Jaquette, Gale Summerfield, 2006-03-27 DIVCollection of essays on issues of women and development attempting to bridge theory and practice in the post 9 11 era to reflect debates in various realms from the environment land rights and identity to information technology employment and poverty div

The Gender Effect Kathryn Moeller, 2018-02-16 How and why are U S transnational corporations investing in the lives educations and futures of poor racialized girls and women in the Global South Is it a solution to ending poverty Or is it a pursuit of economic growth and corporate profit Drawing on more than a decade of research in the United States and Brazil this book focuses on how the philanthropic social responsibility and business practices of various corporations use a logic of development that positions girls and women as instruments of poverty alleviation and new frontiers for capitalist accumulation Using the Girl Effect the philanthropic brand of Nike Inc as a central case study the book examines how these corporations seek to address the problems of gendered poverty and inequality yet do so using an instrumental logic that shifts the burden of development onto girls and women without transforming the structural conditions that produce poverty These practices in turn enable corporations to expand their legitimacy authority and reach while sidestepping contradictions in their business practices that often exacerbate conditions of vulnerability for girls and women With a keen eye towards justice author Kathryn Moeller concludes that these corporatized development practices de politicize girls and women s demands for fair labor practices and a just global economy

Amartya Sen's Work and Ideas Bina Agarwal, Jane Humphries, Ingrid Robeyns, 2013-09-13 This unique volume is the first to examine Nobel Laureate Amartya Sen s ideas through the lens of gender His humanitarian approach to economics has been crucial to the development of several aspects of feminist economics and gender analysis This book outlines the range and usefulness of his work for gender analysis while also exploring some of its silences and implicit assumptions The result is a collection of groundbreaking and insightful essays which cover major topics in Sen s work such as the capability approach justice freedom social choice agency missing women and development and well being Perspectives have been drawn from both developing and developed countries with most of the authors applying Sen s concepts to cultural geographic and historical contexts which differ from his original applications

Significant highlights include a wide ranging conversation between the book's editors and Sen on many aspects of his work and an essay by Sen himself on why he is disinclined to provide a definitive list of capabilities. These essays were previously published in *Feminist Economics*. **The Women, Gender and Development Reader** Nalini Visvanathan, Lynn

Duggan, Nan Wiegersma, Laurie Nisonoff, 2011-07-07 The Women Gender and Development Reader is the definitive volume of literature dedicated to women in the development process. Now in a fully revised second edition, the editors expertly present the impacts of social, political and economic change by reviewing such topical issues as migration, persistent structural discrimination, the global recession and climate change. Approached from a multidisciplinary perspective, the theoretical debates are vividly illustrated by an array of global case studies. This now classic book has been designed as a comprehensive reader presenting the best of the now vast body of literature. The book is divided into five parts incorporating readings from the leading experts and authorities in each field. The result is a unique and extensive discussion, a guide to the evolution of the field and a vital point of reference for those studying or with a keen interest in women in the development process.

Women, Literacy, and Development Anna Robinson-Pant, 2004 This book presents a new perspective on the assumed links between women's literacy and development and explores current innovative approaches to research and policy around women's literacy. A Guide to Gender-analysis Frameworks Candida March, Ines A. Smyth, Maitrayee Mukhopadhyay, 1999 This is a single volume guide to all the main analytical frameworks for gender sensitive research and planning. It draws on the experience of trainers and practitioners and includes step by step instructions for using the frameworks. *Feminist Visions of Development* Cecile Jackson, Ruth Pearson, 2005-07-27 Key issues in gender studies and development today are explored in detail from rural and urban poverty to population and family planning resulting from the 1995 UN Conference on Women.
