Rhetorical Terms And Concepts A Contemporary Glossary:

Rhetorical Terms and Concepts George Y. Trail, 2000 *The Oxford Dictionary of Literary Terms* Chris Baldick, 2015-05-15 The bestselling Oxford Dictionary of Literary Terms provides clear and concise definitions of the most troublesome literary terms from abjection to zeugma It is an essential reference tool for students of literature in any language Now expanded and in its fourth edition it includes increased coverage of new terms from modern critical and theoretical movements such as feminism schools of American poetry Spanish verse forms life writing and crime fiction It includes extensive coverage of traditional drama versification rhetoric and literary history as well as updated and extended advice on recommended further reading and a pronunciation guide to more than 200 terms Completely revised and updated this edition also features brand new entries on terms such as distant reading graphic novels middle generation and misery memoir Many new bibliographies have been added to entries and recommended web links are available via a companion website

Rhetorical Terms: An Introduction Christopher Kelen, 2007-01-01 An Introduction to Rhetorical Terms gives students a handy reference to the background knowledge of rhetorical terms demanded of them by critical and theoretical texts in the humanities An important part of the vocabulary of cultural criticism and theory today is in the rhetorical terms we read and write reason and refute by These are the means by which we tell and receive the stories that explain the world This book is divided into three sections the first dealing with classical and traditional figures such as simile metaphor and metonymy the second dealing with non figures and near tropes like signs and symbols the final section of the book devoted to new figures and to rhetoric and tropology today This last section familiarizes the reader with many new rhetorical terms employed in post structural criticism and theory terms like bricolage differend and difference Through the study of rhetoric old and new one learns how meaning is made It is through that kind of understanding one gets to decide what to mean

A Reference Guide for English Studies Michael J. Marcuse, 2023-11-15 [The Languages of World Literature](#) Achim Hölter, 2024-03-04 This volume opens the series of papers presented at the Vienna Congress of AILC ICLA 2016 beginning with eight keynotes Thirty four further papers are dedicated to the central theme of the conference the linguistic side of world literature under different focal points The volume further contains five roundtables the papers of a workshop of the UNESCO memory of the worlds programme a presentation of the avldigital de platform as well as several bibliographically enriched overviews of the special lexicography of comparative literature up to date versions of the ICLA publications and an example of multiple translations of a famous modern classic

The Anthem Dictionary of Literary Terms and Theory Peter Auger, 2010-07-15 This Dictionary is a guide to the literary terms most relevant to students and readers of English literature today thorough on the essentials and generous in its intellectual scope The definitions are lively and precise in equipping students and general readers with a genuinely useful critical vocabulary It identifies the thinking and controversies surrounding terms and offers fresh insights and directions for future reading It does this with the help of extensive cross

referencing indexes and up to date bibliography with recommended websites *A Dictionary of Literary Devices* Bernard Marie Dupriez, 1991-01-01 Comprising some 4000 terms defined and illustrated Gradus calls upon the resources of linguistics poetics semiotics socio criticism rhetoric pragmatics combining them in ways which enable readers quickly to comprehend the codes and conventions which together make up literarity *A Dictionary of Literary Terms and Literary Theory* J. A. Cuddon, 2012-11-07 With new entries and sensitive edits this fifth edition places J A Cuddon s indispensable dictionary firmly in the 21st Century Written in a clear and highly readable style Comprehensive historical coverage extending from ancient times to the present day Broad intellectual and cultural range Expands on the previous edition to incorporate the most recent literary terminology New material is particularly focused in areas such as gender studies and queer theory post colonial theory post structuralism post modernism narrative theory and cultural studies Existing entries have been edited to ensure that topics receive balanced treatment **A Dictionary of Modern Critical Terms** Roger Fowler, 2016-09-19 This book first published in 1987 differs from many other dictionaries of criticism in concentrating less on time honoured rhetorical terms and more on conceptually flexible powerful terms Each entry consists of not simply a dictionary definition but an essay exploring the history and full significance of the term and its possibilities in critical discourse This title is an ideal basic reference text for literature students of all levels *The Concise Oxford Dictionary of Literary Terms* , 1996
