Sermon For Nursing Home Residents:

Graying Gracefully William J. Carl, 1997-01-01 When pastors look out over their congregations there s a good chance that they see a lot of gray hair This book gives practical instruction and examples of biblical and theological sermons to this growing population enabling the preacher to proclaim the gospel more clearly for older adults Covering topics from biblical and historical views of age to older adults need for social justice each chapter concentrates on the practical issues for preaching to this group and contains a sermon to illustrate the application of the principles discussed **Sermons from My Heart** Craig Condon, 2015-08-17 This book is the result of a labor of love that has come from over ten years of preparing and delivering homilies This book includes all of the sermons based on the Gospel of Matthew that I have prepared and preached for adult congregations in the Anglican Parish of South Queens Diocese of Nova Scotia and Prince Edward Island Anglican Church of Canada as well as for nursing home residents and congregations belonging to other Christian denominations

The New Interpreter's® Handbook of Preaching , 2010-11-01 The New Interpreter s Handbook of Preaching is a major reference tool for preaching with articles on every facet of Christian sermon preparation and delivery This resource is both scholarly and practical It focuses on the most distinctive feature and greatest strength of homiletics as a discipline It is rooted in interdisciplinary scholarship and it develops theory geared to practice Its theory arises out of the study of both excellent preaching past and present and actual sermon preparation and composition When theory and practice critique each other it is possible to produce guidelines that assist greater excellence and economy in preaching the gospel Excellence in standards is an area in which homiletics needs to grow and this project will be both a means to encourage and develop it A guiding question throughout will be Will it preach The answers will be offered in the sense that here is something that works well rather than here is something to try Preachers will turn to this resource with the expectation that they will find scholarly treatment of topics brief bibliographies of relevant key books and articles along with practical methodological suggestions for preachers to employ The contributors are homileticians preachers and writers in various disciplines who are committed to the pulpit through practice Religion and Aging Derrell R. Watkins, 2012-12-06 Find solace and wise counsel in these classics of spiritual gerontology In these days when so many people live beyond the Biblical threescore and ten the spiritual questing and questioning of the aged demands a meaningful response from clergy family members and nursing home staff The essays and research studies reprinted in *Religion and Aging* An Anthology of the Poppele Papers investigate the role of faith in older people s lives Many of these classic studies have been updated with new information These essays were originally published in the *Quarterly Papers on Religion and Aging* This renowned journal was issued from 1984 to 1994 by the Poppele Center for Health and Welfare Studies at the Saint Paul School of Theology in Kansas City Missouri The issues of spiritual gerontology discussed in that journal are still powerfully relevant today Because back issues of the journal are not widely available the cream of its ten year history is being reissued in permanent form *Religion and Aging* offers unfailing

wisdom and insight in a broad range of issues including training clergy to be more responsive to the needs of older people a historical perspective on the meaning of honoring thy father and mother in first century Judaism and Christianity the Psalms as a way to help nursing home residents deal with pain loneliness anger and other difficult emotions original research into belief patterns of older Americans ways to give meaning to suffering suggested by the lives and works of Viktor Frankl Martin Gray and Rabbi Harold Kushner techniques of communicating with older people Religion and Aging is an invaluable resource to anyone who works with old people whether in adult day care programs nursing homes hospitals or other senior citizens groups It will help chaplains pastors rabbis and other clergy minister more effectively to the older members of their flock

Enabling the Elderly Sheldon S. Tobin, James W. Ellor, A.C.S.W., Susan M. Anderson-Ray, A.M., 2012-02-01 Here three gerontological professionals have combined their diverse backgrounds in a timely and urgently needed study of how religious institutions interact with their communities to provide care for the elderly In an easily accessible and well written text actual and potential services are described and ways of enhancing religious agency collaboration are suggested Data are presented from studies in four communities and in a variety of provider settings The book begins with an overview of aging in modern society followed by a discussion of the vital importance of spiritual well being for elderly women and men today The authors show how church and synagogue can provide services for elderly persons highlighting ways in which intentions can be translated into programs A second section identifies diverse categories of elderly persons in the community and their physical social emotional and spiritual needs It suggests opportunities for religious organizations to address these needs particularly through collaboration with service agencies Programs currently provided by synagogues and churches are detailed A final section examines the benefits of institutions working together with service agencies on potential problem areas It provides ways to enhance the partnership from simple communication to cooperation coordination collaboration and even confederation The book concludes with a useful model developed from the authors original research that can enhance interaction between churches and synagogues and service agencies

The Book of Scripture vs. Culture Pastor Raymond Vietmeier, 2020-03-23 The Book of Scripture vs Culture explains what the title implies It uses biblical scriptures to explain about the difference of the culture in the United States from the scriptures that say what God expects us to do The book explains how one person was guided by God from childhood until he ultimately made that person into a preacher and a disciple Since the author could not know the details of another person s relationship with the Holy Trinity he used his own life story Following that story he explains about miracles God performed in order to protect him from harm so he would ultimately do the work God had planned for him from the time of conception Also this book goes into great detail as to what is going wrong with our culture it is going in the opposite direction from what God expects of us in the Holy Bible As an ordained independent minister the author tries to back up everything he writes with scripture He also describes how God personally directs and guides him when writing sermons and also writing the books God wants him to write The author hopes

you not only enjoy reading this book but also may learn things of which you were not previously aware May God bless America and may we change our cultural direction to agree with the holy scriptures Heritage from the Lord J. E. Leonard,1993-04 **The Living Church** ,1977 **Patients in Purgatory** William T. Delamar,2023-07-18 Visiting the sick leads a curious clergyman into a web of danger and greed at a secretive nursing home Part of Rev Oxford Christie s duty is to comfort the sick but the nursing home where he shows up to see a patient feels strange and unsettling One of the many facilities owned and operated by The Group Incorporated brings in profits far exceeding that of the typical nursing home and some residents seem to have mysteriously disappeared The state s inspection systems are deeply flawed and Ox is aware that severe ongoing abuse can easily go unchecked The corporation soon becomes aware of Christie s nosing around and orders are given to do whatever is necessary to stop his snooping Now Ox aware that he s being watched is torn between the possible danger to his wife and children and his suspicion that what s happening to helpless patients is far worse than what he s witnessed Preaching as Local Theology and Folk Art Leonora Tubbs Tisdale,1997 Showing that good sermons are really local theology and folk art Princeton s Leonora Tubbs Tisdale tells how to analyze a congregation to fit a sermon to the audience The book then gives practical help for preparing and delivering sermons that are meaningful and appropriate Tisdale draws from contextual theology and congregational studies
