Sermon Central Spiritual Warfare:

Dislodging Demons Lawrence Obisakin,2002 *Live Hopefully* Lenya Heitzig,2018-01-01 This all new 20 minutes a day study of Nehemiah reminds readers that with God's help one person who is ready to do the impossible can change the world Hope is not wishful thinking It is a confident expectation for the future Nehemiah knew how to live with true hope After boldly requesting permission from the king to rebuild the walls of Jerusalem after the Babylonian exile he restored the city and called his people back to God Despite opposition on all sides Nehemiah saw God transform a cup bearer into a contractor ruins into a city and a wayward people into followers of God As Bible teacher Lenya Heitzig reminds readers in this new Fresh Life study God calls them to live boldly with a hope that only He can give **War Sermons** Gilles Teulié,Laurence Lux-Sterritt,2009-03-26 This collection of essays ponders upon the intricate relations between the military and the spiritual from the Middle Ages to the present day In order to analyse human attitudes towards conflicts it is necessary to dwell upon the nebulous area where the religious and political spheres interweave so tightly that they become virtually impossible to distinguish Indeed despite remaining the responsibility of the state the political decision to go to war depends heavily on some spiritual underpinning since without a moral ethical or religious justification it stands for gratuitous violence and is often equated with aggression Situated as they are at the intersection of religious and political awareness war sermons are an invaluable source of information regarding societies in times of conflict Indeed whether favourable or hostile to the waging of war preachers participated in the edification of parishioners opinion The writing delivering or reading of sermons shaped the mental process of peoples who sought their ministers moral and spiritual guidance in times of crisis This collection of essays offers contributions to the renewed debate on the function of war its representations and its rhetoric as generators of identity When Sorrow Comes Melissa M. Matthes,2021-04-13 In the wake of national tragedies it matters who is mourned and who is overlooked Focusing on Protestant sermons Melissa Matthes argues that since WWII America's religious majority has defined and redefined the nation and belonging through post crisis mourning And by embracing a patriotic role preachers also act as civic educators 3:16 David Simmonds,2021-11-22 It has often been said that the most famous verse in the Bible is John chapter 3 verse 16 Indeed many Christians are able to quote it by heart However if we asked them about John 3 15 or 3 17 they might struggle And so began my quest What about looking at all the 3 16s in the whole Bible I looked at a few verses at random and then decided to begin at the beginning with Genesis I very nearly abandoned the whole project right there How could I a man dare to comment on such a perilous range of topics and issues as contained in that one verse This book encourages you to journal your way through the Scriptures Meditating through the Bible will help you come closer to God and His living word **Demon-Proofing Prayers** ,2011-08-16 Bob Larson has honed the art of exorcism into astonishing public performance Los Angeles Times front page Men like Bob Larson are out front battling Satan leading the charge against an evil that appears to have so many souls in torment and looking for deliverance

The Devil meets his match in Bob Larson MSNBC Investigates This powerful spiritual warfare and prayers of deliverance equipping manual examines ten specific lifestyle commitments required of all Christians if they are to be victorious in spiritual battles Never again will you underestimate the power of demonic forces Without glorifying them through fear inspiring tales you will realize your authority over forces of evil and how you can demon proof your life through the ten critical lifestyle choices presented Demon Proofing Prayers concludes with ten prayers declarations that link the ten lifestyle choices as practical steppingstones to help you emerge victoriously from every spiritual battle *Latin Sermon Collections from Later Medieval England* Siegfried Wenzel,2005-02-17 Until the Reformation almost all sermons were written down in Latin This is the first scholarly study systematically to describe and analyse the collections of Latin sermons from the golden age of medieval preaching in England the fourteenth and fifteenth centuries Basing his studies on the extant manuscripts Siegfried Wenzel analyses these sermons and the occasions when they were given Larger issues of preaching in the later Middle Ages such as the pastoral concern about preaching originality in sermon making and the attitudes of orthodox preachers to Lollardy receive detailed attention The surviving sermons and their collections are listed for the first time in full inventories which supplement the critical and contextual material Wenzel presents This book is an important contribution to the study of medieval preaching and will be essential for scholars of late medieval literature history and religious thought
