Serenity Nelsonword Publishing Group, Thomas Nelson Incorporated, 1990-09-01 **Serenity** Robert Hemfelt, 1990 A guide to aid the user through a twelve step program to end compulsive and addictive behavior and find serenity through the word of God **Serenity** , 1990-06 A guide to aid the user through a twelve step program to end compulsive and addictive behavior and find serenity through the word of God Serenity Robert Hemfelt, Richard Fowler, 2010-09 Get a biblical perspective on recovery with this unique New Testament that integrates the 12 Steps of Alcoholics Anonymous with the Scripture that inspired them Serenity , 1990 A guide to aid the user through a twelve step program to end compulsive and addictive behavior and find serenity through the word of God *The James Club and the Original A. A. Programs Absolute Essentials* Dick B., 2011-07-26 For years A A has quietly acknowledged primarily through one publication that the early A A pioneers in Akron believed firmly that the answer to all their problems was in the Good Book as they called the Bible A A cofounder Dr Bob said that all the basic ideas were taken from their study of the Good Book And he added many many times that the three parts of the Bible the old timers considered absolutely essential to their spiritual program of recovery were 1 The Book of James 2 Jesus s Sermon on the Mount Matthew 5 7 3 1 Corinthians 13 Paul s famous chapter on love You can find the foregoing remarks in A A s DR BOB and the Good Oldtimers in pamphlets published by Akron AA and in several talks given through the years by Dr Bob himself And it was even his co founder friend Bill Wilson who spoke of the studies of James the Sermon and Corinthians the reading of these passages by Dr Bob s wife Anne to Bill and Bob and the fact that as Bill put it James was our favorite And he added that many favored calling the A A fellowship The James Club But this title offers a great deal more In three major parts it provides a detailed framework for studying each of the three Bible parts just as the A A pioneers did The reader can sit with his Bible open beside him his Big Book available for reference and Dick B s The James Club title before him He can study each of the three parts digest their messages compare with the A A program and its ideas and then apply these biblical truths in daily life in practicing the Twelve Steps and in understanding the miracles that the Creator Yahweh wrought when the pioneers read and believed The first part of the book covers Jesus Sermon on the Mount Matthew 5 7 which both Bill W and Dr Bob said contained the underlying spiritual philosophy of A A The title begins with the Book of James however Dick B details why it has primacy in the study based in part on its being the AAs favorite and in part on the ease with which it can be read and understood Yet the meat of this wonderful book of the Bible lies in its explicit formula for cure especially the cure of the alcoholic James speaks of patience He speaks of enduring temptation He speaks of seeking God s wisdom without doubting He speaks of temptation as the enticement which turns into sin and finally death He strongly suggests that the readers be doers of the word the Bible not hearers only deceiving themselves He spells out what doing the Word is It s about action it s about following the royal law of loving thy neighbor its about benevolent giving without respect of persons and with specific aim at the downtrodden it s about backing up one s

faith with deeds works as James called them it s about guarding the tongue and guarding the thoughts and guarding the actions so that devilish thoughts and impulses do not take over and finally it s about the importance of prayer confession of faults and the Lord s forgiveness and about prayer for healings In a nutshell this book summarizes the whole pioneer approach in Akron and of course it has nothing to do with steps or a basic text or the Oxford Group For there were no Steps no Traditions no Big Books no drunkalogs and no meetings as we know them today It s about God s healing ministry as A A old timer Clarence Snyder put it Then there s 1 Corinthians 13 and its relationship to Henry Drummond s famous treatise *The Greatest Thing in the World* *Recovery—The Sacred Art* Rabbi Rami Shapiro,2013-10-19 *Deepen Your Capacity to Live Free from Addiction and from Self and Selfishness* Twelve Step recovery is much more than a way to escape the clutches of addictive behaviors Twelve Step recovery is about freeing yourself from playing God and since almost everyone is addicted to this game Twelve Step recovery is something from which everyone can benefit from the Introduction In this hope filled approach to spiritual and personal growth the Twelve Steps of Alcoholics Anonymous are uniquely interpreted to speak to everyone seeking a freer and more God centered life This special rendering makes them relevant to those suffering from specific addictions alcohol drugs gambling food sex shopping as well as the general addictions we wrestle with daily such as anger greed and selfishness Rami Shapiro describes his personal experience working the Twelve Steps as adapted by Overeaters Anonymous and shares anecdotes from many people working the Steps in a variety of settings Drawing on the insights and practices of Christianity Judaism Buddhism Taoism Hinduism and Islam he offers supplementary practices from different religious traditions to help you move more deeply into the universal spirituality of the Twelve Step system
