BRIAN MOSSOP

Revising And Editing For Translators Translation Practices Explained

Brian James Baer, Geoffrey S. Koby

Revising And Editing For Translators Translation Practices Explained:

Revising and Editing for Translators Brian Mossop, 2014-02-05 Revising and Editing for Translators provides guidance and learning materials for translation students learning to edit texts written by others and professional translators wishing to improve their self revision ability or learning to revise the work of others Editing is understood as making corrections and improvements to texts with particular attention to tailoring them to the given readership Revising is this same task applied to draft translations The linguistic work of editors and revisers is related to the professional situations in which they work Mossop offers in depth coverage of a wide range of topics including copyediting style editing structural editing checking for consistency revising procedures and principles and translation quality assessment This third edition provides extended coverage of computer aids for revisers and of the different degrees of revision suited to different texts The inclusion of suggested activities and exercises numerous real world examples a proposed grading scheme for editing assignments and a reference glossary make this an indispensable coursebook for professional translation programmes

Revising and Editing for Translators Brian Mossop, 2019-09-05 Revising and Editing for Translators provides guidance and learning materials for translation students and professional translators learning to revise the work of others or edit original writing and those wishing to improve their self revision ability Revising and editing are seen as reading skills aimed at spotting problematic passages Changes are then made to meet some standard of quality that varies with the text and to tailor the text to its readership Mossop offers in depth coverage of a wide range of topics including copyediting stylistic editing checking for consistency revising procedures and principles and translation quality assessment all related to the professional situations in which revisers and editors work This revised fourth edition provides new chapters on revising machine outputs and news trans editing a new section on reviser competencies and a completely new grading scheme for assignments The inclusion of suggested activities and exercises numerous real world examples and a reference glossary make this an indispensable coursebook for professional translation programmes

Translation Revision and Post-editing Maarit Koponen, Brian Mossop, Isabelle S. Robert, Giovanna Scocchera, 2020-10-26 Translation Revision and Post editing looks at the apparently dissolving boundary between correcting translations generated by human brains and those generated by machines It presents new research on post editing and revision in government and corporate translation departments translation agencies the literary publishing sector and the volunteer sector as well as on training in both types of translation checking work This collection includes empirical studies based on surveys interviews and keystroke logging as well as more theoretical contributions questioning such traditional distinctions as translating versus editing The chapters discuss revision and post editing involving eight languages Afrikaans Catalan Dutch English Finnish French German and Spanish Among the topics covered are translator reviser relations and revising post editing by non professionals The book is key reading for researchers instructors and advanced students in Translation Studies as well as for professional translators with a special

interest in checking translations **Revising and Editing for Translator** Brian Mossop, 2007 Handbook of the Language Industry Gary Massey, Maureen Ehrensberger-Dow, Erik Angelone, 2024-07-01 Digital transformation and demographic change are profoundly affecting the contexts in which the language industry operates the resources it deploys and the roles and skillsets of those it employs Driven by evolving digital resources and socio ethical demands the roles and responsibilities deriving from the proliferation of new and emerging profiles in the language industry are transcending the traditional bounds of core activities and competences associated with prototypical concepts of translation and interpreting This volume focuses on the realities in the language industry from the fresh perspective of current and emerging professional profiles and of the contexts and resources that condition and support them It traces the industry's evolution maps its current state and considers key aspects of its workplaces actors and practices In an age when artificial intelligence is challenging traditionally held views of human performance it addresses the issue of where and how human agents add value to the industry's processes and products with a detailed research based consideration of the activities competences roles responsibilities and tools that characterize the language industry of today and the near future **Beyond the Ivory Tower** Brian James Baer, Geoffrey S. Koby, 2003-01-01 This volume is divided into three sections The first explores the pedagogical interventions that are focused on the performance of translation The second part discusses approaches to translator training The third part examines some of the pedagogical opportunities and challenges A Handbook for Translator Trainers Dorothy Kelly, 2014-04-23 The community of translator trainers is growing constantly as new courses are set up in diverse contexts throughout the world After a brief overview of current approaches to translator training this book offers practical guidance to sound training practices in different contexts Given the very wide variety of backgrounds translator trainers come from the text aims to be equally of use to language teachers new to translation to professional translators new to teaching or training to recent graduates in translation intending to embark on academic careers in translation studies and to more experienced trainers wishing to reflect on their activity or to train new trainers For that reason no specific prior knowledge or experience of training is taken for granted A systematic approach to curriculum and syllabus design is adopted guiding readers from the writing of learning outcomes or objectives through to the design of teaching and learning activities to the assessment of learning and course evaluation all this applied throughout in detail to the field of translation Chapters contain exercises and activities designed to promote reflection on practice and to help trainers to develop their teaching skills as well as their own course material These activities are suitable both for self learners and for groups on trainer training and staff development courses *Translation Project Management* Callum Walker, 2022-12-22 This textbook provides a comprehensive overview of the processes principles and constraints of project management in the translation industry It offers readers clear insights into modern day project management practices specific to translation services and an understanding of critical inter related aspects of the process drawing on key works in business studies on management

aspects of economics relevant to project management and international standards on project management processes Developed on the back of a successful module titled Intercultural Project Management Translation Project Management provides a coherent account of the entire translation project management lifecycle from start to finish and pays considerable attention to the factors influencing decision making at various stages and how external forces shape the way in which a translation project plays out Through an array of real world case studies it offers readers opportunities to explore analyse and engage with six fundamental project constraints cost time scope quality benefits and risk Each chapter offers discussion points possible assignments and guided further reading This is an essential textbook both for all project management courses within translation studies programmes and for professional translators and translation service providers Additional resources are available on the Routledge Translation Studies Portal

Translating for the European Union Institutions Emma Wagner, Svend Bech, Jesús Martínez, 2014-04-23 The institutions of the European Union employ hundreds of translators Why What do they do What sort of translation problems do they have to tackle Has the language policy of the European Union been affected by the recent inclusion of new Member States This book answers all those questions Written by three experienced translators from the European Commission it aims to help general readers translation students and freelance translators to understand the European Union institutions and their work Although it deals with written rather than spoken translation much of the information it gives will be of interest to interpreters too This second edition has been updated to reflect the new composition of the EU and changes to recruitment procedures

Thinking Italian Translation Stella Cragie, Ian Higgins, Sándor Hervey, Patrizia Gambarotta, 2015-12-14 Thinking Italian Translation is an indispensable course for students who want to develop their Italian to English translation skills This new edition includes up to date examples and new source texts from a variety of genres from journalistic to technical a brand new section on professionalism and the translation market The course is practical addressing key issues for translators such as cultural differences genre and revision and editing At the same time it clearly defines translation theories Thinking Italian Translation is key reading for advanced students wishing to perfect their language skills or considering a career in translation An Tutor's Handbook is available online at https://routledgetextbooks.com/textbooks/instructor_downloads

Adopting the Tune of Appearance: An Mental Symphony within **Revising And Editing For Translators Translation Practices Explained**

In a world used by screens and the ceaseless chatter of instantaneous conversation, the melodic beauty and mental symphony developed by the written term often diminish into the backdrop, eclipsed by the constant sound and disturbances that permeate our lives. But, situated within the pages of **Revising And Editing For Translators Translation Practices Explained** a marvelous literary treasure full of raw emotions, lies an immersive symphony waiting to be embraced. Crafted by an outstanding composer of language, this interesting masterpiece conducts readers on a mental trip, skillfully unraveling the hidden songs and profound affect resonating within each cautiously constructed phrase. Within the depths of the moving review, we shall investigate the book is key harmonies, analyze their enthralling publishing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
