urgently Requires Life** Susanna Mary Day, Susie Day, 2008 Serafina doesn't have a best friend and her parents fight all the time. After her guilt-ridden father gives her a shiny new laptop, she creates a new identity: serafina67, a blogging addict. This hilarious online adventure offers a fresh new take on writing a novel told as a blog. [serafina67 *urgently requires life*](#) Susie Day, 2010-06-01. This hilarious debut is now available in paperback. Serafina doesn't have a boyfriend, doesn't have a best friend, and her parents fight all the time. But she does have a shiny new laptop, a present from her guilt-ridden and therefore overly generous dad. And with the shiny new laptop comes a shiny new identity: serafina67, a blogging and kissing addict. But in a year when the secrets turn serious and friends and parents might not be what they seem, is spilling your whole life on the Internet such a bright idea? It might just lead to tears. **Flappers 2 Rappers** Tom Dalzell, 2012-03-07. Entertaining, highly readable book pulses with the vernacular of young Americans from the end of the 19th century to the present. Alphabetical listings for each decade plus fascinating sidebars about language and culture. **Teaching Children's Literature** Christine H. Leland, Mitzi Lewison, Jerome C. Harste, 2017-11-03. Inviting multiple ways of critically engaging with literature, this text offers a fresh perspective on how to integrate children's literature into and across the curriculum in effective, purposeful ways. Structured around three mantras that build on each other: Enjoy, Dig deeply, Take action, the book is rich with real examples of teachers implementing critical pedagogy. The materials and practical strategies focus on issues that impact children's lives: building from students' personal experiences and cultural knowledge to using language to question the everyday world, analyze popular culture and media, understand how power relationships are socially constructed, and consider actions that can be taken to promote social justice. Written for teachers and teacher educators, each chapter opens with three elements that are closely linked: classroom vignettes showcasing the use of literature and inviting conversation, three key principles elaborating the main theme of the chapter and connecting theory with practice, and related research on the topics and their importance for curriculum. Other chapter features include key issues in implementation, suggestions for working with linguistically and culturally diverse students, alternative approaches to assessment, and suggestions for further reading. A companion website to enrich and extend the text includes an annotated bibliography of literature selections, suggested text sets, resources by chapter, and ideas for professional development. **Changes in the Second Edition:** Voices from the Field vignettes include examples from inspiring educators who use trade books to promote critical thinking and diversity. Updated chapters include information on new technology and electronic resources. New references in the principles sections and new resources for further study. New children's books added throughout the chapters as well as to the companion website.

Technology and Identity in Young Adult Fiction V. Flanagan, 2014-12-16. Technology and Identity in Young Adult Fiction is not a historical study or a survey of narrative plots but takes a more conceptual approach that engages with the

central ideas of posthumanism the fragmented nature of posthuman identity the concept of agency as distributed and collective and the role of embodiment in understandings of selfhood **Big Woo!** Susie Day,2008 Laugh out loud funny stunningly authentic and totally original this is the online story of serafina67 s so called life Writing in her daily blog serafina s deliciously sarky voice and hilarious spot on observations about her everyteen problems make her a character to remember and drag the spirit of Adrian Mole kicking and screaming into the 21st century Gender(ed) Identities Tricia Clasen,Holly Hassel,2016-08-25 This volume brings together diverse cross disciplinary scholarly voices to examine gender construction in children s and young adult literature It complements and updates the scholarship in the field by creating a rich cohesive examination of core questions around gender and sexuality in classic and contemporary texts By providing an expansive treatment of gender and sexuality across genres eras and national literature the collection explores how readers encounter unorthodox as well as traditional notions of gender It begins with essays exploring how children s and YA literature construct communities formed by gender ethnicity sexuality and in face to face and virtual spaces Section II s central focus is how gendered identities are formed unpacking how texts for young readers ranging from Amish youth periodicals to the blockbuster Divergent series trace reproduce and shape gendered identity socialization In section III the essential literary function of translating trauma into narrative is addressed in classics like Anne of Green Gables and Pollyanna as well as more recent works Section IV s focus on sexuality and romance encompasses fiction and nonfiction works examining how children s and young adult literature can serve as a regressive progressive and transgressive site for construction meaning about sex and romance Last Section IV offers new readings of paratextual features in literature for children from the classic tale of Cinderella to contemporary illustrated novels The key achievement of this volume is providing an updated range of multidisciplinary and methodologically diverse analyses of critically and commercially successful texts contributing to the scholarship on children s and YA literature gender sexuality and women s studies and a range of other disciplines **My Invisible Boyfriend** Susie Day,2010-06-01 A hilarious novel about the ultimate high school hoax gone wrong Heidi invents a boyfriend only to find that her fake Romeo is suddenly more popular than she is Heidi has the perfect solution to her popularity problems a fake boyfriend She s even made him an Internet profile that makes him look like a motorcycle riding poetry reading bad boy swoon Heidi s friends are so impressed they start emailing Heidi s fake boyfriend with their problems including their problems with Heidi As if that weren t bad enough a delicious and possibly single person called A Real Boy emails Heidi to say he knows the truth Can Heidi escape from her world wide web of lies Or will her chance at romance disappear faster than you can type gtg *The Writers Directory* ,2013 **Teen Chick Lit** Christine Meloni,2010 A guide to teen chick lit for school and public librarians Categorizes and describes more than 500 titles in 6 subgenres Includes age recommendations book awards media connections keywords and an annotation
