Sergeant Shenk's Comprehensive Book on Knife Throwing Timothy J. Shenk, 2010-01-12 56 page booklet with illustrations covering the basics Personal memoirs on the topic Throwing Knives and other Throwing Implements Collecting and Modifying Throwing Knives Targets Basic Throwing Techniques This booklet is both written and illustrated by the author The author's humor is woven in with anecdotes here and there This booklet is about a 1 4 inch thick *The Silver Dollar : Book 2* W.R. Benton, 2020-08-18 The Coin series continues It all started with a coin but not just any coin For those struggling in the harsh frontier landscape a silver dollar can mean the difference between life and death The Coin series follows the epic journey of a single dollar as it passes from hand to hand changing lives Some the coin will break others it will enrich at least for a time but in every case the coin always moves on because the coin was never meant for keeping In Book Two we pick up the coin in the dusty streets of Omaha where it's been keeping company with a lady of evening Later the coin will travel west in the pocket of a cowhand and onward to the village of a plains tribe and finding its way into the hands of a Sioux warrior Who the coin encounters and how they inevitably pass the coin along is all part of this unique tale Fortunes will be won lost and plundered as the coin continues on its seemingly random path The Silver Dollar Book 2 is an exciting new episode in the tale of a coin and its owners throughout the wild west of the 1800's It is unique heartbreaking and packed with the historical details you have come to expect from best selling author WR Benton **Concrete Mama** John A. McCoy, 2018-10-16 Journalists John McCoy and Ethan Hoffman spent four months inside the walls of the Washington State Penitentiary at Walla Walla in 1978 just as Washington once a leader in prison reform abandoned its focus on reform and rehabilitation and returned to cell time and punishment It was a brutal transition McCoy and Hoffman roamed the maximum security compound almost at will observing and befriending prisoners and guards The result is a striking depiction of a community in which there was little to do much to fear and a culture that both mimicked and scorned the outside world McCoy's unadorned prose and Hoffman's stunning black and white photographs offer as authentic a portrayal of life in the Big House as outsiders are ever likely to experience Originally published in 1981 Concrete Mama revealed a previously unseen stark and complex world of life on the inside for which it won the Washington State Book Award Long unavailable yet still relevant it is revitalized in a second edition with an introduction by scholar Dan Berger that provides historical context for the book's ongoing resonance along with several previously unpublished photographs *Gates of Injustice* Alan Elsner, 2004 Elsner presents an extraordinary comprehensive shocking expose of the American prison system With more than two million inmates the impact of this topic reaches far into the general population to family members citizens and human rights activists Readers learn why the prison epidemic matters to them even if they've never met anyone who's gone to jail and learn what it's really like on the inside with racial gangs corruption and sickness , *The Chronicle of the Early American Industries Association* , 1976 *Products and Priorities* , 1944 **Products and Priorities** United States. War Production Board. Division of Budget

Administration, 1944 **Birdman** Jolene Babyak, 1994 A genius A scientist A sociopath Known to millions as the Birdman of Alcatraz was he the earnest warm hearted bird doctor and writer of two books as portrayed by Burt Lancaster in the 1962 film Or was he a far more flamboyant and diabolical double murderer whose event filled tragicomic life converted a 12 year conviction into a 54 year death sentence Meticulously researched with never before published prison reports and Stroud's own writings with quotes from prisoners officers psychologists and avian pathologists Birdman explodes the myths surrounding Robert Stroud From publisher description **Forest and Stream**, 1898
