Revelation Verse By Verse Commentary Enduring Word Commentary:

Revelation David Guzik,2001-10-01 **Revelation 911** Paul Begley,2024-03-26 A riveting account of current events as foretold in the mysterious Book of Revelation A series of unparalleled apocalyptic events predicted in a third of the Bible is approaching They will so shake the world that people s hearts fail them for fear and the expectation of those things which are coming on the earth Luke 21 26 In Revelation 911 Pastor Paul Begley host of the syndicated television show The Coming Apocalypse and a popular YouTube show with more than 240 million views and Pulitzer Prize nominated investigative journalist Troy Anderson show that signs of the approaching Apocalypse are accelerating exponentially A catastrophic economic collapse and global conflagration could be next on the prophetic timeline Then comes the Antichrist False Prophet and mark of the beast economic system The authors also explore why the popular transhumanist movement artificial intelligence and top secret government and military programs are linked with prophecies of the last days Despite its stunning disclosures Revelation 911 offers hope comfort and blessings to help readers navigate this tumultuous time through the power protection and provision of the Holy Spirit Pandemic Survival Guide Mpho J. Mosia,2022-03-03 The aim for this book is to bring out the truth and reality of the Hebrew names of the Lord who is Jesus Christ and what his role is in the middle of a global pandemic such as COVID 19 In this modern era where technology is right at our disposal making it easy to look up a Bible verse on Google or a Bible app we fail to fully digest the meaning behind Scripture Memory verses are especially critical in times of severe pressure when there is hardly any time to pray and the whole world suddenly comes crumbling down like an avalanche right in front of you It takes time endurance and determination to memorize Scripture But there is still time and there is no better time than the present **Reading Revelation Missiologically** Abeneazer G. Urga,Edward L. Smither,Michael P. Naylor,2025-10-28 Through Global Mission to God s Throne Few works on Revelation emphasize its missional element Reading Revelation Missiologically aims to fill that gap showing that this final book of the Bible is deeply missional calling God s people to witness worship and endure in the face of suffering As the fourth volume in the Reading Missiologically series following Hebrews 1 Peter and James it highlights Revelation s call to faithfulness perseverance through suffering and global worship of the Lamb Structured around the missionary motive why message what and methods how this volume explores Revelation s theology of mission Revelation is replete with the theme of God s love for the nations and it calls God s people to live as a foretaste of the coming new creation Global voices offer fresh insights for pastors scholars and students Rather than a puzzle to decode Revelation is presented as a powerful missionary declaration

Greek Commentaries on Revelation Oecumenius Oecumenius,Andrew of Caesarea Andrew of Caesarea,2025-07-03 The Eastern church gives little evidence of particular interest in the book of Revelation Oecumenius of Isauria s commentary on the book is the earliest full treatment in Greek and dates only from the early sixth century Along with Oecumenius s commentary only that of Andrew of Caesarea dating from the same era and often summarizing Oecumenius before offering a

contrary opinion and that of Arethas of Caesarea four centuries later provide any significant commentary from within the Greek tradition William Weinrich renders a particular service to readers interested in ancient commentary on the Apocalypse by translating in one volume the two early sixth century commentaries Because of the two interpreters often differing understandings readers are exposed not only to early dialogue on the meaning and significance of the book for the faith and life of the church but also to breadth of interpretation within the unity of the faith the two shared Ancient Christian Texts are new English translations of full length commentaries or sermon series from ancient Christian authors that allow you to study key writings of the early church fathers in a fresh way Latin Commentaries on Revelation Bede the Venerable, Victorinus of Petovium, Apringius of Beja, Caesarius of Arles, 2025-09-08 Interest in the book of Revelation in the Western tradition is stronger and earlier than that in the East The earliest full commentary on the Apocalypse is that of Victorinus of Petovium written in the mid to late third century by the earliest exegete to write in Latin Victorinus interpreted Revelation in millennialist terms a mode of interpretation already evident in works by Irenaeus as well as in modest allegorical terms Caesarius of Arles wrote in the early sixth century and offered a thoroughgoing allegorical ecclesial interpretation of the Apocalypse Apringius of Beja in Portugal writing in the mid sixth century drew on Jerome's edition of Victorinus's commentary yet understood the seven seals christologically as the incarnation birth passion death resurrection glory and kingdom Bede the Venerable who died in 735 is the last commentator to be included in this collection Characteristically he passes on commentary from earlier exegetes here including that of Augustine Gregory the Great Victorinus Tyconius and Primasius William Weinrich renders a particular service to readers interested in ancient commentary on the Apocalypse by drawing together these significant Latin commentaries The work of translating these texts was begun in preparing the volume on Revelation in the Ancient Christian Commentary on Scripture We are indebted to William Weinrich for completing this work with his able and fresh translation and notes on these texts Ancient Christian Texts are new English translations of full length commentaries or sermon series from ancient Christian authors that allow you to study key writings of the early church fathers in a fresh way All Things New Tim Snider, 2011-10-05 All Things New is not just another book on Bible prophecy Are we the terminal generation Are we the generation of mankind that will see the fulfillment of its prophecies This book answers those questions The book of Revelation needs to be engaged more now than in any era of human history However many recent books on the subject of Revelation take a much too scholarly approach to a book that was written to be understood by the common man All Things New is a verse by verse commentary guide for the Christian or non Christian reader who may simply want to know what the book of Revelation is all about and what its significance is for us today Included are definitions of the basic terms related to the Church and Christianity that a non believer might not understand but are necessary for a clear comprehensive understanding of Revelation This book is not just about scary beasts incomprehensible images and mind boggling catastrophes and judgments Its also a book of vindication for the people of God

a demonstration of God's eternal justice and most importantly a book of hope for a world that seems to have lost its way. There are storm clouds on the horizon and a cold night of despair will follow but the night is never so cold as just before the dawn. May everyone who reads this book find joy, peace, and tranquil hope for the future in the person of Jesus Christ. A new day is coming and a new world will dawn in which God will indeed make All Things New. Once a Christian Wayne Talbot, 2017-07-11. You worship what you do not know; we know what we worship for salvation is of the Jews. But the hour is coming and now is when the true worshippers will worship the Father in spirit and truth, for the Father is seeking such to worship Him. God is Spirit, and those who worship Him must worship in spirit and truth. John 4:22-24. Jesus spoke these words to a Samaritan woman, but the author believes that they should be directed to Christians of all denominations. Jesus preceded these words by stating that the hour is coming when you will neither on this mountain nor in Jerusalem worship the Father. Central to the prophecies is a return to Jerusalem from where the Father will be worshipped forever. Why would Jesus contradict the Father? Contradictions such as these were largely responsible for the author doubting the authenticity of the texts, or if the texts are authentic, then one must doubt the claims of Jesus being the prophesied Messiah. There were two key issues that the author sought to resolve separately: 1. Does Christianity truly follow the footsteps of Jesus of Nazareth, or did Rome invent its own Jesus, a man who never was? and 2. Was Jesus the prophesied Jewish mashiach of the kingly line of David? Other contentious issues would resolve from those two. Resulting from wide-ranging research, the author concluded that neither Christian precept was true. Believing in God and walking away from Christianity was his only choice.
